SUSPENDS REGULAR MEETINGS TO AVOID INVALID TAXES

Executive Committee of Commercial Club Knocks Off for Summer Months.

The executive committee of the Commercial club will hold no more regular meetings until September. This action, which is usual during the summer, was decided on at yesterday's meeting of the committee. The chairman will call special meetings when matters of sufficient importance come up.

A considerable part of the meeting yesterday was given to a discussion of the Western Classification association's meeting, which will be held July 15 in Charlevoix, Mich., and which it is proposed will make 300 or 400 changes in classification. These meetings, which occur twice a year, are of the greatest importance to shippers, as the men gathered represent all the important western roads. The secretary of the club has sent out complete rates as changed, so that Omaha jobbers may make representations to the association.

Applications for transportation for the trade excursion in southwestern Iowa are coming in too slowly and a circular was sent out yesterday warning all who wished to take the trip to make their notification of such fact immediately. At least seventy men should take the excursion and so far only forty have registered. The committee accepted three new members to the club, F. J. Haskell, Otto Wagner and P. F. Peterson.

The Best Cure for Colds

Storz Blue Ribbon BEER

FACTS ARE THE BEST PROOF!

We do not claim that we sell "one-half of all the beer sold in Omaha." It would leave very little for the many other breweries doing business here. But we really give you the daily average output of our "Blue Ribbon" bottled beer for the month of June:

24,900 Bottles,

and sales steadily increasing. This shows plainly what people think of Blue Ribbon Beer. They appreciate the good qualities of this excellent family beverage.

Bottled at brewery only. Prompt delivery.
