Republican City Committee Makes Its Selection of Officers.

ONLY THREE MOORES MEN ON LIST

Executive Committee Holds Brief Session and Reports Back Pre-arranged Slate Chosen to Precede Over Balloting.

The "anti-machine" machine was well greased at the meeting of the republican city central committee in Washington hall last night, it being the second occasion on which the members had been called together to select judges and clerks for the primary election.

At the beginning of the meeting, which was brief, B. G. Burbank facetiously moved that the lists of judges and clerks submitted by the committee be referred to the executive committee, which would examine the lists and make as nearly an equitable division as possible among the candidates.

The judges and clerks at the primaries April 10 will be as follows: First Ward—Judges, William Hullard and John Penoyer, clerk, Frank W. Coleman.

CHILDREN TO SEE PRESIDENT

Board of Governors of Ak-Sar-Pen Plans Another Feature of the Executive's Visit.

According to the plan of the board of governors of the Ak-Sar-Pen, Omaha school children are to be given an especial opportunity to see President Roosevelt on the occasion of his visit to the city this month, and if he consents, will be given a chance to hear him make a brief speech.

At the meeting of the board last night it was decided to ask the board of education to co-operate in the matter and if possible have all of the children in the schools assemble on the carnival grounds at Eighteenth and Douglas streets under the guard of the High School Cadets in full marching order.

The board of governors decided also to withdraw season reserved seats for the musical festival from sale after April 15, and to hold all seats remaining unsold at that time for single admissions, to be sold each day at a much higher price proportionately than that asked for the season tickets.

Accepts Position of Associate General Counsel of Big Life Insurance Company.

J. H. McIntosh has accepted the position of associate general counsel of the New York Life Insurance company in New York City and will leave here July 1. Mr. McIntosh was called to New York several days ago in regard to this appointment and in accepting it stipulated that he should not leave here until the first of July, because he would require that much time at least to settle up his affairs.

"This is the most important litigation the city of Omaha has ever been interested in," said Mr. McIntosh, "and I shall urge the mayor and council to employ special counsel at once to assume responsibility for these cases. The litigation is unusual and of great importance and the city attorney should not be asked to add to the exacting ordinary duties devolving upon his office. The cases involve not merely
