Court Subpoena Requires Branch to Appear with Business

The attorneys for the Waiters' union have made another attempt to secure the production of the books and papers of the Business Men's association, this time in the police court. There was some question as to the issuance of the subpoena asked for by the defense and the question was presented to City Attorney Wright, who advised the police judge to issue it. The subpoens, requiring Mr. Branch to be present with the books and papers, was then issued and the secretary of the association is to be present Wednesday morning at 9 o'clock, to which time the cases were continued.

Business Men's Association Meets. The Business Men's association held a meeting last night at Creighton hall. It was secret as usual. T. J.
