Omaha Boy Lands Safely Three Times One of Them Being for a Home Run, and Also Plays Well in Field.

PEORIA. III., June 13.-(Special Telegram.)-Podge Alloway was easy for Omaha's batters today, and in a game that was unusually exciting from start to finish, the visitors won by a score of 8 to 6. Companion was in the box for "Rourke's tribe" and he, too, was hit hard at times but he was more fortunate in pulling himself out of tight pieces than his opponent. Other than this, either pitcher had poor support, more through bad judgment than real errors, but in this misfortune the home team drew the short end. Of the many features that kept the fans howling was a home tun by Welsh in the fifth. Unfortunate it was that none were on bases, for it was by far the cleanest hit ever made on the Lake View grounds. He

From the very start the game took on the feature of an interesting contest. It was in the second that the visitors scored first. Wright drew the honor, for after reaching second on a two-bagger he went to thied and then scored on two little hifs to the infield. In the third Companion crossed the plate on three well bunched hits, but in the next ioning the slaushter.

THE VALUE OF CHARCOAL

Few People Know How Useful it is in Preserving Health and Beauty.

Nearly everybody knows that charcoal in the safest and most efficient disinfectant and purifier in nature, but few realize its when taken into the human system for the same cleansing purpose.

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intoptines and carries them, out of the system, Charcoal sweetens the breath after smoking and drinking or after eating onlone and other odorous vegetables:

Chargoal effectually clears and improves complexion, it whitens the teeth and further acts as a natural and eminently

It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of catarra.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is Stuart's Absorbent Losenges; they are composed of the finest powdered willow charcoal and other barmiess antiseptics in tablet form, or, rather, in the form of large, pleasant tasting lowenges, the charceal being mixed with

CLAUDE TAKES THE DERBY

Famous Horse Astounds St. Louis Crowd by Easy Canter Home.

FIELD BEATEN BY TWO OPEN LENGTHS

Winner Establishes New Record by Capturing Three Derbies, Though Often Classed as Outsider to Owner's Profit.

ST. LOUIS, June 13 .- Claude, by Lissak -Lida H, with 127 pounds on his back, owned by M. J. Daly, trained by M. J. Daly and ridden by Jockey J. Daly, won the St. Louis Derby, valued at \$12,000, from a good field today. Claude, although overtraveled, over-weighted and overlooked, disposed of his field with amazing ease, winning by two lengths, with something in

reserve. The colt had everything in his favor from the flag-fall. Starter Dade got the field away after two minutes' delay to a good start, Au Revoir, the Bennett candidate, and equal favorite in the betting with the Darden pair, Monsieur Beaucaire and Sloux Chief, at 3 to 2, was first to show, followed closely by Schreiber's aprinter, Deutschland, Claude was fourth. Coburn, on Au Revoir, allowed Deutschland to set the pace, passing the stand the first time, and at the seven-eighths pole made a fast by a neck, Deutschland second, Lendin

third and Claude sixth. Turning into the stretch Au Revoir had enough and surrendered the lead to Deutschland. Here Monsieur Beaucafre was brought up and for a time was in the lead, with the fast tiring Deutschland sec-

end and Bas d'Or third. A mighty shout went up for the Darden candidate, "Au Revoir has chucked it up; Monsieur Beaucaire wins!" Monsieur Beaucaire was coming fast and to all appearance had the race at his mercy. All eyes were centered on him, the popular favorite; the white-nosed horse was winning and a mighty shout went up.

At the sixteenth pole a little horse was seen coming out of the bunch, head down, like a pitching broncho, and mowing down the horses ahead of him with remarkable ease. J. Daly, on Claude, had made his winning move. With the greatest case Claude went into the lead and before the wire was reached had put two open lengths between himself and the field. The best horse won, but the victory was not a popular one. Nobody thought of Claude, he was looked upon as an intruder.

Claude has now three Derbies to his credit, which establishes a new record. In order to get the colt here to race today it was necessary, on account of the high water, to travel by a circuitous route. Claude's last appearance at the track was as a 2-year-old, when a sensational killing was made on him at prices from 100 to 60 to 1. Results:

FORMING CITY TENNIS LEAGUE Movement at Field Club Promises to Bring About Permanent

Organization. Friday night members of several of the tennis organizations in the city met at the Field club to discuss the formation of a city league, and it was decided to go ahead with the organization, which will be knames as the Omaha Lawn Tennis association. An effort will be made to have each club in the city join the association. Each club joining will have representation on the board and the association will arrange the dates for the various club tournaments and open tournaments, so that conflicting dates can be avoided as much as is possible, and also so that the entries will be materially increased by co-operation.

The date for the holding of the city championship tournament was also taken up, and it was decided to split the tournament and hold the singles during the week of July 7 on the Field club courts and the doubles the week teginning July 2 on the St. Croix courts. These tournaments will be open to all city players and it may be so arranged as to include South Omaha players as well.

Wednesday evening of this weak the association will hold its second meeting at the Field club and is desirous of having delegates there from all of the local club courts.

If possible the association will attempt to delegates there from all or the local club courts.

If possible the association will attempt to organize a state association also and hold a state tournament shortly before the inter-state. This tournament is to be held in Lincoln and will be a drawing card for the interstate, it is thought.
