Most Important Session of Assembly is Held as Troublesome Questions Are Discussed

and Decided. LOS ANGELES, May 28 .- The Presby-

terian church of the United States, in general assembly today, finally disposed of the question of revision of creed that has been before the last three general assemblies and agitated Presbyterian circles for the last fifteen years. The assembly today, by unanimous vote, adopted the revision of the confession of faith as prepared by the committee appointed by the general assembly in 1901.

Besides clearing the calendar of this important question the assembly disposed of the "Tennessee overture" in regard to 'separate presbyteries in the same terriory," which was commonly known as the church, and the report of the special com-

day, which on the whole has been the busiest of the assembly's session. The fact that creed revision was to come

by the assembly, as follows: While the ordination vote of ministers, ruling elders and deacons, as set forth in the form of government, requires the re-ception of adoption of the confession of fulth only as containing the system of doc-trine taught in the holy scriptures, never-theless, seeing that the desire has been formally expressed for a disavowal by the church of certain inferences drawn from statements in the confession of faith and also for a declaration of certain aspects of revealed truth which appear at the present time to call for more explicit state-ment, therefore, the Presbyterian church in the United States of America does au-thoritatively declare as follows. By the adoption of eleven overtures, in ortant additions, amplifications and amendaents are made to the articles of the confession of faith. Of these one of the most vital is the erection into the church doctrine of the bellef that all who die in nfancy are saved, which is embodied in the declaratory statements regarding chapter ill of the confession of faith and chapter x. section 3:

The Lord, Jesus Christ, is the only head of the church, and the claim of any man to be the vicar of Christ and the head of the church is unscriptural, without warrant in fact and is an usurpation dishonoring to the Lord, Jesus Christ. Three additional chapters are added to
