unexpectedly. It was the play of the day and 4,000 fans rose and cheered him wildly. Preston flew out and the inning was over. The scoring began in the second when

Hoffer singled, advanced to second on a long fly to Carter and scored on a hit by Backoff, but that was all they could do. In Omaba's half Wright and Dolan flow out and Stewart and Patterson singled. Then Jawnie Gonding came to the plate and reached out with his wagon tongue and swatted the ball. It struck up close to the fence and bounced over and they all came tripping home. That was the only time they could score, but it was just enough to

give them the game. Des Moines made a second score in the fifth on Clark's three-bagger to right and an excusable error by Shafstal after two men were out.

MEN! COME TO ME

There is seldom a day that I am not consulted by an unfortunate suf-ferer who. if he had consulted me in reward to his cundition in its carly stages, I would have cured him and saved him much suffering, annoyance and expense. This, I consider, is due to lack of knowledge on the part of the one who has previously treated the case; therefore, I say to you if you are suffer-ing from any disease or condition peculiar to men, or if you have been a vic-tim and been disappointed in not setting a permanent cure elsewhere. I would ask that you come to my office. I will explain to you OUR SYSTEM OF TREATMENT, which I have originated and developed after a whole life's ex-perience in the treatment of special diseases of men. I will give you a thorough examination, together with an honest and scientific opinion of your case. If I find you are incurable, I will honestly tell you so. If I find your case curable, I will give you a legal guarantee to ours you in the shortest possi-ble time without injurious after effects.
