BOYCOTT TWO-EDGED

Kansas City Employers Seek to Break Unions with Laborers' Methods.

BREWER REFUSING BEER LOSES ICE

Firm Which Aids Men Finds Business Doors Shut Against It.

GREAT NORTHERN STRIKE POSTPONED

Merchants Open Negotiations in Endeavor to Settle Dispute.

DENVER RESTAURANTS CLOSED TIGHT

Waiters, Butchers, Cooks and Bakers Start War Which May Involve All Trades in Colorado Metropolis.

KANSAS CITY, May 13.—The 6,000 employers of labor in Kansas City have banded together to fight those labor unions which use the boycott to gain their ends, and have organized "The Employers' association."

The association today decided to refuse to deliver goods to places where nonunion men or nonunion made goods are discriminated against. This action followed the refusal of a brewing company, employing union men, to deliver beer to a hotel bar until the union was recognized. A member of the association retaliated by refusing to deliver ice to the saloons handling this particular company's beer, with a result that the delivery of beer to the offending hotel was immediately resumed.

Several persistent boycotts have been laid against restaurants and various branches of trade in Kansas City within the past year, because of the refusal of the employers to recognize unions.

Strive to Stop Walkout.

ST. PAUL, May 13.—Representative business men from Minneapolis and St. Paul to the number of nearly forty met today the Great Northern trainmen's grievance committee. The meeting had been called by J. W. Cooper, president of the St. Paul jobbers' committee, who stated that a strike would be destructive to northwestern business interests and that the business men of the northwest were vitally interested in bringing about an amicable settlement of the differences between the railroad men and employers.

Messrs. Garretson and Newman, representing the Brotherhood organizations, were present and avowed themselves anxious to avoid any action that would work hardship to any interest, while at the same time determined to protect the men they represented. After a preliminary open meeting the doors were closed and the matter was further considered in executive session.

When the conference finally adjourned it was announced that nothing definite had been decided, but the negotiations would be continued tomorrow, and meanwhile no strike would be declared.

Pittsburg Fight Determined.

PITTSBURG, May 13.—There is no probability of an early adjournment of the strike of the brickmakers and clay miners. From indications the fight will be a long one, as the Harbison-Walker Refractory company is determined to ignore the union.

The Harbison-Walker company intends to try to run its plants with nonunion men, 150 of whom were taken from New York to Clearfield yesterday. They were met by strikers who persuaded them not to go to work.

Denver Restaurants Closed.

DENVER, May 13.—Two hundred cooks, 600 waiters, 500 butchers and 160 bakers were called out on strike this morning by the Pure Foods Council. Nearly all the restaurants in the city are closed. The butchers walk out include those employed at the Stock yards and many of the meat markets. The union bakers were called out from not only the houses deemed unfair, but also those against which labor has no grievance.

Tonight the retail clerks and international stationary engineers will hold a meeting to vote on the question of joining in the strike. It is feared that these movements will inaugurate a general strike of all the union laborers of the city. The cause of the trouble is the refusal of various bakeries and grocers to make contracts with the union.

Railroad Employes Quit.

CHICAGO, Ill., May 13.—Four hundred blacksmiths and their helpers employed in the shops of the Chicago, Rock Island & Pacific railroad, and the same number in the shops of the Chicago & Northwestern railroad, struck today after being refused an advance in wages.

The strike of cable splicers of the telephone companies, which has been in force for several weeks, has spread to the underground pullers, the latter having refused today to continue at work.

Strike at a Funeral.

TOLEDO, O., May 13.—During the funeral services over the remains of Mrs. Mary Kamm here the drivers of hacks struck and refused to work because the hearse was being driven by an nonunion man. The officiating undertakers filled the strikers' places just in time to prevent a scene as the casket was being taken to the hearse.

Nonunion Trainmen on Mobile Line.

MOBILE, May 13.—A local freight train left over the Mobile & Ohio this morning manned by nonunion men, brought to Mobile to take the places of the strikers. During the past two days forty nonunion men have been brought here and the majority of them have gone to work. The railroad officials say they will have all trains running as usual in a short time. No violence of any kind has occurred at Mobile and none has been reported today from any where on the line.

Switchmen Are Enjoined.

SPRINGFIELD, Ill., May 13.—Mr. Leek of the firm Larsen & Leek, this afternoon secured from Judge Humphrey in the United States circuit court, on behalf of the Mobile & Ohio railroad, an injunction restraining E. B. Clark and 200 other striking switchmen yardmen and other employes of the road from interfering with the operation of the road by stopping trains, picketing yards or assembling in large numbers or interfering in any other manner.

TAKE UP THE LABOR QUESTION

Members of Arbitration Committee of National Civic Federation Discuss Situation.

NEW YORK, May 13.—Members of the arbitration committee of the National Civic Federation held their semi-annual meeting in this city today. It was an executive

(Continued on Second Page.)

INTERNATIONAL MEET OFF

Athletic Contest Between American and English Universities Will Not Take Place.

LONDON, May 13.—The Oxford-Cambridge Athletic authorities have received a cable message from the athletic authorities of Yale announcing that the proposed inter-university athletic contest in London during the month of July is declined, owing to Harvard's refusal to participate in it.

CAMBRIDGE, Mass., May 13.—Prof. Ira N. Hillis of the Harvard athletic committee said today that Harvard had never understood that the English universities were anxious for the American universities to meet them in track athletic contests.

"We understand," he said, that Oxford and Cambridge were willing to send us a challenge if we desired. We have never expressed a desire for an international meet this year and have not received an out and out challenge. It seems that a letter was received by some one in New York conveying the idea. As I have said, if Harvard and Yale were willing, then the English universities would extend the challenge. We got the impression that they were not particularly anxious for the meet. We feel also that the plan for an international meet, which was worked up wholly on this side of the Atlantic, was proposed too late. We look upon these games merely from the point of view as to whether they promote athletics and when an opportunity to hold athletic games comes so late in the term we usually reject it."

NEW HAVEN, Conn., May 13.—The Yale News today says that when the challenge for an international track meet was received from the English universities the matter was placed in the hands of the Yale track management and the Harvard athletic committee, and everything seemed to point to the acceptance of the challenge. Yale was strongly in favor of sending a team abroad, and from all that could be learned, there seemed little doubt that Harvard would join Yale. Word was, however, received from the Harvard athletic committee that it had decided not to accept.

IMPERIAL TROOPS CONQUER

Government Forces Are Victors in a Battle with Attacking Tribesmen at Tetuan.

MADRID, May 13.—A dispatch from Ceuta, Morocco, announces that the tribesmen who attacked Tetuan Monday were repulsed. They stubbornly fought their way through the suburbs to the foot of the walls, but the imperial troops eventually regained their lost positions and drove off the rebels with heavy losses on both sides.

A later dispatch from Ceuta says a courier who has arrived there by sea from Tetuan states that the battle was suspended in order to allow the opposing forces to bury their dead, numbering 300. Many heads are displayed on the walls of Tetuan, which still has three days' supply of ammunition.

Dispatches from Tangier announce that the imperial forces have routed the rebel mountaineers near Fez, inflicting great losses on the enemy.

MASSACRE DETAILS DREADFUL

Reports of the Kishenev Slaughter Show a Horrible Condition of Affairs.

ST. PETERSBURG, May 12.—Additional details of the Kishenev massacre of Jews are printed here daily. The correspondents give the number of victims thus far buried in the Jewish cemetery at forty-four and say that eighty-four persons, seriously injured, are still in the Jewish hospital.

The horrors reported scarcely bear repetition. In one instance spikes were driven through a woman's head in the floor and cases of bodily mutilation have been authenticated. About 800 to 1,000 persons were arrested, an energetic official having been sent from Odessa to deal with the situation. The apathy of the local authorities during the two days of rapine and murder appears to have been fully established.

LAUNCH LARGEST BATTLESHIP

Huge New Vessel for the British Navy is Floated at Clyde.

LONDON, May 13.—Commonwealth, the largest battleship afloat, was launched at Govan, on the Clyde, today. It is the first vessel of the British navy to have its ten-inch guns protected by an extended barbette instead of by casemates. Its other armament consists of four twelve-inch guns, four nine and one-half-inch guns and twenty-four small guns. The new battleship's speed is to be 18.5 knots per hour and it will carry a crew of 755 men. Commonwealth is of 16,350 tons displacement and its engines are to be of 18,000 horse power.

ANOTHER WHITE PLAGUE CURE

German Doctor Announces Still One More Remedy for Consumption.

BERLIN, May 13.—The Berlin Medical society announces a new remedy for consumption called sanosin.

Dr. Danelius of Sommerfeld read a paper on the cure before the society and showed that a number of patients, mostly workingmen, had been cured of consumption without interference with their work. Sanosin prevents coughing, fever and night sweats and results in the patient gaining weight. Even in severe cases the progress of the disease has been arrested.

The remedy was discovered by Dr. Robert Schneider.

VATICAN OPPOSED TO FRIARS

Philippine Religious Orders Are Not Viewed with Favor at Holy See.

ROME, May 13.—Various documents received by the Vatican and individual cardinals by every mail from the Philippines show the enmity between the secular clergy and the friars is far from abating.

The general feeling in the Vatican is unfavorable to the friars, although they have strong supporters, led by Cardinal Vives Y. Tuto, who is indefatigable in helping them.

POLICE FIND EXPLOSIVES

Gunpowder and Dynamite Hidden by the Revolutionists Unearthed in Salonica.

SOLONICA, May 13.—The police have unearthed 700 pounds of dynamite and quantities of gun powder secreted by the revolutionists.

CUTS DOWN MEDICAL FEES

Workmen Decide Twenty-Five Cents Per Head Enough for Grand Examiner.

PER CAPITA TAX RAISED FIFTY CENTS EACH

Officers Elected at Afternoon Session and Much Other Miscellaneous Business Is Transacted.

GRAND ISLAND, Neb., May 13.—(Special.)—The grand lodge, Ancient Order of United Workmen, resumed its sessions shortly after 9 o'clock this morning. The first order of business taken up was the appointment of the election board, consisting of J. C. Morehead, chairman; McCoy, Ennis, Stump, Stitts, Lonsburg, Golden, Ofe, Kelliher and Gallagher.

W. H. Miller, supreme grand master workman of Missouri, was called to the chair and presided for a brief time.

The lodge proceeded to a further discussion of the question of reducing the fees of the grand medical examiner from 50 to 25 cents, the question being brought up on a resolution introduced yesterday afternoon and under discussion when the grand lodge adjourned for the day last evening. Upon vote the resolution was adopted and the emoluments of the office will hereafter be only one-half of what they formerly were.

Greetings by wire from the grand lodge sessions of Iowa and Colorado were received as follows:

SIOUX CITY, Ia., May 12.—Jacob Jaskalek, Grand Master Workman, Grand Island, Neb.: Fraternal greetings from Iowa grand lodge. Best wishes for future prosperity.

COLORADO SPRINGS, May 13.—To the Grand Lodge, Ancient Order of United Workmen, Grand Island, Neb.: Fraternal greetings and best wishes for your future prosperity.

It was decided to increase the per capita tax from $1 to $1.50.

After a spirited discussion the proposition to change the representation by dividing the state into districts and reducing the representation from one delegate for each seventy-five votes to one delegate for each 200 votes, was defeated.

The resolution looking to the appointment of a general attorney for the organization was defeated.

The resolution to continue the deputy system was carried.

It was decided that all moneys received on petitions for aid shall pass through the hands of the grand recorder.

The grand lodge then proceeded to the question of locating the next grand lodge session and selected South Omaha as the place. There were as contestants the cities of Columbus and Beatrice.

The following were appointed as memorial committee: James Farrell, R. D. Sutherland and Smith Western.

The afternoon session was opened by a short address by Supreme Foreman Miller explaining the proposition of the establishment of the fraternity temple at the St. Louis exposition and but little discussion was required to lead the lodge to adopt a resolution appropriating $500 toward its erection.

The report of the memorial committee, memorializing the departed of the order during the past year was read and adopted.

Election of Officers.

The election of grand lodge officers now proceeded. The ballot was after the Australian form, with the exception that it required a majority of all votes cast and the considerable number of candidates for the offices of grand receiver and grand examiner made subsequent ballots necessary. While each successive ballot was counted other business was taken up.

The report of the auditing committee on the accounts of the grand receiver, Frank J. Morgan, and the grand recorder, S. R. Barton, finding the same to be correct and in most satisfactory condition was read and adopted. The matter of the publication of the Nebraska Workman, the organ of the organization, was discussed at considerable length but the entire matter was finally left to the finance committee to arrange for as heretofore as may to them seem best.

The election of officers resulted as follows, four ballots being taken. Grand master workman, Jacob Jaskalek, South Omaha; grand foreman, George M. Mordock, Nebraska City; grand overseer, J. D. Brayton, Bassett; recorder, Silas R. Barton, Aurora; receiver, Frank J. Morgan, Plattsmouth; guide, J. C. McElhinney, Lyons; watchman, C. R. Gray, Herman; medical examiner, F. E. Way, Wahoo; trustee, I. W. Alter, Wayne; supreme lodge representatives, George H. Barber, Edgar; Jacob Jaskalek, South Omaha, and O. J. Van Dyke, Grand Island; committee on law, C. H. Denny, Fairbury; J. C. Dort, Pawnee City; H. M. Waring, Lincoln.

The bonds of the incoming officers were fixed the same as for the previous two years and the newly elected officers were installed and the grand lodge adjourned to attend a concert given at the opera house this evening complimentary to the visitors.

WORKMEN ELECT OFFICERS

Grand Lodge at Sioux City Names Its List of Leaders.

SIOUX CITY, Ia., May 13.—(Special Telegram.)—The election of officers of the grand lodge, Ancient Order of United Workmen, resulted as follows: Will M. Narvis, Muscatine, grand master workman; George Heck, Burlington, grand overseer; B. F. Rehkopf, Des Moines, grand recorder; Henry Michelstetter, Sioux City, grand receiver; L. Southard, Shenandoah, grand inside watchman. Representatives to supreme lodge, W. H. Berry, Indianola; B. F. Carroll, Des Moines, and B. F. Rehkopf, Des Moines.

At the afternoon session Davenport was selected as the next place of meeting.

A proposition to hold biennial sessions was voted down.

It was decided to make the report of one medical examiner instead of two sufficient for entrance to membership.

LIVELY CONTEST FOR OFFICE

South Dakota Workmen Elect Fred B. Smith Over George Schlosser.

LEAD, S. D., May 13.—(Special Telegram.)—After a spirited contest between Fred B. Smith of Hecla and George Schlosser of Sioux Falls, the delegates to the Ancient Order United Workmen grand lodge re-elected Smith. The following gentlemen were selected for the other offices: F. M. Simmons, Huron, grand foreman; Olaf Nelson, Yankton, overseer; G. A. Skinner, Watertown, guide; T. B. Blaine, Ashton, receiver, re-elected; Alexander Fraser, Lead, inside watch; C. Cardinal, Minnesela, outside watch.

The order has had a net gain of 1,416 members during the year. Five hundred delegates are in attendance.

FOLK'S PROBE SINKING DEEP

Former Senator Tells Circuit Attorney Detailed Tale of Boodling in 1899.

ST. LOUIS, May 13.—Former State Senator Schweickardt gave Circuit Attorney Folk several new leads in legislative boodling today. Mr. Schweickardt had been subpoenaed by the grand jury, but did not give evidence, having a long conversation with Mr. Folk instead.

In a statement that was reduced to writing and signed by Mr. Schweickardt, he told Mr. Folk that during the session of 1899 he received an envelope from a messenger boy with instructions not to open it until he had reached his room in Jefferson City.

It contained $1,000, with full instructions what to do with the money. He did not retain any of it himself, but divided it equally among four other senators. No statement was made as to which particular legislation the $1,000 was to influence, but it is understood Senator Schweickardt said it was intended to influence the fate of several bills in that session.

The senator is supposed to have also revealed something of the plan of operations pursued by the lobby and the senate combine.

Senator Schweickardt's statement will enable Circuit Attorney Folk to get after certain men whom the statute of limitations does not protect.

Senator Morton told the grand jury today that he was at the Planters' hotel on March 24, 1903, when the $5,000 is said to have been distributed by an agent of the baking powder trust.

WASHINGTON, May 13.—The State department has notified Governor Dockery of Missouri that it cannot grant its request to secure the extradition of Ellis Wainwright, a millionaire brewer of St. Louis who is wanted in connection with the municipal bribery charges and who is supposed to have fled to France. The obstacle lies in the fact that the French extradition treaty does not enumerate bribery as an extraditable offense. If the Missouri authorities can describe Wainwright's offenses under another title the State department will exert itself to secure his appearance for trial.

CHURCH IS LOSING GROUND

Bishop Declares Many of Nation's Best Men Show No Religious Interest.

BOSTON, May 13.—The 118th annual convention of the Episcopal church in the diocese of Massachusetts was held today.

Bishop William H. Lawrence in his address said:

So far as statistics can show it is doubtful if the church has been keeping pace with the population. The church is not apparently increasing in number or power. A great proportion of the intelligent men and leaders of our communities have no interest in the church. Many of the finest characters are outside the church. Infidelity, sincere and insincere, is all about us. More than that, the interest in commercial, material, social and intellectual life is gaining a stronger hold on the people.

The tests of life among many are in social and financial success. Sport and amusement have made great inroads on our Sunday congregations.

Below all these influences are the lower standards of taste and the grosser immoralities.

In view of such conditions the bishop deprecates the discussion now going on in diocesan conventions as to whether the name of the church should be changed.

CLEVELAND, O., May 13.—At the annual convention of the clergy and laity of the Episcopal diocese of Ohio the question of changing the church name was deadlocked. The clergy favored a change, but the laity did not.

PITTSBURG, May 13.—By a vote largely in the majority the Pittsburg diocese of the Episcopalian church at its thirty-eighth annual meeting today decided against changing the church name.

INDIANAPOLIS, May 13.—The Episcopal diocese of Indianapolis today voted against making any change in the church name.

KANSAS CITY, May 13.—The council of the western Missouri diocese of the Protestant Episcopal church voted today, 28 to 21, in favor of changing the name to that of "the American Catholic church."

This recommendation will be made to the general conference which meets in October.

OMAHA MEN ARE HONORED

Woodmen of the World Election Gives Many Places to Nebraska Metropolis.

MILWAUKEE, Wis., May 13.—The Woodmen of the World today elected officers as follows: Sovereign adviser, A. Falkenburg, Denver; sovereign banker, Congressman Morris Shepard, Texarkana, Tex.; sovereign clerk, John T. Yates, Omaha; sovereign watchman, B. W. Jewell, Omaha; sovereign escort, H. F. Simrall, Missouri; sovereign sentry, D. E. Bradshaw, Little Rock, Ark.; sovereign physicians, Drs. Ira W. Porter and A. D. Floyd, Omaha; sovereign commander, James R. Cott, Omaha, holds over for four years.

The following board of sovereign managers was elected: W. A. Fraser, Dallas, Tex.; J. E. Fitzgerald, Kansas City, Mo.; C. C. Farmer, Mount Carroll, Ia.; A. B. Lewis, South Carolina; M. D. Roache, Cleveland, O.; N. B. Maxey, Indian Territory; C. K. Irwin, Tomah, Wis.

W. A. Falkenburg of Denver was unanimously indorsed for vice president of the national fraternal congress, which convenes in this city next August.

BIGGEST STORM IN YEARS

Heavy Rains Are Doing a Great Amount of Damage in Florida.

JACKSONVILLE, Fla., May 13.—A heavy northeaster has been blowing for the past few days accompanied by driving rains. Last night and this morning it was unusually heavy. Reports from the state say much damage has been done to turpentine camps and phosphate plants. Big tides and heavy rains have flooded the lower portions of Jacksonville and boats are being used on several streets. The terminal station and all the approaches are under water. In the railroad yards the waters are rushing through at a six-mile speed. The total rain fall for the past twenty-four hours was 8.40 inches. No trains have arrived today. Reports from the state say all railroads are in bad shape from the flooding of tracks. The storm is the worst for years. Many houses in the negro section were washed away.

BUFFALO FIRE FATALITY

Lieutenant William Clark Succumbs to His Injuries—Loss Two Hundred Thousand.

BUFFALO, May 13.—First Lieutenant William Clark, who was injured in the Diamond Mills fire last night, died today. The loss is estimated today at $200,000, partly covered by insurance.

FREMONT GREETS VETERANS

Citizens Make Every Effort to Have the Encampment a Pleasant One.

SOCIAL FEATURES TAKE UP FIRST DAY

Business Session Comes This Morning and Officers for the Ensuing Year Are to Be Elected.

FREMONT, Neb., May 13.—(Special.)—Fremont is thronged with veterans of the '60s and the hospitality of its citizens is unbounded. The members of the Grand Army of the Republic, of the Women's Relief Corps and lodges of the Grand Army of the Republic began assembling yesterday evening, and the hotels are taxed to their utmost. Grizzled veterans with their wealth of badges are manifest everywhere and welcoming flags greet them from every quarter.

Comrades have met and greeted each other who have not met for a generation. The encampment is one of the most largely attended held in the state for many years.

The twenty-seventh annual encampment of the Nebraska department Grand Army of the Republic began last evening with a reception to the visitors by the citizens of Fremont at the Congregational church. The organizations participating were the Fremont Commercial club and Sons and Daughters of the American Revolution. There was no attempt at carrying out a program and the occasion was devoted to the welcoming of the visitors, both the G. A. R., W. R. C. and ladies of the G. A. R. Light refreshments were served and the affair was a most cordial and delightful one.

This morning was given over largely to the reception of delegates and meeting of the committee on credentials and of other courses of administration.

Formal Meeting in Afternoon.

The formal meeting of the department encampment convened at 2 o'clock.

The Women's Relief Corps convened at the Congregational church at 9:30 a. m., Department President Mrs. Aimee J. Kenny of Blair, presiding. The address of welcome was delivered by Mrs. Minerva Bushnell of Fremont.

The Daughters of Veterans, Mrs. Estella Edgecome of York department president, met at 9:30 a. m. at the Sunday school room of the Congregational church. The address of welcome was delivered by Miss Emma Gay of Fremont.

The ladies of the Grand Army of the Republic, Mrs. Pattie M. Vaughan, department president, met at 9:30 a. m. at firemen's parlors, city hall. The address of welcome was by Commander D. M. Allen of McPherson post of Fremont.

At the meeting of the grand army encampment this afternoon at the Congregational church, Department Commander Calvin F. Steele of Fairbury presided. Mayor George Walls of Fremont delivered an eloquent address of welcome which was responded to by Department Commander Steele.

Commander's Report.

Department Commander Steele submitted his annual address at the assembling of the business session this afternoon. It showed that on December 31, 1902, there were 5,363 members and 239 posts of the Grand Army in the state. The gain during the year up to the date of their encampment was 502 members and a loss of 711. Of this loss 133 were by death, leaving but 76 by suspension. The present membership is 5,154 and 232 posts in good standing. The total loss during the year was, therefore, 209 members.

The report pays a brilliant tribute to the Woman's Relief corps, auxiliary of the Grand Army of the Republic, and to the Ladies of the Grand Army of the Republic and Daughters and Sons of Veterans, who will later have to take up the work of the Grand Army of the Republic.

The Grand Army of the Republic posts of the state are specially enjoined to appropriately observe Memorial day. Special tribute was paid to the memory of Past Department Commander H. C. Russell, who died July 3, last at Schuyler, Neb.

There were at the close of the year 1902 415 veterans at the Grand Island home and 125 at the Milford home. The general government pays $100 per capita per year for supposedly one-half of the maintenance of the male inmates of the state soldiers' homes. In the last two years the state has received $60,667.85. Since the homes were first established in 1887 the general government has paid into the state treasury of Nebraska $237,302.16. As a matter of fact the homes do not receive 1 cent of this money.

The remainder of Commander Steele's report refers to the establishment of the National sanitarium at Hot Springs, S. D.; to the progress of military instruction in the public schools and to the legislation now in force in twenty-eight states relative to the desecration of the flag for advertising purposes. Kansas and Idaho were among the western states that still have no laws on this subject.

The encampment took a recess at 5 this afternoon until 9 tomorrow morning, when the election of officers will be the special order of business. The Woman's Relief corps this afternoon elected Mrs. Helen B. Cook of Lincoln president, Mrs. Minerva Bushnell of Fremont senior vice president, Mrs. Clara Hall of Brownville junior vice president and Miss Ella Brooks of Lincoln treasurer. The remainder of the officers will be elected tomorrow.

Reception and Campfire.

This evening at 7 o'clock a reception was given by the Ladies of the Grand Army of the Republic at Firemen's hall.

The event of the day was the "campfire" given at the opera house, at which the following program was rendered:

Chorus by School Children—The Soldier's Farewell (an American hymn)
Directed by Miss Marilla Maxwell.
Invocation ..... Rev. W. H. Huss.
Chorus of School Children—Tenting Tonight .....
Directed by Miss Marilla Maxwell.
Address by Mrs. Addie Adams.....
Solo—The Blue and the Gray.....
Mrs. Marie Martin.
Address by General J. C. Black of Chicago .....
Elks' Quartet of Omaha .....
Address by Judge Lee Estelle of Omaha and Past Department Commander John Ehrhardt of Stanton .....
Fremont Quartet—Misses Maud and Leota Murrell, Messrs. George A. Murrell and L. L. Lease.
Recitation—The Old Grand Army Boys.. Miss Ethel Stiles.

Considerable disappointment was felt over the inability of Governor Mickey to be present, being called away by the illness of a relative.

An interesting feature of the campfire was the presence of the Fremont Signal corps in full uniform.

The regular business session of the encampment will begin tomorrow, at which time the officers will be elected for the ensuing year, their installation following in the evening. Only three candidates have

ZIMMAN TO BE PRESIDENT

Republican Members of New Council So Decide in a Caucus Wednesday.

H. B. Zimman, re-elected councilman from the Third ward, is to be president of the new city council after its organization, May 26.

This was determined yesterday afternoon in a caucus of the republican members of the new council, held at the city hall. In this caucus the first ballot gave Zimman of the Third ward five votes, Nicholson of the Fourth ward two votes and Huntington of the Ninth ward one vote. Mr. Nicholson immediately moved that the election be made unanimous and this was done. Mr. Nicholson was then made the caucus choice for president pro tem. of the new council.

PROJECT BIG SMELTING PLANT

New York Company Buys Utah Mines and Will Erect Reduction Works.

NEW YORK, May 13.—A certificate was sent to Albany today incorporating the Newhouse Mines and Smelters. The capital is $6,000,000.

It is understood the company is to acquire from Samuel Newhouse his mining interests in Utah, including the Cactus copper mines. The company issues $1,500,000 6-per cent first mortgage bonds and the entire $5,000,000.

Mr. Newhouse formerly owned and developed the Utah copper mines and the Newhouse tunnel in Colorado. It is understood mills and smelters capable of concentrating 1,500 tons of copper ore per day are already being contracted for.

HITCHCOCK URGES STATEHOOD

Tour of Oklahoma Convinces Secretary that Territory Deserves Promotion.

ENID, Okla., May 13.—Secretary Hitchcock said in the course of a brief speech to an audience of 5,000 citizens today:

My trip to Oklahoma has changed my mind on the advisability of admitting the territory to statehood. Conditions all over the territory are remarkably prosperous. You are entitled to statehood and while the interior department has little to do with congress I shall recommend immediate statehood for Oklahoma.

He is also quoted as saying later in an interview:

I am opposed to statehood for Indian Territory until such time as existing treaties expire and the land is subject to title.

BODY IS FOUND IN BOXCAR

Refined Man Discovered Hanging When Train Reaches St. Louis Depot.

ST. LOUIS, May 13.—The body of an unidentified man was found hanging in a box car which arrived today from Marshall, Ind. He was well dressed, and his clothing bore the tailor's mark "Lyons, San Francisco." His linen was marked "J. M."

The man was apparently 35 years old, and had evidently been of refined character. The body was taken to the morgue.

GERMAN RECEPTION TODAY

Countrymen of Kaiser's Commission Are Invited to Gather at City Hall.

Especially for the Germans, who by reason of limited street car service and other accommodations are prevented from accompanying the agricultural commission on its inspection of the Omaha industries today, a reception will be held at 4 o'clock at the city hall. Mayor Moores will preside and an invitation is extended to all resident Germans and others to meet the land owners from the kaiser's domain.

SIGNS CHILD LABOR BILL

Governor of Pennsylvania Makes It Unlawful to Employ Children in the Mines.

HARRISBURG, Pa., May 13.—Governor Pennypacker today signed the child-labor bill and vetoed the other three miners' bills. The child-labor bill makes it unlawful to employ children under 16 years of age in and about the mines. The three bills vetoed were the eight-hour-day bill, the bill providing for the payment for coal mined by the ton of 2,240 pounds, and the mine inspection bill.

AMERICANS MARRY IN JAPAN

Daughter of Admiral Evans Becomes a Bride in the Far East.

TOKIO, April 30.—(Via Victoria, B. C., May 13.)—The wedding of Miss Virginia S. S. Evans, daughter of Admiral Evans, and H. T. Sewall took place in the Trinity cathedral, Tsukiji, Tokio, last Wednesday.

Movements of Ocean Vessels May 13.

At Liverpool—Arrived: Oceanic, from New York; Tauric, from Portland. Sailed: Majestic, for New York; Southwark, for Montreal.

At Southampton—Arrived: New York, from New York.

At Ponta Ferraria—Passed: Lombardia, from New York, for Naples and Genoa.

At Hamburg—Arrived: Blucher, from New York, via Plymouth and Cherbourg.

At Leghorn—Arrived: Perugia, from New York, via Marseilles.

At Cherbourg—Sailed: Kaiser Wilhelm II, from Bremen and Southampton, for New York.

At Antwerp—Arrived: Vaaderland, from New York.

At Plymouth—Arrived: Deutschland, from New York, for Cherbourg and Hamburg (and proceeded).

At Hong Kong—Arrived: Gaelic, from San Francisco, via Honolulu, Yokohama, etc.

At Genoa—Sailed: Liguria, for New York (not previously).

At Halifax, N. S.—Arrived: Carthaginian, for Glasgow and Liverpool, via St. Johns, N. F., for Philadelphia.

At The Lizard—Passed: La Savoie, from Hamburg.

At Manchester—Arrived: Pilar de Larrinaga, from Galveston and Norfolk, via Havre.

At Queenstown—Arrived: Parthenia, from Baltimore, for Liverpool and Glasgow. Sailed: Ultonia, from Liverpool, for Boston; Aurania, from Liverpool, for New York.

BOTH OBSERVE LAW

Court Orders Restrain Both Sides in Capital and Labor Contest.

FIGHT IS BEING CARRIED ON QUIETLY

No Indications of Disorder as Business Men Resume Operations.

CONGESTION OF FREIGHT IS RELIEVED

Transfer Companies Have About Seventy-Five Wagons in Service.

BUSINESS MEN STATE THEIR POSITION

Authorize Publication of Lengthy Review of the Trouble from Their Standpoint—Incidents of the Strike.

Waiters secure promise of financial assistance from national organization. Other unions pay assessment for benefit of laundry workers.

Laundries postpone day of resumption to Monday.

Strike situation decidedly quiet under restraining influence of two injunctions. Business men as well as strikers admit that a more conciliatory feeling prevails and next conference may produce results.

Transfer companies import no more teamsters.

The eighteen Omaha laundries that were closed as a result of the differences between the laundry owners and employes will not reopen this morning, as was planned, or at least given out by the proprietors. The date for resumption of business is now set for Monday.

The laundry workers, like the striking waiters, have come into possession of financial resources that enable them to withstand a longer siege of idleness in their attempt to cope with the proprietors. It was thought when the laundry workers went out, many of them being on very small wages, that within a few days they would be forced to return to work. But concerted action has been taken by other unions of the city, a fund collected and maintained by contingent fees for the benefit of the laundry workers. Each striker will receive a fair benefit, in every case calculated to meet the actual needs. This, and probably this alone in some, though not all cases, enables a continuation of the strike.

As for the waiters, whose resources were also thought to be so meagre that they would soon have to give up in despair, they yesterday received advices from their national organization that an allotment of $10,000 had been made to them and that additional help would be given when necessary. The national order has levied a tax on all locals throughout the country to support the striking waiters in Omaha. The men and women affected by this movement feel encouraged to undertake a much longer siege if necessary, although they assert their preference for seeing the strike soon settled.

With a federal court injunction hanging over the heads of the strikers and a district court injunction staring the employers in the face, the contending forces are somewhat restrained. Yet things appeared to be moving about as usual yesterday—and that means moving on a moderate scale. The strikers are proceeding with their affairs in a quiet way, while little by little certain lines of business that were tied up by the strike are being loosened. What will happen when the waiters' restraining order gets to working real well cannot be told now, but a little incident transpired yesterday to suggest that something might happen. A contractor reported that a certain firm had refused to supply him with raw material, and as the injunction specifically enjoins any firm from such refusal, its application may bring matters to a test. It is the intention to place the injunction in effect by applying it in specific cases like this.

Practically no tangible progress has been realized in the strike on either side for several days. Not a single material break has come about this week and nothing has arisen to stimulate hopes of an immediate settlement, though a manifest moderation of sentiment at the Business Men's association meeting Tuesday night offers some encouragement. It is thought that after another conference between the joint committees and the governor the forces may be able to decide on some common grounds.

No More Importations.

Not since Sunday have any nonunion men been brought into the city. Of those who had come up to that time—about 150—something in the neighborhood of 100 have been sent out of the city by the striking teamsters; the remainder are at work for the transfer companies. W. S. Jardine of the Merchants' Express company said that he had forty-seven teams at work yesterday and would put on seven more before night. He said his company had as many as all the other companies together. The total number of teams at work is approximately seventy-five. The normal force is 250.

The encouraging statement is made by the transfer companies that the congestion in freight, due to the strike, is being relieved. Mr. Jardine said on that point: "There is no congestion at all, now. We have been making such steady inroads on it that the congestion is entirely relieved. We are taking care of the traffic very nicely now."

Some more coal teamsters have joined the small caravan of wagons that now travel the streets and for this there is some rejoicing. The department stores are gradually starting up a few teams. Their's, like the transfer and coal company wagons, are guarded by special officers. The special officers have not had occasion for exercising their newly acquired authority as yet in any positive manner. The strikers are refraining from all violence.

Meat Cutters Are Waiting.

Still another feature has developed in the meat cutters' relations with their employers. Since the employers decided not to abide by their endorsement of the union scale and submitted one of their own, the employes have decided to remain at work until Thursday night, when they hold a special meeting at Labor Temple. They have also interested the Packing Trades council, including the packing house employes, in the fight, and this council will hold a meeting Tuesday night at South Omaha, or possibly sooner, and take up the strike proposition with a view of some sort of sympathetic movement. Many of the meat cutters are also members of the Packing Trades council. J. A. Bradford, secretary of the meat cutters, is president of the packers.

The freight handlers yesterday took into their union twenty new members who had been working as nonunion men. They took in thirty-three a few days ago.

More Conciliatory Feeling.

Two members of the Business Men's association stated yesterday that the associa-
