Smith Introduces Rule Against Employment of Relatives of Board Members as Teachers, but it Falls to Go Through.

Interest at the meeting of the board of education last night centered in changes of the rules concerning civil service regulations for the janitors, the retention of the supervisor of music at a salary of \$130 a month, member Smith's effort to get through a rule forbidding the employment of teachers related to board members, and Thomas B. Kimball's plans for the Monmouth Park school.

Architect Kimball was instructed to proceed with the finished plans for the Monmouth Park school and the board will enter into a contract with him whereby he will supervise the construction for 5 per cent of the cost, which he estimates at \$45,000.

WOMAN IN CLUB AND CHARITY

Miss Laura A. Gregg, organizer of the Nebraska Suffrage association, went to Lincoln on Sunday in the interest of the woman's property rights bill and will remain there until the latter part of the week, when she will join Miss Gail Laughlin in an eight weeks' tour of the state.

Nebraska has now one of the strongest suffrage organizations in the country and because of its close proximity to Iowa with another of the strong organizations, there is little doubt but that the national convention of 1905 would be given to Nebraska if the invitation was extended.

"Paste and Enamel" was the subject of the April meeting of the Nebraska Ceramic club, held yesterday afternoon and "Flowers" was the study. Mrs. R. Wilson acted as leader and Miss Melons Butterfield, Mrs. P. M. Wagner and Miss Edith Snell were the exhibitors.

WARM TIME AT MEETING

Second Ward Republicans Listen to Some Interesting Personalities.

OLD POLITICAL FIGHTS ARE RENEWED

Factions Meet and Leaders Express Plain Opinion of Each Other for the Edification of Their Followers.

It was one of the liveliest meetings ever held by the Second Ward Republican club, and the discussion ranged from the action of the republican delegation from Douglas county in the state legislature to the seating of the delegates from Clontarf precinct in the last republican county convention.

Henry M. Waring of the Fourth ward said he came with a message from Representative Gilbert. This statement was met with cries of "Why doesn't Gilbert come himself?" and "We've had enough of Gilbert! We'll show him!"

Then Mr. Waring quit, and Gus Harte came upon the floor for a minute to give place to Mike Lee upon persistent calls by members of the club. Mr. Lee said in part:

"A judge of election appointed by the present city committee for this ward says that he has secured a list of the Irish republicans of the ward and that it is his intention not to set the 'Micks' vote."

Mr. Waring then returned to the floor and said that he had secured a list of the Irish republicans of the ward and that it is his intention not to set the 'Micks' vote.

DEATH RECORD.

Mrs. Mary E. Howe.

TABLE ROCK, Neb., April 6.—(Special.)—The people here were greatly pained to hear this morning of the death of Mrs. Mary E. Howe at her home two miles north, who passed quietly to "the great beyond" at 11 last night.

She was a woman greatly loved by all and was of much more than ordinary ability. She was born at Fairview, O., in June, 1831, and was therefore in her 72d year. She had resided at the home farm where she died since 1872 and was the wife of Hon. O. D. Howe, who had served three terms as county superintendent and several terms as county surveyor of Pawnee county. She had been a prolific writer and had contributed to newspapers and magazines more or less for the past 50 years.

A short sketch of her life and a couple of her productions occupy a page of the "Local and National Poets of America," a volume of 1,036 pages, which was published in 1890 by the American Publishing company at Chicago. She was a sister of Hon. Theodore W. Pepon, who was state senator from here in 1877. She leaves a husband, a son and a daughter and two grandchildren of the immediate relatives to mourn her loss.

She had been in failing health for several weeks and her demise was not unexpected. Arrangements for the funeral have not yet been completed.
