

DUFFY'S MEN EASY WINNERS

Take the Opening Game from Omaha by a Score of Eight to Two.

STONE APPEARS WITH MILWAUKEE CROWD

Heavy and Consecutive Hitting by the Angels Tells the Story of the Defeat of Papa Hourke's Hired Men.

MILWAUKEE, Wis., June 10.—(Special Telegram.)—Omaha lost the first of the series with Duffy's men through a combination of hard luck, errors and inability to hit McPherson at the right time. It looked as if Hourke's men would be shut out until the last half of the ninth inning, when three hits gave them two runs. The final score was 8 to 2.

It was about as disagreeable a day as could be at this season, a cold wind from the lake chilling the spectators and players alike. Schafatzal was in the box for the visitors and for four innings the Creams could do but little with him. McPherson for the Milwaukee was equally effective and there was reason to look for a pitchers' battle with plenty of sharp fielding to interest the few faithful fans who had braved the cold.

But in the fifth inning there was a change. Schafatzal started the trouble by sending Lucia to first on balls. McPherson sacrificed, advancing him to second, and O'Neill hit a hot one to Hickey. The ball was too fast to field except by a lucky chance and instead of bounding into the third baseman's hands it struck his shin and before he could be fielded Lucia was on third. Cockman followed with another hit to Hickey and in an effort to cut Lucia off at the home plate the third baseman threw low and Lucia scored. Stone followed with a single, bringing O'Neill and Cockman home. He was caught attempting to steal second and Braun went out from Hickey to Wright soon after, but the game was lost.

The Milwaukee men added two more runs in the sixth and two in the eighth. The tallies made by the Nebraskans in the ninth were the results of doubles by Dennis and Shugart, and a single. McPherson then settled down and Wright, Hickey and Gending ended the agony. Score:

"A Wonder-Working Remedy for Women," Says Mrs. Brown.

PAIN'S CELERY COMPOUND

Tones and Strengthens Every Weak Organ and Invigorates the Whole System.

Paine's Celery Compound has been specially prepared for the relief and cure of the many ailments that afflict women, and it never fails to give a new and healthy tone to the female organs; it removes relaxed debility and unhealthy secretions; it purifies the blood and establishes a perfect and vigorous health. Mrs. V. L. Brown, Vineland, Cal., writes as follows:

"Four years ago female troubles and irregularities commenced to make my life miserable. Though I sought the best medical advice, my sufferings seemed to increase, and recently, upon the advice of a friend, I used Paine's Celery Compound, and found it to be a wonder-working compound. I have used five bottles and can truthfully say I am a new woman. I owe my life and present good health to Paine's Celery Compound."

CURED TO STAY CURED

We make no misleading statements or unsubstantiated propositions to the afflicted in order to secure their patronage. The many years of our successful practice prove that our methods of treatment are safe and certain.

What the afflicted man wants is not a temporary relief, but a permanent cure. It dissolves the Stricture completely and removes every obstruction from the urinary passage, always all inflammation, stops every discharge, reduces the prostate gland when enlarged, cleanses and heals the bladder and kidneys when irritated or congested, invigorates the organs and restores health and soundness to every part of the body affected by the disease.

Contagious Blood Poison

My special form of treatment for specific or contagious Blood Poison is practically the result of my life work and is endorsed by the best physicians of this and foreign countries. It contains no dangerous drugs or injurious medicine of any kind. It goes to the very bottom of the disease and forces out every particle of impurity.

Soon every sign and symptom disappears completely and forever. It cleanses the blood, the flesh, the bones and the whole system are cleansed, purified and restored to perfect health and the patient prepared anew for the duties and pleasures of life.

Nervo-Sexual Debility

My cure for weak men does not stimulate temporarily, but restores permanently. It soon drives away all those distressing symptoms which so constantly remind one of his former ills. It stops every drain of vigor and builds up the muscular and nervous system, purifies and enriches the blood, cleanses and heals the bladder and kidneys, invigorates the brain and the spirits, brightens the intellect, and above and beyond all, restores the wasted power of manhood.

Reflex Diseases

Many ailments are reflex, originating from other diseases. For instance, many weaknesses sometimes come from Varicocele, Stricture, Incurable blood and bone diseases often result from Blood Poison in the system, or physical and mental decline frequently follow loss of manhood. In treating diseases of any kind I always cure the effect as well as the cause, and the only one.

Stricture

My cure for Stricture is safe, painless and bloodless, and therefore, free from surgery in any form. It is the only cure that should ever be used, and the only one.

Varicocele

Under my treatment, which includes no cutting or pain, this insidious disease rapidly disappears. Pain disappears almost instantly. The pools of stagnant blood are driven from the dilated veins and all soreness and swelling quickly subsides. Every indication of Varicocele soon vanishes and in its stead comes the pride, the power and the pleasure of perfect health and restored manhood.

Civil Service Rule Not Enforced.

The report of the civil service commission concerning the manner of making appointments in the Postoffice department will be presented to the postmaster general on his return to the city. It is understood the report finds that prior to the recent civil service orders most of the appointments were based on personal requests. The point also is made that under the present system abuses which might creep in under the old method will be impossible.

Kishineff Aid Declined.

Numerous offers have reached the Russian government from American sources to supply the sufferers in the recent Kishineff incident. All such offers have been declined, as Russia is entirely capable of extending relief and under the circumstances cannot accept outside aid.

May Pat the Money Back.

James A. Watson, the clerk in the auditor's office of the district government, who was arrested yesterday for alleged embezzlement of large sums, appeared in the police court today, pleaded not guilty and waived a preliminary hearing and in default of bail was retained in custody. General Bryant, the father-in-law of Watson, went to the bond. Watson expressed to the district officials confidence that he can make restitution of the amount of his son-in-law's alleged defalcation. The officials declare most of the missing money was used in stock speculations.

Chinese Kidnap American.

The following cablegram has been received at the State department from Consul General Wade at Canton, China, dated today: American kidnaped by pirates while proceeding from Canton to Houghan. Nina Thorsen, 16-year-old girl, was kidnaped. She is held at Galla (American) gunboat to the rescue and to demand that the victory be the release of the man and the punishment of the pirates. Details later.
