GENERAL BATES A BUSY MAN

Cares of Commander of Two Departments Such as to Occupy His Time Fully.

Major General J. C. Bates, commander of the Departments of the Lakes and the Missouri, with his aide, Captain H. M. Reeve, has returned from Washington and Chicago.

General Bates will remain at a few days and then return to Chicago, which is his headquarters. In reference to the new general staff bill, and the appointments made thereunder, General Bates said: "In making the appointments to the general staff the War Department has acted solely on merit and without reference to politics or political influence. The law does not go into effect until August 1. The officers appointed may be summoned to Washington at any time. I do not look for General Bates to reach Omaha before the 1st of July. I will not be able to be here at the time of President Roosevelt's visit, as my duties will call me to St. Louis at that time."

"I will have charge of the troops there and will see the president then. I will leave for St. Louis April 26, as I wish to be there before the regular troops arrive, and may remain there a few days after their departure. The troops will remain at St. Louis for five or six days."

Don't Cough All Night. Restful sleep follows use of Dr. King's New Discovery, the best cure in the world. No cure, no pay. 50c, \$1.00. For sale by Kuhn & Co.

Announcements of the Theaters. This afternoon and tonight "The Younger Brothers," bank robbers, will be seen at the Boyd. As the name suggests, the play is a melo-drama of the strenuous sort. It tells of the career of the younger brothers from the civil war until their capture in 1875, while raiding the bank at Northfield, Minn.

The Orpheum will give matinee and evening performances today, which will bring the week to a close. The succeeding bill, opening tomorrow, will have an abundance of comedy in it, four acts being cast in this mould, while the other four will be widely divergent. York and Adams, the noted Hebrew comedians, who were the prominent feature in "The Belles of New York," will present the first dialect, "stunt," of this kind that is cast in dialogue parts, at the Orpheum. Minnie Dale, with his silver bells, will be the principal musical feature. Fisher and Carroll, the eccentric comedians, will be among the fun makers, while the pretty comedienne, Julia Ring, will come with the initial bidders. Rice and Walters, in their absurdity, "Bumpy Bump," will interpret comedy and acrobatics. Terpsichore is the specialty of Kennedy and Rooney. Dave Nowlin, the versatile mimic, imitates all kinds of birds and animals and sings in voice ranging from contralto to bass. The kinodrome will project entirely new motion pictures.

Why Brown Didn't Vote. George Brown wandered into the Third ward yesterday looking for the primary booth and incidentally dropped into the sort of Josephine Frackour, 919 Capitol avenue. When informed of his mistake he became angered and drove the inmates into the street. When Officer Jackson arrived he had the doors barricaded and was running the place to suit himself. He was locked up charged with being drunk and disorderly. He gave his address as 324 Lafayette street.

FATHER SEIZES HIS OWN SON

Is Then Arrested on Charge of Kidnaping, Preferred by His Wife.

George F. Taylor, a painter residing at 825 Avenue D, Council Bluffs, was arrested yesterday by Detectives Hatfield and Donohue, charged with kidnaping. He was locked up in the matron's room at police headquarters.

When taken to the station Taylor stated that Thursday he went to his work, leaving, as he supposed, a happy home, only to return at noon and find that his wife, Gertrude, had left and taken with her their 4-year-old son, Raymond. He found Mrs. Taylor at the home of her mother, Mrs. J. P. Hammond, 707 Pacific street, in this city.

Taylor went to the Hammond home yesterday and picked up his little son, who was playing in the front yard. Before he could catch a car and leave the vicinity the mother's screams and the assistance of the neighbors caused him to be overtaken by the officer and arrested.

"The whole trouble is caused by too much mother-in-law," he said at the station, while crying bitterly. "Gertrude was happy until her mother caused her to return home. I earn good wages, provide well for my family and only want her to return and be with me and let us alone. She has caused the trouble."

HAIR SOFT AS SILK.

New Scientific Treatment Kills Dandruff Germs, and Makes Hair Soft.

It is an accepted fact, a proven fact, that dandruff is a germ disease; and it is also a demonstrated fact that Newbro's Herpicide kills the dandruff germ. Without dandruff falling hair will stop, and thin hair will thicken. Herpicide not only kills the dandruff germ, but it also makes hair as soft as silk. It is the most delightful hair dressing made. It cleanses the scalp from dandruff and keeps it clean and healthy. Itching and irritation are instantly relieved, and permanently cured. At all druggists. There's nothing "just as good." Take no substitute. Ask for "Herpicide." Sold by all druggists. Send 10 cents in stamps for sample to The Herpicide Co., Detroit, Mich.

The day of high prices has gone forever. Read our ad on page 9 and then come. Hayden Bros.

A Novel Display.

The Grand Union Tea Co., opposite the Boston store, have in their north window a brood of incubator chickens and the incubator, which was set with thirty-four eggs, April 11, about twenty days to hatch, purchaser of one can of baking powder. The pictures are worth the price of the baking powder alone. These same pictures will be given the same date at the Council Bluffs and South Omaha stores. It is one of the most novel displays on the street. Be sure and see it.

SCHOOL OFFICERS TO JOIN

Plan is to Organize Directors of County in an Association.

FOR UNIFORMITY IN BOOKS AND COURSE

County Superintendent Calls Meeting for Saturday, April 18, to See What Can Be Done for Country Scholars.

Some of the school officers of Douglas county are of the opinion that it would be beneficial for all such officers to join in a formal organization, and E. J. Bodwell, county superintendent of public instruction, who took upon the proposition with favor, has issued a call for a meeting at the county court house Saturday, April 18.

In each of the sixty school districts in Douglas county there is a director, a moderator and a treasurer, and the 180 men so titled will be urged to attend the meeting. One of the promoters of the project said: "The school officers of this county have had two annual meetings previously, and it is time for a third. But this one we hope to make unusual. Heretofore we have discussed school affairs in a general way; now we want to take them up in such manner that we will derive the benefit of more concerted action."

"One topic, after we have effected some sort of organization, will be uniformity of text books. Twenty-five other counties in Nebraska that have these organizations have considered this matter with the result that a list of approved text books has been adopted, whereas in Douglas county each school makes its selection without regard to books used in other schools, and practically every text book printed is in use somewhere within the county's lines. The result is that when a family removes from one district to another, as happens very often, the children entering the new school find themselves 'lost' and it requires from a week to a month for the teacher to get them 'located' and in touch with the rest of the class as doing. If the same text books were used all over the county a scholar could change from one school to another with much less inconvenience."

"In this connection, too, there will be discussed a uniform course of study for reasons which may be inferred from what I have just said of the uniform text book plan. True, there is a state course of study, but necessarily it is made very general and by its generality it is rendered of little real help to the average county teacher."

"Still another topic that needs consideration and a general understanding is the status and the duties of the trustee officer. Directors dread to mix in the affairs of their neighbors and will not do so to any greater extent than they absolutely have to, legislative enactments to the contrary notwithstanding."

"These are the principal propositions that will come before a county association if it is organized, and that it can do good I am led to believe by the experience of the twenty-five similar organizations in other Nebraska counties."
