FINDS BOMB ON CREEK BANK

Small Boy Thinks He Has Discovered a Giant Firecracker.

FORTUNATELY HE DOES NOT TOUCH IT OFF

Police Endeavor to Discover Who Made the Thing and How It Happened to Be Left Where It Was Found.

A small boy, whose name was not disclosed, found a dynamite bomb weighing two pounds yesterday morning on the bank of Indian creek, near Frank street. The stick of dynamite was encased in a steel tube, and at the fuse end there was nearly half a pint of blasting powder. The boy, under the impression that it was a giant firecracker which he had found, took it to the news stand of C. Kringle, on East Broadway, for the purpose of selling it. Kringle, recognizing the dangerous character of the thing, notified the police and the bomb was taken in charge by Deputy City Marshal Leach.

Who manufactured the bomb or how it came to be lying on the bank of Indian creek are matters which the police department is now investigating.

Sees for Loss of Arm.
Albert Woolley has brought suit against the Chicago & Northwestern railroad for \$1,900 damages for being thrown off a train, as he alleges, and losing his right arm as the result of being run over.

The accident occurred May 15 last. Woolley, who had boarded the fast mail train at the local depot, was discovered by one of the mail clerks and was pushed off the car just as the train was passing over the bridge over Indian creek. Woolley struck against the bridge railing and was thrown back towards the train. His right arm fell across the track and the wheels of the rear car passed over it. He was removed to the hospital, where it was found necessary to amputate it between the wrist and the elbow. Woolley, who was a stranger here, was attempting to beat his way out of town. His attorneys, in filing the original notice of the suit, also filed a lien of \$1,000 for their services on whatever judgment Woolley may receive, if any.

Mrs. Thorsden Soon to Be Free.

It now looks as if it will be a matter of but a few days before Mrs. Lizzie Thorsden, whose unfortunate condition has attracted so much attention and sympathy, may secure her release from the county jail and thus be enabled to obtain the medical treatment she is so badly in need of. Her father, who owns a farm near Charter Oak, signed the bond for \$500, which was sent him, but failed to have the document acknowledged, as required. The bond was accordingly returned to him yesterday to be completed, and as soon as it reaches here Mrs. Thorsden will be given her liberty pending her second trial on practically the same charge on which she has been once acquitted.

The unfortunate woman, owing to the lack of proper medical treatment, has since her confinement become an almost physical and mental wreck.

Revival Meetings in Tent.

The Methodist church of this city will unite in a series of revival services to be held in a large tent at Fifth avenue and Twenty-first street. These services will begin next week and will be in charge of Rev. J. W. Abel of the Fifth avenue Methodist church and Rev. Louis Ripley of the Epworth Methodist church. Rev. A. E. Burritt of Trinity church and Rev. James O'May of Broadway church will assist. While Rev. Henry Munster of the German Methodist church will have charge of the singing, a large number of new people are expected for the meetings.

The services at Fifth avenue and Twenty-first street will be continued as long as the interest in them warrants. Then the tent will be removed to the eastern side of the city where another series of meetings will be held which will be in direct charge of Rev. O'May and Rev. Burritt.

(From a Staff Correspondent.)
DES MOINES, June 29.—(Special.)—The report of the state auditor on the records of his office in regard to the fees that have been previously received by state auditors in the matter of examination of insurance companies was filed with the executive council today, but the matter was referred to the governor to be put in the form of a definite statement of facts on which the attorney general may act with intelligence. The records have been made up from reports unofficially made by the insurance companies in response to queries sent out by order of the state executive council. On the new auditor taking possession the first of the year it was found that none of the previous state auditors had ever kept a record of fees received on account of these examinations. The council was advised by the attorney general that this record should be kept. An effort is now being made to perfect it. The companies that were examined the last three or four years nearly all responded with statements of the sums paid examiners of Iowa. The statements show that the companies were mulcted in large sums for these examinations, no record having been kept of the same. As soon as the facts have been arranged and classified the council will make a statement to the public on the matter.

FIRE RECORD.

Big Flour Mills Near York.
YORK, Neb., June 29.—(Special.)—About 5 o'clock this morning a fire was discovered in the upper story of the Red Lion mills, which are located about ten miles south and east of York on the Blue river. The Red Lion mills is one of the oldest flour mills in York county and were built by E. O. Wright of this city in 1872. The mill building is a large three and one-half-story building, with a basement, in which was recently installed the latest improved mill machinery. The mill had a capacity of fifty barrels per day. The owner of the mill, J. H. Beers, was the first to discover the fire. He was eating breakfast when he noticed smoke issuing from the windows and roof of the mill. The building burned to the ground in a few minutes and nothing was saved except a flour packer. In the mill were 1,000 bushels of wheat and considerable ground feed, bran and some flour. The loss will be about \$20,000 and the only insurance was \$10,000 with the German Mutual Insurance company. The cause of the fire is unknown and is supposed to have originated from spontaneous combustion. It is not known whether or not Mr. Beers will rebuild.

WASHINGTON, June 29.—Lieutenant W. G. McCue, First Infantry, who has been absent without leave since June 6, has been located in Chicago.

General Chaffee, to whose department McCue was assigned, has been notified and the disposition of the officer will be in his hands.

A telegram has been received from a woman saying she is the wife of McCue and alleging that he has contracted a bigamous marriage.

CHICAGO, June 29.—Mrs. Ida W. McCue, wife of Lieutenant W. G. McCue, First Infantry, laid before the chief of police today the fact that she had been sent cards announcing the marriage of her husband on June 12 to a Miss Simon of San Francisco.

She says she cannot account for this except on the theory that he has become insane. She and McCue were married here while McCue was an enlisted man, stationed at Fort Thomas.

MORE EVIDENCE OF FRAUD

Groff Fasteners Stored in Basement of Milwaukee Postoffice Fourteen Years.

MILWAUKEE, June 29.—Evidence bearing upon the postal investigation in the Milwaukee postoffice came to light today. Stored in one corner of the basement is a big pile of Groff fasteners that were sent to Milwaukee for some unknown reason and without requisition about fourteen years ago. There are two and one-quarter tons of the fasteners in the basement of the federal building, which probably never will be used unless they are shipped to Washington. None of them has been used.

They came during the early years of the late Postmaster G. W. Porth's term. No one ordered them, so far as it has been possible to ascertain. There was no use for them. There are 1,500 sets of fasteners, each set weighing three pounds. The government paid contract price, \$1.25 per set.

There is also stored in the basement a lot of galvanized iron boxes that are made in Michigan. They were received about two years ago without requisition.

POLICE ARE HELD AT BAY

Attempt to Enforce Sunday Closing at Findlay, Ohio, Results in Trouble.

FINDLAY, O., June 29.—While attempting to arrest Fred Kippen for violating the Sunday saloon closing ordinance, Chief Kramer was shot in the arm and Police Captain Roth narrowly escaped being hit. The police were forcing an entrance when fired upon. Not until Roth had covered Kippen from a side window did he give up and walk out.

Kramer then started to enter the place, but was met with fire from the inside. Five men were summoned from headquarters and the place was entirely surrounded. After one of Roth's shots a cry went up from the inside, indicating that one of the bullets had taken effect.

Today the place was still surrounded, but the police were held at bay, as several attempts to enter were met with firing from the inside.
