### CHARGE LIKELY TO BE MURDER

County Attorney Expects to Prosecute Pat Jackson for Killing W. J. Walker.

Pat Jackson, who shot W. J. Walker in Garrity's saloon Friday night, will have his preliminary hearing before Judge Berka Thursday morning. County Attorney English expects. The latter believes, also, that Jackson will be held to answer to a charge of murder in the first degree, the complaint to be based upon the evidence brought out in the coroner's inquest Tuesday.

In the testimony offered it was shown that Walker was approaching the north door in the Garrity saloon when Jackson arose from his chair and fired a shot at close range, following it quickly with another.

Announcements of the Theaters.

At the Orpheum the regular midweek matinee will be given this afternoon and those who enjoy the laughable will find entertainment in their liking. For the program embraces an abundance of comedy. Melvilles and Stetson's new "stunt" is taking excellently and they are scoring with their wondrous vim to their old admirers and making many new ones. Their costumes are rich and pretty and prove somewhat of an attraction for the women folk in themselves. Another pretty act that is taking decidedly well is the dancing of the De Forrests.

The famous Zeb and Zarrow with their howling pantomime trick faces will be the attraction at the Boyd tonight and Friday. The story deals with three elopements, the principals to the escapade meet with numerous mishaps, that keeps the audience in roars of laughter. The book is by James German, under whose careful management it was staged. Karl Weizelbaum wrote the music, which is said to be tuneful, several numbers having already become popular.

Dr. Roy, chiropractist, moved to 1508 Farnam.

Redden's Case Continued.

The hearing of Mamie Perry and Mattie Jones, who are held on the charge of stealing \$50 from S. A. Redden while he was seeing the attractions of the Third ward, has been continued by Judge Berka until Friday. The continuance was due to the failure of the defendant's counsel to prepare his defense. The twenty inmates of the resorts who were arrested in connection with the theft and later charged with "agency" were all discharged. Chief Prosecutor Thomas holding the evidence to be insufficient.

## The Best Office Building

Moving is not pleasant to think about except when the prospect of a handsome office is in prospect. You have to get up a certain amount of steam to move, even when you are driven to desperation by poor janitor work, wretched elevator service and offices that have been long in need of paint as well as soap and water.

### THE BEE BUILDING

always looks fresh and attractive because it is never allowed to get out of repair. This together with efficient janitor service make it a pleasant place to do business. Besides this the rents are no higher than in other buildings. R. C. Peters & Co., RENTAL AGENTS. Ground Floor, Bee Bldg.
