

EDWARD E. HOWELL

DEMOCRATIC CANDIDATE FOR MAYOR

Mr. Howell stands squarely upon the Democratic City Platform, which declares

That the affairs of the city must be administered in an honest, economical and businesslike manner.

That the city must own its waterworks plant.

That the street railway company must provide sufficient cars to properly accommodate its patrons or accept three-cent fares from those compelled to stand,

That no public official shall accept free transportation, free water, free gas, free electric light or free telephone service at the hands of any corporation.—
