City Council Transacts Routine Business at Its Session.

BOARD OF REVIEW NOT YET NAMED

Mayor Passes Matter Another Week at the Request of Members of the Council Who Seek Time.

While the city council, at its meeting last night, transacted considerable routine business, there was little done of public interest.

The muddy weather has caused a demand for crosswalks. Mr. Smith offered a motion directing the street foreman to lay crosswalks at Twenty-ninth and W.

A committee of the First Christian church sent in a communication asking that grading taxes, amounting to \$113, be canceled.

The committee alleged that the illegal and watered amount raised from the books.

Another Vindict Delay. The rains have washed out the excavation made for the retaining wall to be constructed at the west end of the Q street viaduct.

Magie City Gossip. Frank Burness, deputy city clerk, is quite sick.

Board of Education. The regular monthly meeting of the Board of Education was held last night, but little business was transacted.

Haunting for Coal. The South Omaha packers are again confronted with another coal famine.

HIS LOCKJAW ONLY A SHAM

Frank Marshall Alleged to Be Merely Feigning the Attacks.

IMPOSITION DETECTED AT HOSPITAL

Man Thought to Be at Death's Door Proves to Be Either a Cheap Fraud or Foolish Crook.

Opinions may differ as to the causes or motives which made Frank Marshall a sufferer from or simulator of the dread pangs of tetanus, but all persons concerned agree that he is a repeater and an artist.

Thursday night that young person in question appeared suddenly at the police station, shortly thereafter went into spasms, was promptly chloroformed and sent to Clarkson hospital, where he was solemnly treated for lockjaw until Sunday, when disquieting suspicion was aroused, which led to inquiry.

There is now apparent perhaps what might be termed a feeling of chagrin among professional men and nurses and others concerned and a slight desire to avoid discussion.

Another Vindict Delay. The rains have washed out the excavation made for the retaining wall to be constructed at the west end of the Q street viaduct.

Magie City Gossip. Frank Burness, deputy city clerk, is quite sick.

LOSE LIVES IN ETON FIRE

House of One of the Masters is Destroyed and Two Boys Perish.

LONDON, June 1.—Two boys, both 14 years of age, were burned to death in a fire which gutted one of the master's houses at Eton college today.

There were thirty-three students in the house and the survivors had great difficulty in escaping, clad only in their night clothes, many of the boys scrambling from the windows down the ivy-covered walls of the house.

The work of rescue was considerably delayed owing to some of the windows of the house being barred. The annual celebrations, June 4, have been abandoned.

King Edward, Queen Alexandra and the prince and princess of Wales, all of whom were at Windsor castle, were greatly concerned and sent frequent inquiries about the boys.

French Governor is Sustained. PARIS, June 1.—A dispatch from Saigon, capital of French Indo-China, says Governor General Beau has been detained in Tonquin by the serious conditions prevailing in the adjoining Chinese province of Yun Nan, where the rebellion is spreading.

LOCAL BREVITIES. Harry Straight, the street car conductor injured in the collision at Twenty-ninth and Shirley avenue Friday evening, is slowly improving, but is still a very sick man.

A burning chimney at the residence of John Raugorechus, 807 North Thirty-fifth street, was the occasion of the fire alarm shortly after 8 o'clock last evening. The firemen made the run from Twenty-fourth and Cuming streets through the mud up the thirty-second street hill, only to find on arrival there that their services were not needed.

The county commissioners did not go out yesterday morning to view the roads damaged by high water, as arranged Saturday. Commissioner O'Keefe was on hand early and later Commissioner Connolly made his appearance. No other member of the board was on hand at 10 o'clock, and while O'Keefe and Connolly professed to be willing to make the trip, they decided to wait until a majority of the board could be brought together.

The Board of Fire and Police Commissioners met last evening. Mayor Moore was not present. Judge W. D. McHugh, the new member, appointed to fill C. C. Wright's place, was present for the first time, and by resolution was made chairman of the law, ordinances and regulations committee and a member of the committee on buildings and property. Lee Spratlan was appointed secretary of the board and Thomas assistant secretary.

Patrolman Rebut appeared before the board in answer to a summons to explain his continued absence from duty. He presented a statement of Dr. H. G. Wiese saying that he was still suffering from the effects of a fall on the night of December 28 and still unfit for duty. A statement from City Physician Ralph was also read saying that the latter considered it was fit for duty. After consideration it was ordered that Rebut report for duty next Monday. The bond of Special Officer L. W. Robb for \$1,000 in the Bankers' Surety company was approved. The salary of E. W. Boyles, clerk to the chief of police, was increased to \$10 a month. Bills, including the police stationery supply for two months, were approved. The board heard a plea for the granting of a pension to Mrs. Coulter, widow of George Coulter, who served twenty-one years in the fire department and was in service when killed. The matter was taken under consideration. Pipeman Thomas J. Murphy of hose company No. 7 was ordered to appear before the board at its next meeting to answer charges of reporting for duty under the influence of liquor. It was resolved and

He announced that he would name the others in a day or two and urged the committee to begin work immediately in order to make a full and tangible report at the next regular meeting, July 6.

A report recommending amending the constitution and by-laws brought in by Chairman Frank Crawford of a special committee, was approved and the two additional votes voted upon favorably and laid over to the next meeting for final action. The constitutional amendment provides for two fiscal periods, one beginning April 1 and the other October 1, the dues of new members commencing from the first of either date after election. The amplification of the by-laws provides that the president at the first regular meeting after his election shall appoint standing committees on membership, entertainment and memorial banquet.
