Stampeded the Socialist.

Stampeded the Socialist. Five pistol shots last night broke up one of the largest and most enthusiastic social-ist meetings that has been held on the streets of Omaha for some time. Some socialist orator was expounding his doc-trines from a goods box at Fifteenth and Dodge streets to a vast audience that spread all over the streets and up into Labor temple. The speaker had just soared up to his loftiest notes, apparently, and was only touching the high spots when suddenly five sharp pistol shots rang out on the night air, and without another thought every man in the crowd ran down Fifteenth street toward the Continental building on Douglas, from which direction the shots came, leaving the earnest orator lambast-ing the air. ng the air policeman made an investigation

Continental hall and learned that the shots were fired from blank cartridges by a lodge in meeting at the hall. But the effect was just the same on the goods box orator.
