

COUNCIL BLUFFS

WEEK FOR THE GRADUATES

Exercises Commence with Sermon to Graduates by Rev. W. S. Barnes.

FIFTY-EIGHT COMPLETE THE COURSE

Formal Graduating Exercises Thursday Evening, with Address by Dr. Sparks of Chicago University.

Commencement week for the graduating class of the high school will begin this morning when Rev. W. S. Barnes, pastor of the First Presbyterian church, will preach the baccalaureate sermon to the fifty-eight young people who will complete their public school course. The members of the board of education and faculty of the high school will attend the services this morning at the First Presbyterian church in accordance with the usual custom.

Monday evening the graduating class will hold its class feast at the residence of Mr. and Mrs. Lewis Hammer on East Broadway when Miss Hazel Hammer, who graduates from the German scientific course, will be hostess.

Tuesday morning, if the weather permits, the class will have a picnic, probably at Lake Manawa and Tuesday evening will occur the class day exercises in the auditorium of the high school. This is an innovation and there will be an interesting program, a feature of which will be the "Class Prophecy" in costume, by the members of the class. At the close of the program the class will present a handsome picture to the school.

Wednesday evening the members of the graduating class will be the guests of the junior class at a reception and dance in the ball room of the Grand hotel. There will be a literary and musical program and the evening's festivities will close with a dance.

Thursday evening will occur the regular graduating exercises in the high school auditorium. The program for this has not been completed but the principal feature will be the address by Dr. Edwin Earl Sparks of the University of Chicago. His subject will be "The Limitations of Learning."

The reception and entertainment by the Alumni association for the graduates has been postponed from Friday until Monday, June 8. It will be held in the ball room of the Grand hotel instead of in the Royal Arcanum hall as first announced.

The graduating class this year consists of thirty-five young men and twenty-three young women, as against thirty-four girls and sixteen boys in 1902 and eighteen girls and twelve boys in 1901. The list of graduates is as follows:

RAIN SPOILS THE PROGRAM

Memorial Exercises Held in Christian Church Instead of the Park.

The Memorial day exercises of the Grand Army of the Republic were held yesterday afternoon in the First Christian church, where part of the program as originally planned, was carried out. The oration of the day was delivered by Rev. A. E. Buritt, pastor of Trinity Methodist church, while a band from Omaha under the leadership of R. Gunnoude rendered a number of patriotic selections.

The rain prevented the exercises being held in Bayliss park as planned Friday, after it was deemed inadvisable to hold them at the cemetery as has been the custom for years. No attempt was made to parade, but the members of the Abe Lincoln post marched from the post headquarters to the church headed by the band. The exercises were attended by an audience which barely half filled the church.

The placing of flowers on the graves in the several cemeteries was carried out by committees, each grave having been marked with a small flag Friday by Major McFadden.

Up to last night Commissioner Loomis had received no reply to the invitation sent the president to stop over in Council Bluffs Tuesday morning.
