

FIFTH WARDERS FOR MOORES

Enthusiastic Meeting Held at Hall at Sixteenth and Locust.

I. S. HASCALL GETS THE COLD SHOULDER

Mayor Makes an Address Outlining His Platform and Tells Something of the Work of His Enemies.

Rain, snow and icy sidewalks did not prevent more than 100 men from gathering in a little hall at Sixteenth and Locust streets last night and, under the auspices of the Frank E. Moore's Fifth Ward republican club, holding one of the most enthusiastic meetings of the present campaign.

It seemed from the noise and remarks made by those in attendance that nearly every man present was heartily in favor of Frank E. Moore for a third term mayor.

Club Goes on Record.

The club went on record as endorsing Frank E. Moore for mayor, Bryce Crawford for councilman and the passage of the Rosewater franchise ordinance by the council.

At the beginning of the meeting W. I. Kierstead explained that the club had been organized some time ago and that he had been elected president.

Two hundred and twenty names have been signed to the following declaration, a score of new members taking allegiance last night:

The undersigned republican voters of the Fifth ward do hereby agree to support Hon. Frank E. Moore for mayor at the coming primary election for the reason that he has made a good conscientious mayor in the past, and we know what to expect in the future.

Having no other business to attend to he has given the city his undivided time, something no previous mayor has done.

Mayor States Position.

Mayor Moore's speech bristled with impromptu humor that pleased his audience greatly. As at a recent First ward meeting, he outlined the platform on which he stands—local self government, municipal ownership of public utilities and equal taxation of the railroads and other property.

Make Another Trial.

"Again, within the last eight months, a male detective was brought from Chicago to secure evidence to prove that I had been in league with the gamblers. He professed to be what is known as a 'sporting man,' and getting in with him was all that I had to do in Omaha.

THE PERPETUAL WAR

There is always a fight going on in every human body between health and disease. On one side are poor food, bad air, overwork, worry, colds, accidents. On the other are sunshine, rest, cheerfulness and nourishment.

The reason Scott's Emulsion fights so powerfully for health is because it gives so much more nourishment than you can get in any other way. Get in the sunlight and try Scott's Emulsion.

During the evening the members of the club endorsed Mr. Moore as their candidate for mayor.

Seventh Ward Candidates Out.

Quite a little ripple stirred in the Seventh Ward Republican club last evening when it was announced that the club was slightly in debt, but that it is in a position to clear up its indebtedness.

AFFAIRS AT SOUTH OMAHA

Population is Outgrowing the City's Present Sins.

MORE BUILDINGS URGENTLY NEEDED

Real Estate Men Say Demand for Homes is Greater Than Ever Before and Capitalists Talk of Investing.

"South Omaha's population is increasing rapidly," said a well known real estate agent yesterday afternoon. "We have more inquiries for houses now than we ever had before at this time of year."

Inquiry at the real estate offices showed that very few houses in the city are for rent and that the statements made are true.

There is a demand for flats and for cottages. Newcomers are hunting for homes in all parts of the city and appear to be willing to take anything with a roof over it.
