

TO PROTECT PUBLIC HEALTH

Advisory Board Recommends Establishment of Bacteriological Laboratory.

TO INSPECT WATER, MILK AND ALL FOODS

Mayor Points Out the Necessity to Public Health Afforded by the Sale of Impure Milk in Summer Time.

The establishment of a bacteriological and chemical laboratory to inspect water, milk and all foods was recommended to the council yesterday by the advisory board.

Another recommendation that the board sent to the council was a resolution urging the city to have the construction of proposed new fire engine houses at Eleventh and Jackson streets and on Twenty-seventh near Leavenworth.

Upon the recommendation of Health Commissioner Ralph the board appointed the present board of health.

"I have been receiving complaints about the quality of some of the milk that is being sold in Omaha," said the mayor.

Health Commissioner Ralph presented his plan for a laboratory, which is a department that he has long desired.

An ordinance long ago declared unconstitutional, and which sought to condemn all projections of earth more than ten feet above the surface on city lots.

INVITE MAYOR TO MEETING

Members of Southwestern Improvement Club Want City's Chief to Address Them.

At the meeting of the Southwestern Improvement club last night Fred Bhammel reported that the reason for the petition for the change in grade on Twenty-fourth street had not been presented to the city authorities.

The question of making repairs on Twenty-fourth street south of the viaduct where the water has washed a hole fifteen feet wide and sixteen feet deep on the west side of the street was referred to the Board of Public Works.

A committee consisting of John G. Alt-haus, Fred Zottmann and Fred Bhammel was appointed to bring this matter and also the matter of lighting the southwestern part of town to the attention of the members of the council.

Many complaints were made regarding the condition of sidewalks, especially Twenty-fourth street, near Mason school, where a broken sidewalk makes it almost impossible to walk along the sidewalk.

W. H. Green said that the present city council and mayor are friendly to public improvements and that the club would place itself in a position to co-operate with them.

SUGGESTS MACADAM STREETS

Contractor Writes to Councilman O'Brien as to Economy of His Plans.

E. D. Van Court, a contractor, in a letter to Councilman D. J. O'Brien, which has been received by the council.

"The cost to a property owner who owns a fifty foot lot with a macadam pavement would be only 125 cents per month for ten years," Mr. Van Court writes.

STOLEN JEWELRY IS FOUND

Discovered on Chinese Premises, but Theft is Not Charged to Celestials.

The diamond rings which were stolen from Mrs. Franklin at 222 North Thirteenth street a little more than a week ago have been recovered.

It is presumed that one of the women who took the rings became frightened and threw them out of the window into the yard next door and where they were found.

DRUGGISTS MUST BE CHARY

They Sell All Kinds of Hair Preparations and Fear to Discriminate.

Druggists sell all kinds of hair preparations and as a rule they are wisely chary of giving preference to any particular one, but many of them have come out plainly for Newbro's Herpicide.

AFFAIRS AT SOUTH OMAHA

Superintendent McLean Reports Need of Greater High School Facilities.

MORE ROOMS ESSENTIAL TO PROGRESS

No Plan as Yet to Meet Situation and Probably None Will Be Laid Until Fate of Bonds is Known—Magle City Gossip.

At the request of the Commercial club Superintendent J. A. McLean of the public schools has reported to the board of education in relation to the number of pupils who have completed the eighth grade course and thereby become eligible to enter the high school.

This makes a total of 222 pupils eligible to the high school in four years. The above total includes the preparatory grade. For the present year the total high school enrollment is 240.

In this connection Superintendent McLean states that the accommodations for high school classes are entirely inadequate. More rooms he says must be provided in some way if the school district intends to accommodate the high school class at the next term.

Mr. McLean has pointed out the need of better accommodations for pupils in the high school. Now that the number is constantly increasing something, he says, will have to be done.

So far the Board of Education has taken no steps to provide more rooms and the chances are that nothing along this line will be done until the fate of the bonds is known.

RISE ON ILLINOIS CENTRAL

Machinists Are Granted Wage Increase of Three Cents Per Hour.

POLITICAL EQUABLE CAUSES STRIKE

Carpenter Votes Against Blacksmith Mayor at Council Meeting, Employers Refuse to Fire Him and Men Quit.

CHICAGO, June 10.—Agreements were made here today by which about 5,000 workers gain better conditions. The day's developments were:

The Illinois Central railroad granted 750 machinists here an increase in wages of 3 cents an hour.

The Chicago-Milwaukee Brewers' association granted the beer bottlers a 25 percent increase in wages and made an agreement for two years.

The Chicago-Bridge and structural iron workers and the American Bridge company agreed to settle the bridgemen's strike at the rate of \$1.00 per day.

The machinists employed on the entire system of the Illinois Central railroad will participate in the increase in wages of 3 cents an hour under the terms of the agreement reached.

HUNTINGTON, W. Va., June 10.—Twelve hundred employees of the Chesapeake & Ohio railroad shops, including the office force, struck today when the company refused to discharge William Davis, a carpenter.

Politics Cause Strike. Davis, who is a member of the city council, recently voted with the majority to take from Mayor Buck his authority to name the standing committees for the ensuing year, this being the termination of a fight between the mayor and chief of police.

PHOENIX, Ariz., June 10.—A message received by Acting Governor Stoddard this morning from Captain Rynning of the ranger force at Morenci, says the situation is serious and there is great excitement.

DENVER, Colo., June 10.—Acting under instructions from Washington, General Baldwin today ordered United States troops from Fort Grant and Fort Huachuca, Ariz., to proceed to Morenci, Ariz., where 2,000 miners are on strike.

Western Miners Elect Officers. DENVER, June 10.—The Western Federation of Miners today elected the following officers: President, Charles H. Meyer; vice president, John C. Williams; secretary, William D. Hayward; executive board, J. T. Lewis, James P. Murphy, D. C. Copley, Thomas J. McKee and James A. Baker.

California Miners Quit. RANDELBURG, Cal., June 10.—About 300 miners employed in the Yellow Aster mines and mill walked out today. The miners are asking for \$30 per day, in place of \$25. The Yellow Aster owners say they will close the mine permanently rather than give in to the strikers.

Strikers Raid Factory. KINGSTON, N. Y., June 10.—Six hundred striking employees of the American Cigar company marched to the factory today, broke into the building and compelled fifty employees, who refused to strike, to quit work.

LUNCH. Salmon Salad. Sliced Tomatoes. Rolls. Tea.

DINNER. Cream of Potato Soup. String Beans. Broiled Chops. Cucumber Salad. Puff Balls. Lemon Sauce. Coffee.

Recipes. Maitre d'Hotel Butter—Put half a cup of butter, two level tablespoonfuls finely minced parsley, a little pepper and salt into a bowl and beat well together, then drop in the juice of two small lemons.

Fresh Herring, Maitre d'Hotel—Slice the fish down the stomach and remove the intestines and bones; lay the fish flat on a dish, pour over it a little salad oil and sprinkle with chopped parsley and remain for an hour.

Mackerel a la Maitre d'Hotel—Clean small, fresh mackerel; take out the roes and fill empty space with plain stuffing or any suitable forcemeat; sew up the slit. Dust with seasoning of salt and pepper, flour and lay them in a baking pan with heads and tails alternating; put a few bits of butter among them and bake for an hour.

Mutton Cutlets, Maitre d'Hotel—Take rather thick cutlets from the rack of mutton and trim them into shape, removing most of the fat. Scrape some new carrots and cut them in halves unless they are very small, then boil whole; boil them in salted water until tender, then drain and put into a saucpan with a piece of butter and little minced parsley, a light sprinkling of pepper, sugar and juice of half a lemon; toss over the fire until nicely glazed, then stand where they will keep warm.

The Vital Reason Why SHREDDED WHEAT BISCUIT surpasses all other foods.

Shredded Whole Wheat Biscuit is made in the most complete, scientific and hygienic food laboratory in the world.

This laboratory is flooded with sunlight through 30,000 panes of glass and finished in white enamel, marble and mosaic—the veritable home of purity—a place where contamination is impossible.

The wheat is first thoroughly cleaned and all light kernels removed, then thoroughly cooked and split into thousands of little shreds; each shred containing thousands of little pores; which gives the greatest surface for the absorption of the digestive fluids of any known food.

This insures perfect digestion and immediate relief from constipation. Order today.
