GEORGIA FARMERS ESCAPE WITH FINE

Judge Mulets Guilty Men as Example to Others and Then Suspends Penalty During Good Behavior.

MONTGOMERY, Ala., June 24.—Today in the United States court J. W. Pace, a prominent planter of Tallapoosa county was arraigned on eleven indictments charging him with peonage.

Demurrers were filed in all of these cases, which were overruled and Pace then pleaded guilty and appealed to the circuit court of appeals of New Orleans, making bond in the sum of \$5,000.

MAON, Ga., June 24.—In the United States court Judge Speer imposed a fine of \$100 each on three young men, William Shy, Arthur Chassen and Robert Turner, for holding a negro in involuntary servitude. He suspended the fine under condition, and in so doing said:

In view of the fact that it is the first crime of the kind which has ever occurred in Georgia and because of the frank confession of the young men, sentence is imposed in order to convince the public that the purpose of the court is to warn and not to punish.

The young men, who are farmers, caught a negro who owed them money, gave him a whipping and made him go to work for them. Judge Speer said the problem of the times could not be solved by harsh measures and he wanted it understood that the laws of Georgia prohibited such treatment.

TELEPHONE PROJECT ALIVE

Promoters State Election Will Be Called as Soon as Preliminaries Are Arranged.

The Western Iowa Independent Telephone, Telegraph and Terminal company has not gone out of business and it will be only a matter of a short while before it will be prepared to go before the people of Council Bluffs with its ordinance. It may be a week or it may be a month before we are ready to ask the mayor to call a special election in order that our proposition may be submitted to the citizens.

This was the statement made yesterday by Dr. D. Metcalf, Jr., and T. D. Metcalf, president and vice president of the Western Iowa Independent company. The fact that the company had made no move since its ordinance was approved by the city council to have the mayor call a special election had led to the belief that Messrs. Macrae and Metcalf and their associates had withdrawn from the field, the more so when it was well known that the necessary signatures to the petitions calling on the mayor to issue the call for such an election and for such a purpose had been obtained some time ago.

In explanation of the delay Mr. Metcalf stated yesterday that he and his associates were rapidly getting things in shape to go before the people with their proposition, but in order that there might be no breakdown or hitch they were desirous of having all the preliminaries properly settled before doing so. The preliminary work of starting an independent telephone system, he said, took time and they wanted to have everything fully assured before placing the ordinance before the people, as they did not wish to secure a franchise and then by some chance be unable to carry the construction of the system through.

GOOD TIME FOR DRUGGISTS

Local Committee Prepares Elaborate Program for the State Meeting.

If the weather is any way near as good as the program arranged for their entertainment the druggists who attend the annual meeting of the Iowa State Pharmaceutical association in this city July 14, 15 and 16, will have nothing to complain of and it will not be the fault of the local members if they do not have a thoroughly royal time while guests of Council Bluffs.

The open session of the annual meeting will be held Tuesday evening, July 14, in the ball room of the Grand hotel. While it will be in some respects a business session, the social features will not be overlooked, as there will be music by Whaley's orchestra and several selections by the Mendelssohn Male quartet.
