NO PUBLIC WORK THIS WEEK

List of Employes Will Not Reach Mayor for Approval Until Saturday.

Despite the compromise between the council and the Board of Public Works concerning the street and sewer gangs, there is no liklihood of any public work being done this week. The list of names can hardly be sent to the mayor for approval before Saturday morning, as the transcribing in the clerk's office will require most of today. According to General Foreman Hummel it will require from a half to a full day to get the men up and

ready for work. There is no certainity that the mayor will aprove the list of names or any part of it. He refuses to make known what he will do about it. A rumor was current about the city hall this morning that he would refuse to confirm the 427 names, or a number of them because the council had displeased him by adopting a resolution authorizing the building inspector to name his own assistant and clerk.

Proposals for repairing all the damaged asphalt paving in the city will be opened by the Board of Public Works, Monday

SOUTHERN PACIFIC MUST PAY

Mrs. Molony Gets a Verdict for Twen ty-Five Hundred Dollars Damages.

In the United States circuit court yesterday the sealed verdict in the case of Sarah Molony against the Union Pacific, Southern Pacific and Pullman Car companies was submitted to the court. The verdict gives judgment for \$2,500 in favor of the plaintiff against the Southern Pacific Raliway company and dismisses the case against the Union Pacific and the Pullman Car companies. Mrs. Molony brought suit against the companies for having been misdirected to a train at Ogden, Utah, and for having been subjected to humiliation and annoyance by being placed in a secondclass car when her ticket entitled her to first-class accommodations in a Pullman palace car. She sued for \$15,000 damages. The case has been on trial for the past four days.
