AGAIN OVER-REACHES OTHERS' COURSE

Columbia Drops So Far Astern as to Be Nearly Beyond Sight.

CONSTITUTION TRIES TO KEEP UP PACE

Three Minutes Behind.

DEFENDER'S WORK STARTS ODDS GIVING

Members of New York Yacht Club are Enthusiastic and Declare That Lipton's Boat Will Have No Chance to Win,

NEW YORK, May 26 .- In a gamely contested race Reliance again today led the a private, was obliged to resign because way across the finish line, winning its secend victory over Columbia and its first over Constitution. Two minutes and twenty-one seconds later Constitution finished and the crew of the new boat gave it such a cheer as it deserved.

Constitution had sailed a plucky race and had a right to share in the honors. From the start to the finish it had fought out every mile over the thirty-mile course and

Constitution were having it out between the prolonged examination of Hussner was themselves around the course, the former that his action was the result of the defender was dragging along miles astern system of training on material which was of them and when Reliance sailed across dull, though passionate, and which affected by Senator Warner of Dakota that the house and dressed. The party reached the finish Columbia was more than two a mind filled with exaggerated ideas of miles almost dead to leeward. Reliance bonor. beat it by fifteen minutes and twentyseven seconds actual sailing time.

The wind held true at 9 to 12 knots during the race and favored none of the racers. Joseph Pennell Writes Graphically of B. E. Wilcox and Victor Rosewater, made Jett was honored by Judge Benton. He The conditions were ideal for a fair test of the three boats. The course was twice around a fifteen-mile triangle and a 12knot breeze was snapping the bunting of the yachts at the starting line when the three sleek racers gathered there and jockeyed for position. Columbia was dressed in a new suit of sails that set like a glove.

Start is Almost Perfect. The start at 12:15 p. m. was almost perfeet. Reliance and Columbia went across the line side by side, with Constitution

Reliance, 12:43:66; Constitution, 12:43:25; Columbia, 12:45:08. Reliance had beaten Columbia by more than two minutes in sailing six miles in twenty-eight minutes and nineteen seconds,

but had gained only a few seconds on Con-Once around the mark Reliance and Constitution got into a luffing match that carried them a mile out of their course. The breeze had flattened out to seven knots, and Captain Rhoades, seeing that he could not pass, gave it up and both sloops set spinnakers and squared away for the secnd turn. Reliance then drew away from its rival. Columbia meanwhile was far behind, the new boat having guined eight minutes on it in this leg, and twelve sec-

Reliance fetched 100 yards to leeward of the third mark, went by it and squeezed through between the mark and a long tow of barges. Before Constitution reached the mark, the barges had fouled it and it was compelled to sail around the tow, thereby losing a little. The wind was freshening and the leaders were two miles away on the next leg before Columbia reached the third turn.

nds on Constitution.

## Constitution Comes Up.

On the fourth leg the boats had a wind a point freer and the sheets a bit started, the leaders heeled over and stretched away that leg in twenty-eight minutes and fiftyfive seconds, but Constitution gained nearly thirteen minutes behind Reliance was fairly and some of them proceeded leisurely.

Again on the next leg Constitution outand twenty-one seconds, but it still was one minute and eighteen seconds behind. The wind had shifted, however, until it was withdrawal from racing, nearly to windward to the finish line and pointing high and footing fast,

HONOR COSTS HIS LIBERTY REPUBLICANS FIX THE DATE SOLDIERS AFTER WITNESSES TOWA ALSO SMITTE German Officer Who Killed Soldier

Failing to Salute Him Will Refleet in Prison.

BERLIN, May 26.-The attention of Germany was centered on the siblic court-martial of Naval Ensign of the who was tried at Kiel today bears and sentenced to imprison. It is years and one week and to degree in years and one week and to degtthe killing of Artilleryman Hartma-Essen on Good Friday.

The ensign's excuse was that the artilleryman had not saluted him properly. Hussner's replies to the court were straightforward. He said that while re-But Finishes Rounding Home Stake Over gretting that his swordstrokes killed the artilleryman, he acted within the service instructions and that he was obliged by conor to compel obedience. "But," said the president, "you said you

never drew your weapon without using it." "Yes," replied the prisoner, "It is so ordered in the regulations."

"You were seen loosening your sword before Hartmann left your side," continued the president. "Yes," the prisoner answered, "I thought

Here Hussner mentioned the name of an officer who, after having been struck by he was unable to loosen his sword, and the private, who was not identified, ran away, Hussner admitted that he became interested at the police station immediately after the killing of Hartmann in a discussion over the different classes of shoulder straps.

The court read a letter which Hussner wrote to his mother from prison and in

on two of its legs had actually outsailed the new boat, a performance which restores its prestige, imperilled in its disappointing showing in the drifting match last Saturday and makes it a factor to be reckoned with in the selection of a cup defender.

Columbia was, for the day, outclassed. From the very start it was never for a moment in the race. While Reliance and Constitution were having it out between the prolonged examination of Hussner was which he said:

## Mad Rush From Paris to Madrid.

LONDON, May 26.-Joseph Pennell, the artist and writer, has sent a most graphic description of the first stage of the Par's- to substitute the vote of Mortensen for Madrid automobile race to the Daily Chronicle from Chartres. After describing from the top of a hill, he continued:

the line side by side, with Constitution trailing by nearly half a minute but to windward. The first leg was a reach with the wind about abeam and coming out of the Long Island bays in strong puffs.

Five minutes after the start Constitution was more than a length behind and to the windward, and the splendid battle was on. Columbia began slowly te drop behind. Constitution held on like a bull dog. All the boats were going better than a 12-ment's neglect to protect the course was ment's neglect to protect the course was ment and the protect the protect the protect the carre fell—there is no other word for it the carre fell—there is no other word for it the carre fell—there is no other word for it the carre fell—there is no other word for it the carre fell—there is no other word and approached the narrow bridge, jumped with a bound across and flew with a scream up the rise for it down the slopes and approached the narrow bridge, jumped with a bound across and flew with a scream up the rise for it down the slopes and approached the narrow bridge, jumped with a bound across and flew with a scream up the rise for it down the slopes and approached the narrow bridge, jumped with a bound across and flew with a scream up the rise for it down th All the boats were going better than a ment's neglect to protect the tours and the first clip. Steadily but very slowly, till criminal and nothing eise. Though on the stretch of eight kilometres between Chartres and the first village there were from the boats turned the first marks as folcars, no attempt was made to control the crowds, mostly made up of peasants and people from Paris who knew nothing about votes would be wanted for the ticket next automobiles.

The horse-drawn traffic was stopped dur-ing the race, but the fools on bicycles and the imbeciles on motors careened at out and drew up anywhere all over the road and only escaped killing themselves and racing men by the sheer dum luck whi said to protect drunken men, children and

fools.

Yet people wonder why accidents happen. The conduct of the military authorities was incredible. From Chartres to the narrow bridge at the top of the hill the road was kept by a regiment of infantry and some gendarmes, and though pedestrians were not permitted to cross the bridge, but had to pass through the stream below, thus not permitted to cross the bridge, but had to pass through the stream below, thus making a jam at both ends of the bridge, ordinary motor cars and motor cycles were allowed free passage, of which they took such advantage that one of the racing cars was stopped dead in order that a person on an ordinary car might crawl over. As for the motor cycles in the race, they were simply used near Chartres as pacing machines by any stray scorcher pacing machines by any stray scorcher who wanted to take money. Measures for preserving the safety of the public were either nonexistent or of a useless char-

At the dance following the wedding a lamp was overturned and set fire to the decorative hangings. A partic ensued, the doors were blocked and three of the women were unable to escape and perished in the flames.

Next State Convention to Be Held in Lincoln on August 18.

COMMITTEE ENDORSES THE PRESIDENT

Basis of Representation Fixed or Vote for Mickey, Cutting Down Douglas County Representation.

(From a Staff Correspondent.) LINCOLN, Neb., May 36.-(Special Telegram.)-The republican state committee at its meeting here tonight fixed Wednesday. August 18, for the republican state convention, selected Lincoln as the convention city and adopted by unanimous vote a resolution endorsing the administration of Theodore Roosevelt and pledging him the support of Nebraska republicans. The resolution, which was introduced by Victor Rosewater, with a few preparatory remarks, reads:

marks, reads:

Voicing the sentiment of Nebraska republicans, we express our grateful appreciation of the privilege recently accorded our state of entertaining, as our guest, our distinguished president, Theodore Roosevelt. His wise and courageous administration of national affairs, his judicious conduct of our relations with foreign governments, his fearless enforcement of the laws against unlawful trusts and combinations, his patriotic efforts to maintain peace and harmony between capital and labor, his friendship for the west manifested by his interest in irrigation and other measures designed for the upbuilding of the western states, command our hearty approval of the western states, command our hearty approval and endorsement. Theodors Roosevelt has demonstrated his eminent stress for the exaited position of president of the United States and we extend to him the assurance of the support or Nebraska republicans whenever it may be of service to him.

Addison Waite of Otoe had prepared a resolution in similar terms, prompted by the republican sentiment of the people of his home and several other members spoke ing another gatling gun from Louisville.

Troops Endeavor to Secure Their Attendance Before Kentucky Grand Jury.

JACKSON, Ky., May 26.-While the special grand jury is still sitting in its effort to indict the assassing of Macrum, Cockrill and Cox, the members of the state militia sent here to preserve order are couring the country in an attempt to get together the witnesses and bring in the men indicted yesterday evening.

The grand jury will ask for the enforced attendance of Captain John Patrick, Moses GLENWOOD, BUXTON, DES MOINES HIT Feltner and Tom Cockrill. Captain Patrick is alleged to have witnessed the assassination of James Cockrill and Feltner to have Institute for Feeble Minded and Its Inmade an affidavit stating that certain officials had hired him and three other men to assassinate Macrum.

Tom Cockrill is wanted to tell about the assassination of Dr. Cox, it being stated that he knows the names of all the men who were on the scene at the time. The mountaineers last night made an attack upon the soldlers and there was a council of war today to ask for more troops. It is reported here that Curtiss Jett has made a confession that implicates prominent persons.

Commonwealth Attorney Byrd says he will call the cases against Jett Wednesday morning and try him not later than Friday. Extra precautions have been taken to protect Belvin Jewin. He is guarded constantly by a strong detail. His testimony before the grand jury caused the indictments to Jewett and White.

There was a positive move made against him yesterday in the court room. Belvin Jewin has fears for his life and he is greatly alarmed. Mrs. J. B. Macrum, her friends and

number of citizens are urging that more troops be sent, fearing that further vio lence may be done by the mountaineer feudists. At the consultation of officers today no action was taken beyond order Tom White was arrested at the home of his mother, eighteen miles from here at daylight.
