CITY SWEEPS THE STREETS

Only One Bidder for Work and His Figures Considered High.

NOT MONEY ENOUGH TO PAY THE BILL

Complaint Made that Motor Company Will Not Carry Passengers on Its Line to East Omaha Bridge.

The city will do its own street cleaning and the work will not be let out at contract. This was decided upon by the city council last night after the only bid received had been rejected. John G. Sullivan was the sole bidder and his figure swept the streets under the once a week contract for 90 cents per 1,000 square yards and the streets under the twice a week contract for 85 cents per 1,000 square yards. His bid specified that he would clean streets subject to deposit of earth during storm periods at actual cost plus 10 percent. A rough estimate made by the council of the cost of cleaning the streets according to Sullivan's bid would exhaust the streets and alleys funds long before the expiration of the fiscal year. Alderman McDonald, chairman of the streets and alleys committee, was anxious to re-advertise for bids but Alderman Fleming was of the opinion that sufficient money had been expended in advertising and he moved that the matter be dropped and the city do its own cleaning. His motion prevailed, McDonald alone voting against it. Council Accepts Invitations. The mayor and the council accepted the invitation of Abe Lincoln to participate in the Grand Army exercises on Memorial day and permission was given Chief Tompkin to use as much of the department apparatus in the parade as he saw fit. The mayor and council also accepted an invitation from Buck Keith to ride in carriages and take part in the parade on the opening of the base ball season, May 25, when the Bluffs' team in the Iowa-South Dakota league plays Lemars. The ordinance providing for the connecting of all down spouts on buildings to the sewer portion of the city with the sewers was referred to the committee of the whole after passing to its second reading. The Western Iowa Independent Telephone and Terminal company has applied for a franchise to maintain an independent telephone system in the city. This is preparatory to the filing of petitions asking the mayor to call a special election in order that the proposition may be submitted to the electors. Complaints of Motor Company. James F. Hunt, a resident in the north western part of the city, complained that the motor company refused to stop its cars and pick up passengers on its line on Twenty-eighth street to the Terminal bridge. The company runs a few cars daily to and from the Terminal company's bridge in order to comply with the provisions of the franchise granted the Omaha, Council Bluffs & Suburban company but residents of that part of the city complain that the public are not permitted to make use of such service. The matter was referred to the mayor to take up with the motor company. Property owners on Fifth avenue petitioned for the paving of the street from Third street to the park and it was decided to include this among the streets to be paved this year. The petitioners want the street paved with brick on concrete base. In connection with the paving question the city engineer was instructed to prepare a list showing the terminal points of the various streets to be paved this year. The council decided it could not grant the request of residents in the southwest part of the city that the water mains be extended on Fourth avenue between Twenty-third and Twenty-fourth streets for lack of funds. The appointment of D. A. Moore as a member of the police force was confirmed and his bond approved. Sorenson and Lundy were granted permission to conduct a saloon at 56 West Broadway. It was decided not to expend any more money in litigation over the claim of West Street Superior Taylor and the auditor was instructed to draw a warrant on the judgment fund for the amount of the judgment secured by Taylor against the city. Settling the Matter. The matter this morning at 10 o'clock when the auditor will inspect the recently completed grading of Ross street and assess the cost to the abutting property.

SETTLE CASE OUT OF COURT

Dr. Frasier and Miss Mackison Decide Not to Give Love Affairs an Airing.

The \$2000 breach of promise suit of Miss Lena Mackison against Dr. J. W. Frasier of Honey Creek, which had been assigned for trial yesterday in the district court, was settled out of court, a compromise having been reached by the parties interested. Miss Mackison was to accept \$1,000 in settlement, the defendant agreeing to pay all the costs incurred by her in the suit to date, including her attorneys' fees. Miss Mackison formerly lived in Quincy, Ill., and about six years ago came to Council Bluffs to conduct a series of evangelistic meetings as a missionary of the United Brethren church. It was while conducting a series of these meetings at Honey Creek that she met Dr. Frasier. The doctor admitted that they had been engaged to be married, but claimed that it had been subsequently broken off by mutual consent. This, however, was denied by Miss Mackison. Last year Dr. Frasier's father died, leaving him a considerable estate, and shortly after Miss Mackison began her suit for \$2,000 damages. Miss Mackison is now a resident of Heintzel, Mo. J. L. Price, who recently began suit against James Coyle for \$500 damages for alleged defamatory and malicious charges against him in connection with a land deal in Nebraska, filed notice of suit yesterday in the district court against Coyle, demanding that the partnership alleged to exist between them be dissolved and that Coyle be ordered to make an accounting of the business of the partnership. The Exchange bank of Little Rock, Ark., began suit yesterday against Colonel F. C. Reed, former owner of the resort at Lake Manawa, for \$2,770, said to be due on a note given by him in April, 1902. Charles F. Penzall, also of Little Rock, began a similar suit against Reed to collect \$1,558.90, said to be due on two notes given in February, 1902. A jury was impaneled to try the case of the state of Iowa against James S. Brown, charged with assaulting Carl

Trojan with intent to commit highway robbery. Brown was indicted jointly with Frank Seagob, but demanded a separate trial. The taking of evidence will be begun this morning. Dogs Attack Deer. Park Commissioner Schmidt was called out on a 4 o'clock telephone call yesterday morning by a telephone message to the effect that two large dogs had attacked and were in the act of killing one of the bucks in the deer run at Fairmount park. The message came from a family who live next the park entrance, near which the deer run is located, and who had been attracted by the baying of the dogs. Park Commissioner Schmidt lives near the Graham avenue entrance to the park and he lost no time in hastening to the rescue of the buck, armed with a double-barreled shotgun. He arrived just in time to save the stag from being killed, as the dogs had him down and were trying to tear his throat out. Mr. Schmidt emptied both barrels into the dogs, killing them. The dogs had succeeded in tearing off one of the buck's horns, together with a goodly portion of the scalp, the horns being at this season in the "velvet" stage. Last week dogs killed one of the fine Angora goats and her kid in Fairmount park and during the last month upward of twenty game rabbits have been killed by marauding canines. J. E. Byrd Dead. J. E. Byrd, a salesman for the Union Pacific Tea company, died at a late hour Sunday night at the Woman's Christian association hospital after a brief illness with heart trouble. He was thirty-five years of age and single. The funeral will be held this afternoon at 2:30 o'clock from his late residence, 36 Fourth street, and will be under the auspices of the Odd Fellows and Knights of Pythias. Burial will be in the burial ground of the Knights of Pythias in Fairview cemetery. Members of Park lodge No. 866, Independent Order of Odd Fellows will meet at the temple this afternoon at 1:30 o'clock to attend the funeral in a body. Members of Concordia lodge, Knights of Pythias and Bluffs company, Uniform rank will meet in Hughes' hall at 1 o'clock to attend the funeral.

CONTEST PREACHER'S WILL

Stepchildren Lay Claim to Fortune Requested to Charity and Education.

NEW POSTOFFICE SITE IS ACCEPTED

Supreme Court Reverses Case in Which Judgment Had Been Rendered Against Omaha Wholesale Firm.

(From a Staff Correspondent.) DES MOINES, May 18.—(Special.)—Simpson college at Indianola, the Methodist hospital in Des Moines and other beneficiaries named in the last will of Rev. Edward P. Vall, the preacher philanthropist who bequeathed a large fortune to charitable and educational institutions, must fight for the fortune donated by the rich and eccentric old minister. Two hitherto unknown heirs, Ella and Frank Vall, adopted children of Edward Vall, now residing in Vermont, have appeared on the scene and this afternoon have demanded that share of their father's fortune, which they claim by virtue of the Iowa statutes. The action is brought by Frank E. and Ella J. Vall against W. H. Arnold, executor of the last will and testament of Edward P. Vall, and Simpson college and board of trustees. It is somewhat sensational, charging that Vall when he signed the instrument was not in his right mind and also that undue influence was brought by the agent of Simpson college to secure the signature. By virtue of the state laws, which give to the adopted children the same equitable rights in an estate, and for the other reasons mentioned, it is asked that the will be set aside and that judgment be rendered for the full amount of donations be awarded the plaintiffs. A number of the rich and eccentric old philanthropist in Des Moines it was understood that he had no direct heirs, either by birth or adoption, though it was known in Dallas county, his home before removing to Des Moines, that Frank and Ella Vall resided with the family in Vermont. Frank Vall, who has been in some never reached this locality until it was procured for use in connection with the litigation commenced this afternoon. The amounts donated by Vall will aggregate something like \$75,000. He gave to the Methodist hospital at one time \$20,000 in cash and at another time lands amounting to about that sum. His other donations will aggregate from \$20,000 to \$40,000. Suicide Saved Life Insurance. Ernest Friday, the hackman who committed suicide last Saturday morning on a farm north of the city rather than come to the city to receive sentence on his conviction for a crime, was insured for \$10,000 in the Modern Woodmen of Life insurance company. The insurance company officers to bring up his case and expel him from the lodge as soon as he was sentenced and this would have been done Saturday night. In the Sixth Wisconsin case of the court and killing himself, he also saved his life insurance for the benefit of his sister, an estimable woman residing in this city. Accepts Postoffice Site. Robert B. Armstrong, assistant secretary of the treasury, spent the day in Des Moines and accepted the postoffice site sold to the United States. There has been some delay in securing title to the land, but Mr. Armstrong now says it is all perfect. The price paid was \$18,500. The site is on the river front, in the oldest part of the city, and below the jobbing district. Mr. Armstrong had not visited the city since he was assistant secretary in charge of a newspaper reporter in Des Moines a few years ago. He was given a complimentary dinner at the Grand club rooms by friends. He spent Sunday visiting his parents near Polk city. Will Not Buy Gift. The city council of Des Moines today refused to appropriate money with which to purchase a fund raised in subscription. The cruiser is to be finished in a few months. Mormons Organize a Company. Leading members of the Church of Latter Day Saints at Lamoni, Ia., have organized a co-operative mercantile company under the name of the Lamoni Supply company. The articles of incorporation for which were filed in the secretary of state today. The capital is \$10,000; John Smith, president; Robert Johnston, vice president; R. B. Salyards, secretary; F. M. Weld, treasurer. The Cambridge Land and Improvement company has incorporated; capital, \$10,000; Frank Thompson an officer. The North American Investment company, with a capital of \$50,000, has been incorporated in Iowa. An Omaha Case Decided. The supreme court reversed the case of Leo Watson against Allen Brothers company of Omaha, appealed from the Pottawattomie county court. This was a case in which the plaintiff had a contract for the sale of baking powder in Texas and Louisiana and was to secure a certain commission on sales. He sold something over 100 orders and the house turned them down. He sued for his commission and recovered in the court of Judge Wheeler. The supreme court today held that the jobbing house had a right to reject any all of the orders of a resident of another state for commissions unless sales were actually made. In the case of Adel League against Claus Elmke, from Pottawattomie county, the court upheld a verdict for damages on account of sale of liquor to the husband of the plaintiff, holding that the liquor seller was not protected under the militia law. Supreme Court Decisions. The following were the decisions of the supreme court filed today: H. H. Sheriff against City of Okaloosa, appellant; Mahanica county, Judge Dewey, reversed; opinion by Sherman. Adel League against Claus Elmke, appellant; Pottawattomie county, Judge Green, affirmed; by McClain. E. Perival against Ida J. Youngling, appellant; Ida county, Judge Elwood, affirmed; by Weaver. Leo Wolfson against Allen Brothers Com-

pany, appellants; Pottawattomie county, Judge Wheeler, reversed; by Deemer. H. H. Sheriff against Thomas McCook, appellant; Mitchell county, Judge Smith, affirmed; by Ladd. Strange Sudden Death. The death of Frank L. Knox at Valley Junction yesterday was a strange occurrence. He was about 15 years old and attended school. He was a large and strong boy and was never known to be ill. Sunday morning he complained of not being well and a doctor was sent for, but the boy was dying and there was nothing to indicate the cause of his death. He was a son of N. S. Knox, bridge foreman for the Rock Island railroad. No inquest was held, as it is supposed his death was due to natural causes, probably the bursting of a blood vessel. Off for the Encampment. The major portion of the large Des Moines delegation to the state encampment of the Grand Army of the Republic left for Cedar Rapids this evening. Others will follow tomorrow. A group of those who are on the program for the encampment week are: General Given, Governor Cummins, Colonel Charles A. Clark, Congressman Cousins, Colonel Hepburn, Captain Hull and General John B. Black. It is probable that Colonel L. Raymond will be elected commander, as the contest lies between him and P. A. Smith of Scranton. Raymond is editor of the Hampton Recorder and has resided in that place since 1888. He is a native of Rock county, Wisconsin, and enlisted in the Sixth Wisconsin when he was 15. He was in the famous "Iron brigade," P. A. Smith is editor of the Scranton Journal. He was born in Ogle county, Illinois, September 1, 1840, and located in Clinton county, Iowa, in Company A, Eighth Iowa infantry, being mustered out September 25, 1864. There are three candidates for president of the Woman's Relief corps, Mrs. Mary B. Hupman of Sioux City, Mrs. Frederica Philpot of Cedar Falls and Mrs. Jennie I. Berry of Cedar Rapids.

FARMER ACCUSED OF MURDER

Wealthy Man Near Early Bound Over on Charge of Killing His Wife.

EARLY, Ia., May 18.—(Special.)—A wealthy farmer residing two miles north was bound over to the grand jury today for the murder of his wife. A dispute over land is alleged to have been the cause that led up to the tragedy. Farmers Warn Hunters Off. CRETON, Ia., May 18.—(Special.)—Nearly all the farmers around Afton and Creton are now engaged in tacking up signs at the entrance of their farms notifying all hunters and others not to trespass on their premises and threatening with prosecution in case they disregard the notices. This action has become necessary from the frequent loss of stock by careless people with guns and the frequent trespass of parties with dogs who have made the stock so wild that it is impossible to properly care for it. The farmers say that they do not care so much for the real hunters, but that the damage has been done by boys and those who do not realize that anybody but themselves have any rights to be considered. In many cases the parties have left gates open and allowed stock to get into newly plowed fields, causing much damage, and they have decided that the only way to avoid the trouble is to keep all trespassers off their grounds. Many New School Buildings. CRETON, Ia., May 18.—(Special.)—Union county will be engaged in building new school houses this year. The town of Cromwell, west of here, will erect a fine brick school house two stories high, to cost \$3,000, and work has already been begun. Afton, in east of here, will begin work on a new \$2,000 brick building as soon as the school year closes. Creton will commence at once with a two-story and basement addition to the Jefferson building in this city, which will cost \$3,000, and there will be two country school houses built that will cost about \$2,000, making a total of \$13,000 that will be expended in the erection of new buildings for school purposes this year, besides the always needed repairs on old buildings and grounds. Thieves Haid Flower Beds. CRETON, Ia., May 18.—(Special.)—The residents of Creton and Afton have been complaining of the theft of their flowers and house plants during the past two weeks. There has been twenty reports come to the police in which someone has stolen all the plants and flowers from the yards of residents. In one case a valuable palm was carried away, box and all, and the complaints of tulip beds that are in the yards being completely destroyed are numerous. The police of both towns are making strenuous efforts to capture the marauders, but so far without success. Prohibitionists in Convention. DENISON, Ia., May 18.—(Special.)—The Crawford county prohibition convention was held at the city hall on Saturday afternoon at 3 o'clock. The attendance was small and little or no enthusiasm was shown. They elected five delegates, however, to attend the state convention at Marshalltown. Prominent Farmer Inmate. ONAWA, Ia., May 18.—(Special Telegram.)—James E. Lewis, an old resident of Maple township, was adjudged insane and sent to the hospital at Cherokee today. Corn Planting Progress. ONAWA, Ia., May 18.—(Special Telegram.)—Corn planting is in full blast on the good land and the water is going down fast on the bottoms. RUSSIANS FEEL INJURED

Officials of the East Are Hurt by America's Manchurian Attitude.

Official of the East Are Hurt by America's Manchurian Attitude. POINT OUT THE DAYS OF AULD LANG SYNE Think United States Formed Too Hasty Opinion Considering Friendship of Forty Years Ago. ST. PETERSBURG, May 18.—The Russian officials express themselves as being deeply hurt at the criticisms of the American press on the subject of Manchuria and say that, "considering the friendship extended forty years ago, when America needed friends, America might at least inquire whether the Anglo-Japanese news were not colored in Anglo-Japanese interests." The Manchurian incident threatened at one time to cause serious trouble on the border. When the excitement was at its height Finance Minister DeWitt visited Minister Lamsdorff and informed him that under the influence of "American representations, Japanese truculence and American newspaper attacks, in addition to Balkan troubles," the border was dangerously weak. The minister also said that a continuance of the foreign attacks would threaten Russia's credit. There is a widespread belief here that M. Planon, the Russian chargé at Peking, represents the Grand Duke Alexioff and the war party.

SUBMARINE BOAT SUCCESS

Tortoise Fires Torpedo Under Water Which Goes Straight to Mark.

GREENPORT, N. Y., May 18.—The Holland submarine torpedo boat Tortoise in a government trial today on Peconic bay, off New Suffolk, fired a torpedo at the end of a successful submerged run of a mile and a half. The torpedo went straight between two flags set 150 feet apart, reaching a war vessel. The trial board represented by Captain C. T. Train, Captain Charles R. Koelker, Commander W. C. Cowles and Lieutenant J. J. Woodward, is satisfied with the result. FIRES INTO MOVING TRAIN One Man in Excursion Party Dangerously Wounded by Mysterious Bombardment. FALETTE, Mo., May 18.—A Missouri, Kansas & Texas excursion train returning from Jefferson City was fired into by unknown persons near Estill. A man named Epton, from Hannibal, was dangerously wounded, a ball passing through his abdomen, and several were cut by falling glass. Six shots were fired, all striking the coaches or passing through the windows. The train was crowded and the greatest excitement ensued. DEATH RECORD. Dixon County Treasurer. PONCA, Neb., May 18.—(Special.)—County Treasurer J. W. Thompson, died last night of pneumonia after a sickness lasting one week. The deceased was thirty-four years old and was serving on the last year of his second term as county treasurer. Funeral services were held Sunday afternoon in the Presbyterian church of this city, and his remains were shipped to Dixon for interment. William McLennan. NEBRASKA CITY, Neb., May 18.—(Special Telegram.)—William McLennan died at his home in this city yesterday, aged eighty-two years. Mr. McLennan studied law under Stanton and was admitted to the bar in 1848. He came to Nebraska in 1844, was a member of the territorial legislature for two terms and speaker of the house one term. Mr. McLennan was injured by falling down a stair at Hamburg, Iowa, a few days ago and did not rally from the shock. City Officials Arrested. COLORADO SPRINGS, May 18.—Chief of Police King and Alderman J. C. St. John were arrested today on indictments returned by the grand jury. The chief is charged with having secured witnesses and the alderman with having solicited and accepted a bribe. Foundry Company Insolvent. SYRACUSE, N. Y., May 18.—Creditors of the Economy Foundry Machine company have filed a petition in involuntary bankruptcy against the corporation. The liabilities are about \$100,000 and the assets about \$60,000.
