DEMOCRATS WORK POLITIC

Machine of Public Works.

CHAIRMAN ROSEWATER MAKES OBJECTION Majority Members Vote to Dismiss All

the Board's Employes and Send New List of Appointments to Council.

The democratic majority of the Hoard of Public Works yesterday dismissed every one of the 35 employes of the department. A new list of employes containing 228 names was then adopted and will be submitted to the council tonight for confirmation. All of the former laborers and teamsters are retained, but the foremenships and skilled occupations are taken out of the hands of expert and experienced workmen and given to demoto the democrats were placed on. Chairman Rosewater protested vigorously against relieving the old foremen.

Some of these men have been in the service sixteen years," he declared. "They are all experienced experts in their different lines of work and men upon whom I can rely. They have been treated as civil service employes would have been treated and I never gave a second thought to their politics. By taking them off you perpetrate a calamity in the public work. "Ande from that, by your action you have left the city for a day and two nights. and perhaps longer, without a single la-

damage may be done. You have acted contrary to the best interests of the city for political reasons and I renounce all responsibility for what may result." Whether the council will confirm the new list is a question. Although republican, the fight over mayoralty appointments has crept into the Board of Public Works matter, and there may be enough insurgents employes appointed by the democratic evening. board. In any event they must be approved

> NEW YORK, June 8-The Interstate ommerce commission returned to New York to continue the investigation into the complaint of W. R. Hearst that the coal carrying railroads have violated and are violating the anti-pooling section of the Sherman anti-trust law. The commission delayed the hearing until the United States circuit court passed upon

the right of the coal road presidents to

refuse to answer questions as to contracts

between the coal companies and the railsouds. Robert M. Oliphant, former president of the Delaware & Hudson, one of the respondent railroads, was the first witness. He corroborated the statements of the other coal men, who have testified that the price of coal to the public is to be raised cents a ton a month until a maximum ncrease of 50 cents a ton is reached. He was not prepared to say that the increased

everything into consideration. In the whole history of commerce there never was anything as ignorant and stupid as the way the coal business has been conducted consider ing the usefulness and necessity of coal and its limited supply.

Mr. Oliphant said he doubted if his company made any money when coal was selling in New York at 34 or less. For the last ten years the profits of the company have been about 7 per cent.

His company increased the price, he said, because exigencies of the trade justified the demand. "We could get a higher price if we asked for it." he added.

It was out of deference to the needs of Members Broatch, Thomas and McHugh the public, the witness said, that the price were getting \$8 to \$10.

Adelbert Moot of counsel for the Erie

were ready to concede that the price of
