CONDITION OF OMAHA'S TRADE

General Volume of Business Last Week Much Better Than Week Before.

GENERAL TENDENCY OF PRICES UPWARD

Wholesalers Report No Difficulty in Making Shipments and Say They Filled Their Orders the Same Day as Received.

Business conditions in Omaha were much better last week than the week before. Jobbers and manufacturers experienced no difficulty in giving their customers prompt service and state that their orders were shipped the same day they were received. Traveling men who have recently returned make the report that jobbers from other citles have been pounding the trade in this territory very industriously, claiming that Omaha jobbers could not fill their orders owing to the strike existing in this city, it is of course impossible to tell how much trade has been diverted to other points, but the general impression is that from this time on the amount will be very small, as jobbers have advised their customers that they are shipping and receiving goods the same as usual.

that they are an advised their customers that they are all ping and receiving goods the same as usual. The first part of last week trade was rather quiet owing in a large measure to the stormy weather which made retail trade in the country duil and also kept merchants from coming to the city. The latter part of the week, however, there was a great improvement and wholesalers and manufacturers reported their business as being just about normal for this season of the year. With continued warm weather they expect a big improvement in the sorting up business, as merchants' stocks will no doubt go to pieces at a rapid rate. Prices have fluctuated back and forth to some extent during the week under review and particularly is that true of groceries. Cutside of groceries there have been comparatively few changes of importance.

Wholesale grocers report trade as being very astisfactory. The first part of the week orders did not come in as freely as might be expected, but before the close they were doing a lively business. All the week orders did not come in as freely as might be expected, but before the close they were doing a lively business. All the week and not they are in a position to give their customers first class service. Some of the house have been getting out circulars to their customers telling them not to hold back their orders but to send them in and they would be filled with the usual promptness.

Several important was the advance of 5 cenis per 109 pounds in the price of sugar, which took effect on Thursday. Raws are reported in a very strong position and in dication are that still ligher prices will have been getting out circulars to their customers telling them not to hold back their orders but to send them in and they would be filled with the usual promptness.

The cheese market is in much the same position it was a week ago. New grass because is being offered and everything is cheese in being offered and everything is

usual promptness.

Several important changes in prices have gone into effect the last few days. Among the most important was the advance of 5 cents per 100 pounds in the price of sugar, which took effect on Thursday. Raws are reported in a very strong position and indications are that still higher prices will rule in the future.

The cheese market is in much the same position it was a week ago. New grass

position it was a week ago. New grass theses is being offered and everything is coing taken freely at full prices. The demand appearently is still in excess of the

y.

ns are quoted at 10@125c per bushel
r than they were a week ago. This
nce applies not only to the fancy
, but also the lower grades. The dehas been on the increase for the last

stock, but also the lower grades. The demand has been on the increase for the last
several days.

Considerable more inquiry was noticed
last week for spot corn and jobbers say
that careful investigation shows that stocks
in the west are hardly sufficient for the requirements of the trade until the new pack
arrives. There has, however, been no
change in ruling prices and the situation
with other lines also remains practically
the same as it was a week ago.

The market on California dried fruits of
all kinds showed considerable strength last
week. Quotations on prunes advanced \(\frac{1}{2}\)c and peaches and apricots were marked up
\(\frac{1}{2}\)delta from the low price. Stocks of peaches
are said to be concentrated in a few hands
that are able to hold them. The outlook for
the apricot crop is not at all flattering, according to recent-reports, and it is thought
that new goods will arrive on the market
about the last of July at prices ranging
about 2c per pound higher than those in
force at the present time on choice goods.

The rice market is still advancing, broken
rice having been marked up \(\frac{1}{2}\)c last week
and strictly high-grade rice is said to be almost unobtainable.

The rumors that have been affoat for

about 2c per pound higher than those in force at the present time on choice goods.

The rice market is still advancing, broken rice having been marked up ½c last week and strictly high-grade rice is said to be almost unobtainable.

The rumors that have been afloat for some time past of very much higher prices for Japan tex have been confirmed. Local gobbers have been advised of an advance of the per pound over last year's quotations and the general talk is that prices will be still higher in the future. The reason given is that there is no tea left in this country. Every one from the importer to the retailer is very low on tea and consequently the demand this year will be much heavier than usual. The crop of tea is reported as being above the average, but not enough larger to make up for the increased demand. Reports indicate that buying is very brisk at the advance and most of the orders are larger than those placed a year ago by the same buyers.

The rolled oats market is in a very strong position, an advance of 10c having taken place on both five-pound packages and on barrels, with a corresponding advance on smaller packages. Indications point to still higher prices.

The market on syrups essed off 15c per dozen last week on ten-pound cans and there was a corresponding decline on the other sizes. Buyers are said to be taking that the bottom has been reached.

Better Demand for Dry Goods.

Better Demand for Dry Goods.

Better Demand for Dry Goods. The demand for dry goods last week showed considerable improvement over the week before. That was particularly true the latter haif of the week. Jobbers say they were able to fill their orders promptly the same as though there were no strike in existence and do not anticipate any trouble in giving their customers prompt service from this time on.

Traveling men are now out with samples of spring and summer lines, looking for immediate orders. It is thought that with warm weather merchants' stocks will go to pieces at a rapid rate and that there will be a large spot business. Traveling salesmen will, of course, be on the lookout for fall orders also. So far they have broken all

previous records for future business and CORNELL RUNNERS ARE FAST

There have been practically no new de-velopments in the market situation. Cotton goods are still very firm and each week it becomes more evident to those who keep posted that prices will be higher before they will be lower. It also becomes more evident each week that desirable goods are going to be very scarce, as the prolonged strikes in the east are greatly reducing pro-duction.

No Change in Hardware.

The demand for hardware last week was of very satisfactory proportions, all things considered. Jobbers say they were able to get their goods out promptly and could have shipped a great many more if they had been given the opportunity. They look, however, for a good, brisk trade from this time on.

The market is in just about the same when the market is in just about the same sition it was a week ago. Prices are firm d goods are hard to get. It is, in fact, ry seidom that a jobber can fill an order any size completely owing to the difficulty being experienced in getting goods. Rubbers Will Be Higher.

Rubbers Will Be Higher.

There is no longer any doubt in the minds of local jobbers but what rubber goods will advance 5 per cent June 1. That of course means that all orders placed after May 31 will be at the new price list. Traveling men have been booking a pile of orders the last few weeks, owing to the expected higher prices, and they anticipate a nice trade for the next two weeks. Merchants are all anxious to get under cover and consequently every dealer of any size will probably place his order, if he has not already done so, before the end of the month.

TWO MURDERERS MUST HANG

Pair of Assassins Sentenced to Death for Slaying Illinois Woman.

MARION, Ill., May 16 .- Jerry Graves and Cal Price were found guilty today of the murder of Mrs. Nellie Reicheldorfer and sentenced to death.

YOU CAN SEE HAIR GROW

after washing the scalp with

Munyon's WITCH Soap

It makes the hair grow thick It makes the hair grow strong

It makes the hair grow beautiful

Munyon's Witch Hazel Soap is truly a blessing to those who are losing their hair and becoming baid. This soap is a food and vitalizer; it stimulates and acts as a gentle tonic to the weak and sick roots, and gives them new life and vigor. It promptly removes dandruff, scales, humors and all sores of the scalp. Don't use any more hair tonics or decoctions that are advertised to make hair grow on baild heads. Give this soap a fair trial, and if there is a particle of life in the roots, this soap will stimulate and invigorate them into new life and healthy growth. Of course, you know that Munyon's Witch Hazel Soap for the complexion and for the toilet is superior to any high-priced French soap made. It makes the skin soft as velvet, and keeps one free from pimples, blotches and most akin eruptions.

makes the skin solt as very, makes the skin glow with youthful freshness.

If your blood is out of order, take Munyon's Blood Cure. It will drive all impurities from the system and make good, rich, red blood.

If your liver is sluggish and you have a sallow complexion, use Munyon's Liver Cure. These two remedies taken in alternation, will soon rid the blood and system of all impurities, and give life and vigor to the whole body, and, when used in conjunction with the soap, makes the skin glow with youthful freshness.

Pennsylvania Boys Rumbled in Annual Athletic Meet on Percy Field.

MICHIGAN AND COLUMBIA OTHER WINNERS

College Students Try Conclusions, Break Some Records and Prove Supremney in Strength Giving Games.

ITHACA, N. Y., May 16 .- The dual meet on Percy field between Cornell and Pennsylvania today resulted in a victory for Cornell. The final score was 9614 to 5014. The feature was the work of Schutt, a Cornell sophomore, who won the two-mile event in 9:42%, breaking the intercollegiate record by 8% seconds. During the last mile Schutt was pushed hard by Russell of Pennsylvania, but in a magnificent finish beat his opponent by twenty feet.

F. M. Sears, Cornell's star sprinter of two years ago, was again brought out by Trainer Moakley and won the 100 and 220yard dashes handily. Michigan Smashes Records.

ANN ARBOR, Mich., May 16.-By 834 to 4214 the University of Michigan track team today defeated the University of Chicago in their annual dual meet on Ferry field. There were fourteen events, Michigan winning eleven firsts, seven seconds and seven and a half thirds.

The western intercollegiate hammerthrow record was broken by Maddock of Michigan, who hurled it 141 feet 5 inches. Stewart of Michigan equalled the western record of 21% seconds in the low hurdles. Hall, Chicago's crack two-mile runner, did not start in this event. Coach Stag sent him into the mile run instead, where he was defeated by Perry of Michigan.

Columbia Athletes Best. NEW YORK, May 16.-Columbia defeated Princeton in their annual dual track meet on South field this afternoon by 58% to 46%. Columbia had things pretty well its own way throughout, Princeton never once leading. Columbia won the mile, half mile, 220 yards, 100 yards, quarter mile and broad jump. Princeton was successful in the hurdles, shot put, high jump, hammer throw, two-mile and pole vault.

J. R. Dewitt of Princeton threw the hammer 165 feet 9 inches, breaking the collegiate record of 165 feet 1/2 inch, held by Albert Plaw of California. Harold Weekes, Columbia's great back, won the 100 and 220

Vassar Girls Beat Best.

Vassar Girls Beat Best.

POUGHKEEPSIE, N. Y., May 16.—The ninth annual field day of the Vassar college Athletic association was held on the college field today. Five new college records were made, of which four are to the credit of the junior class. The records broken were in the standing broad jump and running broad jump, both by Evelyn G. Gardiner, '04, of Chicago; the fifty-yard dash and 220-yard run, both by Agnes S. Wood, '03, of Port Richmond, S. I., and the running high jump by Helen C. Wood, '04, of Arlington, Mass.

The class of 1904 won 55 points, 1903, 35 points; 1905, 17, and 1905 none.

The winners: One hundred yards dash, Fanny Jc.es, 0:13%; throwing base ball, E. S. Botsford, 149 feet; standing broad jump, E. C. Gardiner, 7 feet 7 inches; fifty-yard dash, A. S. Wood, 0:06%; putting eightpound shot, M. Mather, 27 feet 19; inches; fence vault, I. Sherwood, 4 feet 10 inches; 230-yard run, A. S. Wood, 0:20%; 120-yard hurdle, E. G. Gardiner, 0:20%; inches; fence vault, H. J. McCoy, 66 feet 1 inch; running broad jump, E. G. Gardiner, 14 feet 5% inches; running high jump, P. C. Wood, 4 feet 2½ inches; 300-yard relay race, class of 1904, time 6:44.

EVENTS ON RUNNING TRACKS Thirty Thousand Watch Shorthose

Withers.

NEW YORK, May 16.—The Classic Withers was run today at Morris park, 30,-000 persons seeing the Cougnacres stable candidate, Shorthose, gallop home in front at 7 to 1. Perry Belmont's River Pirate, the fa-Perry Belmont's River Pirate, the favorite, ran prominently for three-quarters of a mile and then died away to nothing, finishing a bad fourth. Results:
First race, last 6½ furlongs of the Withers mile: Akels, won, Stolen Moments second, Nina Spot third, Time: 1:21.

Becond race, last 5 furlongs of Ecilpse course: Wizard won, Miss Nancy second, Chockayott third, Time: 1:90.

Third race, International handicap, stesplechase, about two miles: Walter Cleary won, Neponset second, Hark Forward third. Time: 3:52.

Fourth race, The Fashion stakes, last 4½ furlongs of the Ecilpse course: Ishlana won, Mapootoo second, Fickle third. Time: 0:54. 9:54. Fifth race, The Withers stake, Withers

mile: Shorthose won, Mexican second, Injunction third. Time: 1:41.
Sixth race, handicap, mile and three-sixteenths, Withers course: Luke Ward won, Bonnibert second, Herbert third.

Sixth race, handicap, mile and three-sixteenths, Withers course: Luke Ward won, Bonnibert second, Herbert third. Time: 2:01%.

Nebraska Athletes Defeat Knox. Nebraska Athletes Befeat Knox.

LINCOLN. May 16.—(8pecial.)—Nebraska university defeated Knox college of Galesburg yesterday afternoon in a dual track meet by the score of \$2 to \$2. This was the Cornhuskers first track meet with an eastern institution and great interest was manifested by the student body. The Knox team came with the intention of wiping out last year's defeat at foot bail, but were unable to do it. Captain Tobin for Nebraska threw the hammer 125 feet 7 inches, breaking the state record by nearly thirteen foet. Results:

100-yard dash! Wilson of Knox first, Manning of Nebraska second. Time:

Pole vault: John of Nebraska and Benedict of Nebraska the for first, Height, 9. Pole vault: John of Nebraska and Benedict of Nebraska tie for first. Height, 9 fset, 6 inches.

One mile run: Lehmer of Nebraska first. States of Nebraska second. Time: 4.51 1-5. One-half mile run: Benedict of Nebraska first, States of Nebraska second. Time: 2:18 1-5.

Women's Dragging Pains

There is nothing of so much interest to a sick woman as getting well. I write this to sick, thoughtful woman who have dragged along a weary existence not knowing which way to turn for health. I have been in this precarious condition, but today I am in perfect health, thanks to Wine of Cardui. I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruction, had blinding headaches and rushing of blood to the brain. What to try I knew not for it seemed that I had tried all and falled, but I had never tried wine of Cardui, that blessed remedy for sick women. My attention was called to it by a little bookiet and I decided to try it. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my wines and after using eleven bottles I was a well woman.

I sm glad to be able to give this testimonial as I sm glad to be able to give this testimonial as I

Ours Maude Bus

Could Mrs. Bush have given a happier message than this to the thoughtful sufferers to whom she gives advice? What like health can bring the sufferer nearer to enjoying life? To make a sick woman well is to open almost every door of blessing and privilege to her—the blessing of having children in her barren home, the privilege of taking part in the real affairs of life.

Yet thousands of women are continuing to suffer without making the effort to secure health—the health that would give strength instead of weakness, vigor instead of pain, happiness instead of dejection and hope instead of despair.

If you are suffering what can be of more interest to you than the fact that Mrs. Bush was in a precarious condition, weary of existence and is now in perfect health because she took Wine of Cardui for menstral pains, bearing down pains and blinding headaches when all other remedies failed to bring her relief?

This should bring you to consider her letter seriously and to decide to give Wine of Cardui a trial. This is not a diagnosis and a theory as to how a cure can be worked. It is a case demonstrated by this prominent Chicago women herself.

inent Chicago woman herself.

Is there any doubt in your mind that you can be cured by Wine of Cardui the same as Mrs. Bush was cared? Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle with its quick and lasting relief soon convinces the patient she is on the road to health.

Will you scoure a \$1.00 bottle of Wine of Cardui from your draggist and start today the treatment which brings perfect health? brings perfect health?

Where Land Is Cheap

Thousands of Iows, Minnesota and Nobraska farmers have moved to Oklahoma in the last four years. They are there yet—and they intend to stay. They are making as much money, acre for acre, as they did in their old homes. The land is just as good, and costs less than helf as much. Prices advancing every year. Take a couple of weeks' haliday and visit Okishema. An

musually good opportunity is effered by the homeseskers' cursion rates which the Rock Island offers May 19th, June 2nd

One fare, plus \$2 for the round trip. One-way rates are correspondingly low, tickets and full information at this office.

C. A. RUTHERFORD, D. P. A., 1323 Farnam Street, Omaha, Neb.

Crete and Hebron High schools held their field day exercises here today. Of the thirteen events on the program Fairbury scored 4 points, Beatrice 21. Crete 10 and Hebron 0. The taillies were as follows:

First: Fairbury, 8; Beatrice, 2; Hebron, 2. Second: Fairbury, 7; Beatrice, 4; Crete, 2. Third: Fairbury, 3; Crete, 6; Beatrice, 4.

FRANKLIN, Neb., May 16.—(Special Telegram.)—The Minden High school girls basket ball team was here today and played a return game with the Franklin High school girls. The score at Minden a week ago was 10 to 8 in favor of Minden. Score today, 18 to 10 in favor of Franklin. The high wind interefered a great deal and made it hard playing.

BEATRICE, Neb., May 16 .- (Special.) --

John Beck, a prominent farmer residing three miles east of Blue Springs, and a twin brother to J. P. Beck of this city. died yesterday after a lingering illness, of Bright's disease, aged 51 years. He leaves a wife and six children.
