Secretary of the Treasury Shaw will be a very busy man during the coming week. Today Robert H. Armstrong left Washington for a week's visit to his former home in Iowa. The resignation of Mr. Allen leaves a vacancy among the assistant secretaries of the treasury which has not yet been filled, and Assistant Secretary H. A. Taylor is ill and has by advice of his physician gone to Virginia Beach to recuperate.

Mr. Allen, minister to Korea, transmits to the State department a mass of curious testimony which came before him relative to the persecution of native Protestants by native Catholics in Korea. In one case, tried before a Korean commissioner, the victim, a native Protestant, who had paid about \$80 for a wife, was forcibly bereft of her by a native Catholic. When the wronged husband sought to recover his wife the kidnaper told him he was a Catholic and had a right to him whom he pleased without punishment; that he had better be leaving if he did not want to be killed.
