Mrs. E. L. Brown.

A Beautiful Society Matron's Recovery.

Memphis, Tenn., 327 Elliott St.

The Peruna Medicine Co., Columbus, O.

"I suffered for several years with headache, brought on by nervous prostration. I was also afflicted with insomnia. I would get up in the morning more weary than when I retired and I used to dread the approach of night. Peruna came into my home as a welcome guest, and within three short months I was like another woman. I now have enjoyed perfect health for over a year, and those who have suffered as I did will know how happy I am."—Mrs. E. L. Brown.

As a spring medicine Peruna is a never failing remedy. It cleanses the blood through digestion, and gives tone to the whole system by increasing the nutritive value of the food. "Spring Fever" is in fact sometimes called, "Spring Catarrh," a tired out, sleepy feeling, and inability to do much mental or physical work is the result of a sluggish digestion.

The great popularity that Peruna has is due to the fact that in all such cases it enriches the blood by purifying this very important source of vital fluid.

Mrs. J. E. Finn, 82 East High street, Buffalo, N. Y., writes:

"I had often heard of Peruna as an excellent tonic, so I bought a bottle to see what it would do for me, and it certainly took hold of my system and rejuvenated it and in less than two months I was in perfect health, and now when I feel worn out or tired, a dose or two of Peruna is all that I need."—Mrs. J. E. Finn.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.
