The practice of taking a tonic in the Spring is too time-honored to need justification. The herb tea brewed by our grandmothers, and administered to young and old alike, was a homely effort to combat the humors which poison the blood at the end of the winter season.

Dr. Williams' Pink Pills for Pale People.

It is none too early to begin now. Get a box from your druggist today. Take one pill after each meal. To be sure you don't forget, have the box placed at your plate at table.

Impure Blood. "Last spring," says Walter James, of No. 1096 Broad street, Providence, R. I., "I was made miserable by the appearance of boils all over my body. They caused me a great deal of misery. I tried many a great deal and nothing I tried did me any good until I tried Dr. Williams' Pink Pills for Pale People. I suffered with these eruptions for months and the doctors did not seem able to help me. They said my trouble was caused by impurities in the blood. Then Dr. Williams' Pink Pills were recommended to me and I tried them with the result that in a short time the boils were all driven away and I was cured. I am glad to recommend this remedy to all whose blood is not as it should be."

Nervous and Sleepless. Mrs. M. M. Lee, of No. 225 West street, East Chicago, Wis., says: "In the spring of 1898, the effects of over work, which had been telling upon me for some time, caused a general breaking down of my health. I became very nervous, with severe headache and dizzy spells, and had such agonizing pains across the chest that I could not raise my arms without undergoing horrible tortures. I could not sleep for more than an hour at a time, I felt worn out and all my ambition was gone. After I mark on the color in my cheeks, and I told them Dr. Williams' Pink Pills had done it and had restored me to health. That was several years ago, but from that day to this I have retained my health and strength."

A Tonic That is Also a Specific. Dr. Williams' Pink Pills for Pale People are a powerful blood builder and spinal tonic and they embody Dr. Williams' wonderful discovery—a principle in medicine that attacks the root of disease, not the symptoms. They have cured cases of rheumatism, anemia, indigestion, nervousness and partial paralysis that have not yielded to ordinary treatment.

Not Like Ordinary Medicines. The genuine are sold only in boxes bearing the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper and every box. At all druggists, or sent postpaid at 50 cents a box or six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.
