Temporary Injunction Against Waiters Union Dissolved in District Court.

ORDER STANDS AGAINST EMPLOYERS

Judges Baxter and Day Sign Majority Decision, While Judge Dickinson, Who Granted the Original Orders, Dissents,

Three hours of argument, an epinion by a divided court, and the result of the first hearing of the troubles between the notary public, but the hour was so late members of the Waiters union and the that the matter was passed over. employers was that the temporary restraining order issued against the members of the union, forbidding them to vacated and dissolved; the temporary restraining order issued against those emsociation, restraining them from doing anything to carry out the alleged conspiracy to destroy the labor unions, was maintained in full effect, and where there was one law suit there are now two. One of these suits is to be heard upon application for permanent injunction Thursday, June 4, while the date of hearing of the second suit has not been settled

The conditions above named were brought about through the hearing of two applications yesterday afternoon before Judges Dickinson, Baxter and Day, in Judge Dickinson's court room in the case of the employing restaurant men against members of the union. John O. Yelser filed a motion for the dissolution of the temporary restraining order is about 8 o'clock. Four or five of them sued at the instance of the employers jumped onto him while he was off his for the reason that the court had no power to issue the original order, as it was not based upon affidavit. This point was conceded by the attorney for the employers who endeavored to cure the defect by filing an amended verification of the original petition. In this he was plicated in the assault were John Quinn, not successful, and the temporary re- Charles Doyle, Clyde Pond, H. Gaines Files a Motion.

Then Mr. Gaines, on behalf of the em ploying restaurant men, filed a motion to have stricken from the files the crosscomplaint filed by the defendants in the original case, upon which, and the affidavit accompanying it, was based the temporary restraining order issued by Judge Dickinson. This point was argued during two hours and at 4 o'clock the three judges retired for consultation. They were out about an hour and when they returned Judge Baxter announced that he would deliver the opinion for the majority of the court. He briefly reviewed the arguments on behalf of the contending parties and said that much had been brought into the argument which was not set up in the motion, but for the purpose of arriving at a more speedy solution of the case the court had decided to consider the points raised in the argument, rather than those brought up directly in the pleadings, Before the judge could announce the

opinion Mr. Gaines asked and secured leave to amend his motion so as to ask for the discharge of all parties brought in by the cross-bill who were not parties to the original suit. The judge concluded his statement by saying that the court decided that the crossbill should be stricken from the files of the case, but that the attorney for the defendants should be permitted to docket | Moomey will be given an opportunity to his cross-bill as a petition in a separate Buft.

Judge Dickinson Dissents.

Judge Dickinson then delivered a minority opinion in which he said that he could not agree with the other judges in their decision to strike the cross-bill from the files for the reason that it contained what would be a complete defense to the action, and as such should be allowed to stand.

Mr. Yleser and Mr. Gaines then argued as to the effect of the two orders of the court, the latter desiring to draw an order which would compel Mr. Yeiser to begin a new suit by filing a new pe- been unable to locate him since he abantition, and Mr. Yelser maintaining his right to docket the cross-bill under the decision of the majority of the court. It was then agreed between the attorneys that the case should stand as left by the decision of the judges until Thursday, June 4, meantime the answer of Mr. Yelser to be filed next Monday and the reply of the plaintiffs as soon thereafter as possible, the taking of testimony to begin the following Thursday. Yeiser said that his answer would be practically a repetition of the charges set

up in his cross-bill. At the conclusion of the hearing upon the complaint and cross-bill Mr. Yelser desired to bring up the proceedings against E. B. Branch, secretary of the Business Men's association, on charge of contempt of court, in failing to respond to a subpoena issued by C. C. Valentine.

A large number of these workmen have left the city and are at work elsewhere under union conditions. Teamster Makes Assault.

ST. EDWARD, Neb., May 25.-(Special.)-Dan Moomey was arrested last Saturday for passing counterfeit dollars. J. W. Webb, secret service agent, and Deputy United States Marshal Walling, had been in town several days looking up the particulars in the case and made the arrest as soon as sufficient evidence had been obtained. Moomey was taken to the county jail at Albion Saturday evening and will have his preliminary hearing at Norfolk today. Other developments are expected soon, as lighten his sentence by giving a little evidence against some of his co-workers.

Test for Yourself the Wonderful Curative Properties of Swamp-Root

To Prove What Swamp-Root, the World Famous Kidney. Liver and Bladder Remedy, Will Do for YOU, Every Reader of The Bee, May Have

Gentlemen: Some two years ago I was so run down that I lacked strength, had no appetite and could not sleep nights. Sometimes it seemed as though my back would break in two after stooping. I had to get up many times during the night to urinate and go often through the day. After having the best physicians prescribe for me without relief, I decided from my symptoms that the medicine I needed was Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. After trying a sample bottle with good results, I purchased six bottles of the regular size and after taking them was entirely cured. Swamp-Root is a wonderful remedy when a man is not feeling well, after exposure or loss of sleep and irregular meals. It is also a great medicine to tone up a man's system. Other members of the police force are using and recommending Swamp-Root. They, like myself, cannot say too much in praise of this great remedy.

The officers (whose signatures accompany this letter), as well as myself, thank you for the

good you have accomplished in the compounding of Swamp-Root.

We remain yours very truly, Binghamton, N. Y.

Officers of the Binghamton, N. Y., Police Department.

Officers of the Binghamton, N. Y., Police Department. To Dr. Kilmer & Co.,

If you are sick or "feel badly," begin taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to

health. A trial will convince anyone, Weak and unhealthy kidneys are responsible for more ickness and suffering than any other disease, therefore when through neglect or other causes, kidney trouble is permitted to continue fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and iritable. Makes you pass water often through the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; makes your head ache and back ache, causes indigestion, stomach and liver trouble; you get a sallow, yellow complexion, makes you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice, and is taken by doctors themselves, because they recognize in it the greatest and most successful remedy that science has ever been able to compound.

EDITORIAL NOTICE-Swamp-Root, the great kidney, liver and bladder remedy, is so remarkably successful that a special arrangement has been made by which all of our readers who have not already tried it may have a sample bottle sent absolutely free by mail. Also a book tell all about kidney and bladder troubles and containing many of the thousands upon thousands of testimonial letters received from men and women cured by Swamp-Root. In writing be sure and mention that you read this generous offer in The Omaha Daily Bee when sending your address to Dr. Kilmer & Co., Binghamton, N. Y.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at the drug stores everywhere. Don't make any mistake, but remember the name, Swamp-Root-Dr. Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
