SOLDIERS RUN THE TRAINS

Strikers in Holland Attempt to Tie Up Railway Lines.

PROTEST AGAINST ANTI-STRIKE LAW

Trouble Is Expected to Spread to Other Branches of Labor and the Strike May Become General Throughout Country.

AMSTERDAM, April 6.—At midnight a meeting of the workmen's committee proclaimed a general strike throughout Holland of labor engaged in transportation, both by land and water.

The station and wharfes are guarded by troops. The administration of the railroads has taken steps to secure the running of the foreign expresses under military protection. A workman was injured by a revolver shot fired by a soldier today. The man who was walking on the railroad was not aware that the strike had been proclaimed and failed to reply to the soldier's challenge.

The president of the workmen's committee of defense in an interview said the strike proclamation involved the entire railroad system and other land transportation of Holland and the water transports of the ports of Amsterdam, Rotterdam Dordrecht and Zaandam.

Protest Against Laws.

The strike, he added, was intended as a protest against the anti-strike laws as well as to support the demand of the railroad men for an increase of wages before the passage of the laws made an improvement in this position impossible.

The president also said the strike would spread to other branches of labor.

The staffs of the shipping companies trading with London and Hull have stopped work in sympathy with the strikers.

Only one train left Amsterdam this morning and it was protected by troops.

All business here is at standstill on the wharves and the mail boats which arrived today could not be unloaded.

Dock Laborers Join Strike.

ROTTERDAM, April 6.—The dock laborers wagon drivers and all others engaged in industries connected with the port have joined in the general strike.

A formal declaration was issued by the strike leaders here to the effect that the strike was not connected with the question of wagons, but was solely against the proposed anti-strike laws. The withdrawal of these laws is demanded.

The railroad station is guarded by marines and a sufficient number of employes have remained at work to enable the running of a trains today between Rotterdam and Amsterdam.

THE HAGUE, April 6.—A general strike of the railroad men was proclaimed here this morning. The railroad stations are guarded. The government is endeavoring to maintain the foreign mail service by troop-protected trains. The service on the Netherlands railroad is restricted.

Wilhelmina to Take Hand.

Queen Wilhelmina, who is at Castle Loo, has signified her intention to return to The Hague if affairs of state arising from the strike situation require her presence here. The government hopes that the precautionary measures to deal with the strikers will suffice.

The government is conferring with the committee of defense concerning the demands of the strikers. If these demands are rejected the men intend to extend the strike to foreign railways and labor organizations with which their union is connected.

YANKTON, S. D., April 6.—(Special Telegram.)—The body of a young man, unknown here, was found hanging from a beam in a corn crib near the Great Northern depot last night. From papers discovered on the body it is believed his name was Andrew Strand, but it is impossible to identify him any further.

He was young, well dressed and had considerable money in his pockets. There were no signs of foul play or clew to cause for the act.

Another Producing Oil Well.

LANDER, Wyo., April 6.—(Special.)—Dr. Henderson, the Englishman in charge of the work of the English syndicate in the Dallas oil fields, stated that another producing well was added to the list during the past week, making eleven flowing wells all told. The well is down 825 feet and Dr. Henderson says it is the largest producer of any in the fields. The drilling crews are now down 500 feet on well No. 12.

D., April 6.—(Special Telegram.)—Yankton's city election today resulted in the election of Frank Fanslow, democrat, mayor; Will Pierson, democrat, marshal; William Bader, republican, treasurer; George W. Wadsworth, the newly appointed agent of the Shoshone reservation, has sold his interests in the Lander-Rawlins telegraph line to the Rocky Mountain Bell Telephone company. This line is one of the historic landmarks of this section. It was built in 1878 and for many years was used almost exclusively by the government.

REVIVES THE LILLIE CASE

Finding of Revolver May Have Important Bearing on the Matter.

DISCOVERED IN WELL NEAR LILLIE HOME

Two Chambers Had Been Discharged and Remaining Bullets Corresponded with One Taken from Dead Man's Brain.

DAVID CITY, Neb., April 6.—(Special Telegram.)—There was considerable excitement in the city this afternoon when it was rumored that a revolver had been found with which it is possible Harvey Lillie was killed. A. L. Hughes employed James Clark to clean out an old well that had not been used for several years, the property being occupied by a tenant. Mr. Clark went to work this morning and as soon as he went down into the well, which had very little if any water in it, he found a thirty-two caliber, six-shot, medium length barrel, rim fire revolver, loaded with long cartridges. Two of them had been fired. The gun is a bright looking one and compares exactly with the one Mrs. Lillie told the officers that the man held in his hand when he did the shooting, as to being bright and glistening.

The well where the revolver was found is about one hundred feet from the Lillie residence and at the time of the murder the premises was occupied by Arthur Pepper. The officers say that the bullets in the cartridges with which the revolver is loaded are exactly like those found in Lillie's brain and in the barn 300 feet away. The revolver is in the possession of County Attorney Evans, who declines at this time to give any further description of it than above stated. The motion for a new trial will be argued and submitted to Judge Good on April 17, and it is a question whether or not the finding of this revolver will have any effect on the motion for a new trial.

Thirty-five years ago he moved to Leach Lake, Minn., where for three years he acted as teacher of the Indian agency and as volunteer missionary. After a brief pastorate in Minneapolis he came to Nebraska, serving as pastor for the Methodist church at Friend for several years. Twenty-two years ago he became pastor of Trinity Methodist church at Lincoln. Mr. Howe has been prominently identified with various charitable and missionary movements in the west. For twelve years he was chaplain at the state penitentiary. Deceased leaves four children. The funeral will be held at the home Wednesday afternoon at 2:30 o'clock.

Supposed to Be Suffering From Mental Trouble Due to a Sunstroke.

HASTINGS, Neb., April 6.—(Special Telegram.)—Andrew Aschund disappeared from his home in Hastings last Thursday night and all efforts to locate him have failed. Mr. Aschund is about 48 years of age and has been employed by George Brandt for some time. Last summer he suffered from sunstroke while employed at the asylum and it is supposed that this affected his mind and has caused his mysterious disappearance. He does not owe any bills and he is supposed to have had considerable money about his person at the time of his disappearance.

INJURED BY FALLING GLASS

Wind Responsible for Serious Accident in Clay Center Postoffice.

CLAY CENTER, Neb., April 6.—(Special.)—While the postoffice at this place was crowded with patrons at noon today awaiting the distribution of the mail, the plate-glass window, 10x12 feet in size and five-sixteenths of an inch thick, came crashing in. Miss Martha Allen, the 16-year-old daughter of Hon. George A. Allen, was badly injured, her nose and chin being nearly cut off. Z. B. Holcomb, an elderly man, was badly cut on his head and back of his ear. Others were slightly hurt. The very strong south wind was responsible for the accident.

HIS BODY IS BADLY MANGLED

Iowa Man Found Dead on the Union Pacific Track Near Korty.

OGALALLA, Neb, April 6.—(Special Telegram.)—John Gaule of Conway, Ia., was found on the Union Pacific track near Korty with his body cut in two and badly mangled.

His remains were brought here and his people notified.

Victim of Shooting Feverish.

FREMONT, Neb., April 6.—(Special.)—Ross Mullison, who is charged with shooting John Weidner here early Sunday morning, was arraigned in police court this afternoon. He pleaded not guilty and his preliminary examination was set for April 11. Mullison is not yet 19 years old and is not a bad looking boy. He was quite nervous when in court and fully realizes the seriousness of his offense. Weidner, the man who was shot, is not getting along very well. He had considerable fever and his physician is as yet unable to locate the bullet, which is in the lower part of the abdomen. If the bullet is extracted no serious results are anticipated and Weidner will be out in a few days. Weidner is not disposed to talk much about the occurrence. He was evidently pretty drunk, as were all the rest of the party, and claims to have only a dim recollection of what occurred at the corner of Main street and Military avenue. Mullison's father is in the city and has employed an attorney to look after his son's interests. Judging from the class of books which the boy wanted when informed that he would have to remain in jail until Saturday, blood and thunder stories of the Wild Bill class are responsible for what he did.

Grocery Store Is Robbed.

HUMBOLDT, Neb., April 6.—(Special.)—Sneak thieves last night robbed the grocery of Watts & Campbell of this city, carrying off $2 or $3 in cash and a similar amount in metal due-bills, which the visitors doubtless mistook for money. A loss of something like $6 or $8 in canned goods, cigars, tobacco, etc., was also sustained by the proprietors. Entrance was gained by prying up one of the rear windows and the belief is general that it was the work of local talent. The night watch thought he heard a noise in the room about 4 o'clock in the morning, but when he made an examination from the front of the building he could not detect anything wrong, and decided he must have been mistaken.

Effort to Settle Damages.

TECUMSEH, Neb., April 6.—(Special.)—An effort has been made to settle the case of the heirs of J. B. Gooch against the County of Johnson, damages, out of court. Mr. Gooch lost his life by going through a bridge with a traction engine. The heirs demanded damages from the county, the county offered to settle for $750, but the offer was rejected. It is claimed that there are reasons why the heirs cannot recover from the county, for some reason the county not being liable in the case under the circumstances surrounding the accident.

New Stamps Are Imperfect.

The new two-cent postage stamp recently issued has been called in, as an imperfection has been discovered in it. You are also making a mistake in experimenting with different remedies to cure you of sick headache, sour stomach, heartburn, indigestion, dyspapsia, la grippe or malaria. Hostetter's Stomach Bitters is the only sure cure for these ailments, having been used successfully for half a century. We urge you to try it. It will cure even after other remedies have failed.

Wet Weather Delays Seeding.

STURGIS, S. D., April 5.—(Special.)—While a few of the farmers of Meade county have already sown wheat, the majority of them are greatly delayed on account of the snow and rain. The ground is too wet at present and nothing can be done. Just as soon as the weather becomes favorable, seeding will go on with a rush.

South Dakota Farmers Organize.

ELKTON, S. D., April 6.—Farmers to the number of 150 gathered here and organized a local union of the American Society of Equity of North America. This is the first organization in the northwest and enthusiasm is high.

Cured His Mother of Rheumatism.

"My mother has been a sufferer for many years with rheumatism," says W. H. Howard of Husband, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a little of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with."

Test for Yourself the Wonderful Curative Properties of Swamp-Root

Thousands Have Kidney Trouble and Never Suspect It

To Prove What Swamp-Root, the World-Famous Kidney, Liver and Bladder Remedy, Will do for YOU, Every Reader of The Bee May Have a Sample Bottle Sent Free by Mail.

I wrote to Dr. Kilmer & Co., at Binghamton, N. Y., for a free sample bottle of Swamp-Root, and its effect upon me was so noticeable that I bought a supply, and after taking a few bottles of Swamp-Root I had entirely recovered, and in six months I became the man you see me now. I had kidney trouble, aggarvated by bladder trouble. Was obliged to pass water often day and night, had back ache, and was run down generally. A few bottles of this remedy did more for me than a dozen physicians could.

Lucas Hutt

865 Stillman St., Philadelphia, (Pa.) Fire Dep't.

I am a firm believer in that wonderful remedy, Dr. Kilmer's Swamp-Root. It's a great medicine when a man is not feeling well; after exposure or loss of sleep and irregular meals. It is also a great medicine to tone up and regulate a man. There is such a pleasant taste to it and it seems to go right to the spot. I use it and recommend it. There is more Swamp-Root used by Kansas City firemen than any other medicine twice over. Yours truly,

Alex Henderson

Assistant Chief, Kansas City, (Kan.) Fire Dept.

I cheerfully give my endorsement to Dr. Kilmer's Swamp-Root, which I sincerely believe, from my own experience, stands at the head of all known curatives for kidney, liver and bladder troubles.

My own cure and also my personal observation during years of service in the Toledo Fire Department, have convinced me that Swamp-Root is a medicine of wonderful merit. I have seen many who had been pronounced incurable, speedily restored to health by Swamp-Root.

Yours respectfully,

G. W. Fraser

No. 1 Engine House, Toledo, (O.) Fire Department.

If you are sick or "feel badly," begin taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering with fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; makes your head ache and back ache, causes indigestion, stomach and liver trouble; you get a sallow, yellow complexion, makes you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice, and is taken by doctors themselves, because they recognize in it the greatest and most successful remedy that science has ever been able to compound.

EDITORIAL NOTICE—Swamp-Root, the great Kidney, Liver and Bladder remedy, is so remarkably successful that a special arrangement has been made by which all of our readers who have not already tried it may have a sample bottle sent absolutely free by mail. Also a book telling all about kidney and bladder troubles and containing many of the thousands upon thousands of testimonial letters received from men and women cured by Swamp-Root. In writing be sure and mention reading this generous offer in The Omaha Daily Bee when sending your address to Dr. Kilmer & Co., Binghamton, N. Y.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at the drug stores everywhere. Don't make any mistake, but remember the name, Swamp-Root—Dr. Kilmer's Swamp-Root, and the address, Bingmamton, N. Y., on every bottle.
