Killed in a Runaway.

NELSON, Neb., April 8.—(Special Telegram.)—An accident occurred to J. E. Beam yesterday afternoon which resulted in his death this evening. He was riding home in a buggy with one of his neighbors and led a horse for him. The horse became frightened and broke loose. The man gave Mr. Beam the lines and got out to catch the horse. In watching the man, Mr. Beam dropped one of the lines, and then the team started to go. In trying to stop them with the one line, they ran around in a circle and threw him out fatally injuring him. LOCAL CONTESTS IN STATE

Politics Figure in Several of the Cities and Republicans Show Well.

LOCAL ISSUES PREDOMINATE, HOWEVER

As Usual, License or No License is the Fight in Majority of Instances and Some Surprises are Noted.

YORK, Neb., April 8.—(Special.)—The entire republican ticket in the city of York was elected by pluralities of from 45 to 350. Both sides worked hard to get out the vote. Hon. George W. Post was elected mayor. The republican councilmen were elected and the only real contest on councilmen was supposed to be in the Third ward. Captain H. P. Lundeen, the only fusionist officer in the court house, accepted the nomination by the republicans for councilman of the Third ward. The opposition issued circulars against him and made a house to house canvass. Lundeen surprised all, as he won by over 500 votes. A great many issues were sprung and worked against the republican ticket. The opposition urged that the republicans were going to pave and run the city in debt and brick was to be furnished by Mayor Post. Considering the fight put up the republicans felt elated over the returns.

DAVID CITY, Neb., April 8.—(Special.)—The city election passed off quietly yesterday. A considerable vote was done but in a manner that caused no excitement whatever. Party politics were laid aside at the primaries and a citizens' ticket nominated that was favorable to license. A full ticket was nominated that was supposed to be against license, but some of these announced through a local paper that they were for high license, so the contest was purely a personal one. The citizens' ticket was elected by majorities ranging from 50 to 34. The following are the officers elected: Mayor, John F. Zellinger; city clerk, W. S. McCoy; city treasurer, C. Becker; police judge, E. S. Jones; councilmen, First ward, A. E. Etting; Second ward, F. W. Sleeper; to fill vacancy Charles Stoops, Third ward, M. J. Bousa. The vote for members of Board of Education is very close and it will take the official count to decide this. It is believed, however, that Arthur Myatt and Matt Miller are elected.

Republicans Win at Fremont.

FREMONT, Neb., April 8.—(Special.)—An unusually large vote for a city election was cast yesterday and as a result the republican ticket was generally successful. Wola, republican, was elected mayor over Morse, democrat, by 90 majority. The other successful candidates are: Treasurer, Frank Hollenbeck, democrat; clerk, S. P. Siles; police judge, L. Cook, republican; water and electric light commissioner, J. H. Matthews, democrat; councilman, F. M. Smith, J. H. C. Slobb, David Franklin, A. W. Murphy and J. B. Brooks, all republicans. For the school board, George L. Loomis, democrat, and C. C. McNish, republican, were elected. The school board democrat, had the largest majority over his opponent of any one on the ticket, 162. The new council will have seven republicans and one lone democrat.

Women Work for Bonds.

HASTINGS, Neb., April 8.—(Special.)—The principal interest in the city election here yesterday centered around the proposition to vote \$40,000 in bonds for the erection of a new high school building. The republican ticket was generally successful. Wola, republican, was elected mayor over Morse, democrat, by 90 majority. The other successful candidates are: Treasurer, Frank Hollenbeck, democrat; clerk, S. P. Siles; police judge, L. Cook, republican; water and electric light commissioner, J. H. Matthews, democrat; councilman, F. M. Smith, J. H. C. Slobb, David Franklin, A. W. Murphy and J. B. Brooks, all republicans. For the school board, George L. Loomis, democrat, and C. C. McNish, republican, were elected. The school board democrat, had the largest majority over his opponent of any one on the ticket, 162. The new council will have seven republicans and one lone democrat.

MEMBERS OF THE SCHOOL BOARD, B. MICK, RE-ELECTED AGAINST SOME PARTY OPPOSITION, AND CIRIL SCHMID.

NEBRASKA CITY, Neb., April 8.—(Special.)—The city election passed off very quietly and only 1,500 votes being cast in the entire city. Three tickets were in the field and the general result was a victory for the republicans. Following are the results: Councilmen: Fourth ward, George W. Tompkins and E. H. Shannon, democrats and endorsed by union labor; Third ward, F. Keoppel and William Brower, republicans; Second ward, Cal Chapman and Lou Prue, republicans and endorsed by union labor; First ward, James Christensen, republican, and Robert James, democrat, both endorsed by union labor. Board of Education: D. W. Schminke, republican; Henry Schwake, republican; O. A. Kimmel, republican; Dr. Claude Watson, democrat.

PLATTSMOUTH, Neb., April 8.—(Special.)—The city election passed off very quietly yesterday, the "wet" and "dry" not entering into the question. The socialists had a full ticket in the field and made gains in each ward. H. N. Dovey and Dr. C. A. Marshall were elected on the republican ticket for members of the Board of Education. In the First ward Ed Fitzgerald, democrat, was elected councilman; Frank Buttery, republican, in the Second; James Beckler, democrat, in the Third; William Hallance, republican, in the Fourth, and John Vandran, democrat, in the Fifth.

AUBURN, Neb., April 8.—(Special.)—The election in this city resulted in the selection of almost the entire citizen's reform ticket. Dr. H. H. Dillon was elected mayor over R. M. Gillan by 120 majority. J. C. Boyd, treasurer, 35 majority; W. S. Cribben, clerk, 35 majority; N. S. Horn, police judge, these three latter being on both tickets. D. E. C. Long was elected councilman in the First ward, J. W. Dush in the Second and Fred Schriener and G. P. Harlan in the Third. The real contest came over members of the school board, the citizen's reform candidates, favoring the present superintendent and school administration, the independent candidates opposing them. J. P. Tyler and A. R. Peery, the pro-administration candidates, were elected by majorities of 156 and 146 respectively. The license question was, as usual, submitted to the direct vote of the citizens, and resulted in 69 majority in favor of license.

The license candidates were elected in two of the three wards, but the holdover members are no license and there will be no saloons during the coming year. There was a direct vote on the question of licensing and there was a majority of six against license. Alma—The anti-license ticket won by electing half of the council and the mayor. Arapahoe—License carried at town election. C. Horton and S. M. Patterson being elected on the town board. Arlington—Arlington will continue to be a wet town. Aurora—License or no license was the issue before the voters, direct expression being had resulting in a majority against license. The public improvement ticket was elected as follows: Mayor, J. H. Edmondson; clerk, Fred Jeffers; treasurer, C. S. Hoyer; police judge, H. G. Curry; councilman, D. L. Macomber, Thomas Hedcock, E. A. Thomas; police judge, H. D. Shankland; Board of Education, G. W. Curry and Dr. Stenberg.

Battle Creek—Charles Probst and Joseph Severin elected councilmen. Election quiet. Besmer—The petition ticket was elected as follows: Edward Albright, James Walla, George Mellor and William Hill. Belgrade—The license ticket was elected, but on direct vote on the question of license the majority was against license and the town will be dry for another year at least. Benedict—License ticket elected. Bradshaw—The license ticket was elected, but it is considered doubtful whether a saloon petition can be secured. Butte—Only one ticket was in the field and no interest was taken in the election. Cedar Rapids—The high license ticket was elected. The town has been dry for the past year.

Crete—The democrats re-elected Mayor Bush and captured all the other offices except city engineer. The officers elected are: Mayor, Bush; clerk, Ed Badoušek; treasurer, Ed Walker; police judge, Fred Hirt. Dakota City—No interest and no contest over election, only fifty-seven votes being polled. East Oxford—License ticket elected. Edgar—License won by one majority. The following ticket was elected: Mayor, E. W. M. Cliff; councilmen, J. W. Hart, J. R. Watson; treasurer, J. J. Walley; clerk, R. Avery. Fairbury—The entire high license ticket was elected, except police judge. Those elected were: Mayor, S. W. Dodge; clerk, L. J. Nutzman; treasurer, S. M. Bailey; police judge, O. H. Strook; councilmen, F. Rain, J. A. Weiting; city engineer, W. W. Wagon.

Fairfield—No license ticket elected. Fullerton—The license ticket was elected. The council will be for license, but the no license mayor was elected. Geneva—License ticket elected as follows: Mayor, J. H. Stevens, councilmen, B. B. Oge, C. Shenker, Jacob Weis; school board, J. H. Heath, F. Skipton. Gibbon—The license ticket was elected. Gothenburg—The no license candidates were elected, but the holdover members are favorable to license and control the board. Humboldt—The temperance ticket, with the exception of clerk, was elected and as a result Humboldt will be dry the coming year after having had saloons for two years. Indianapolis—License ticket elected as follows: Mayor, C. B. Hogg, clerk, W. H. Smith; treasurer, F. B. Duckworth; councilmen, J. V. Harrison and C. N. Smith. Lawrence—No license ticket won after an exciting contest. Leigh—Only one ticket and no issue; board is for license. Lexington—The no license candidates were all elected as follows: Mayor, George W. Fox; police judge, W. D. Roberts; treasurer, John M. Neff; clerk, E. V. Filer; councilmen, Dr. F. J. Rosenberg, Reese Roe, P. J. Hewitt.

Lyons—The no license ticket was elected and this together with the decision of the court that liquor cannot be sold on any of the lots in the town without forfeiting title will certainly make Lyons a dry town. McCool—McCool reversed itself and elected the no license ticket after having a saloon for several years. Nelson—The anti-license ticket was elected by a large majority. Oakland—The high license ticket won after an exciting contest. Orleans—The names of the license candidates were not filed in time to get on the official list, but they were written up by enough voters to carry the election for license. Oxford—License ticket elected. Papillion—The democrats elected the entire city council. Pierce—Only one ticket was printed on the ballot but a quiet effort was made to defeat D. L. Upton by writing in the name of an opponent. The result was a heavy vote and Upton was elected. Randolph—There was but one ticket printed on the ballot, but the no license party wrote in its candidates and made a hard, though losing, fight. Riverton—The license ticket was elected by a small majority. Silver Creek—License won by a majority of 13. St. Edward—The license ticket was elected, though on a direct vote on the

Serious complications are liable to develop in the course of the disease, as grip settles in the weakest part of the system, sometimes the kidneys, sometimes the stomach or the heart, resulting often in heart failure, but the most dreaded ailment is consumption. Consumption is sure to follow and certain death if prompt action is not taken and Duffy's Pure Malt Whiskey administered.

DEATH RECORD.

JOHN SMITH. YORK, Neb., April 8.—(Special.)—John Smith, a resident of McCool and one of the oldest residents of York county, died yesterday at McCool from a stroke of paralysis. Mr. Smith is said to be the oldest resident in York county and was the first resident of this county. He was born in Luzerne county, Penn., May 25, 1832. When 14 years old he drove a stage in Arkansas, and while thus engaged he met with an accident in which his right hip was dislocated. In May, 1865, he located in York county, about three miles east of York, where he had charge of the Beaver Dam station stage, which position he resigned a year later and homesteaded 160 acres on which a part of the town of McCool is built.

In self-defense Mr. Smith was compelled to shoot and kill the first white man in York county, which occurred in the fall of 1856. A stage driver, crazed with drink, drove up to Mr. Smith's house and declared that he would kill everybody there. All fled to the house and barricaded the doors. The stage driver was warned to not come in and when he broke open the door he fell dead from gun shot wounds. Since 1858 Mr. Smith has lived a retired life at McCool. He accumulated considerable property and was a member of the Modern Woodmen of America.

Edward M. Wittig. A brief notice announcing the death of Edward M. Wittig at Nebraska, Neb., on April 6, appeared in The Bee yesterday. Ed Wittig

continued in business there until the destruction of the Boyd theater by fire at that point ten years ago, by which he was burned out. He came from here to Nebraska, and had gradually dropped out of the memory of the old Omaha friends. His big, portly figure and genial characteristics will be recalled to many old-time Omahans by the notice of his death.

His body will be brought here for interment, the funeral taking place from his old residence, 810 South Twenty-fourth street, Thursday afternoon. Final interment will be at Walnut Hill cemetery, Council Bluffs.
