MORE SCRAPPING THAN BALL Omaha and Des Moines Plays Game in Walco Unpiring Outs a Figure. ROURKE IS ORDERED OFF THE GROUND When the linst Had Cleared Away fi Was Discovered Des Moines Had Won by a Score of 4 to 1.

Chicago Philadelphia

DES MOINES, June 20 .- (Special Telegram.)-The Undertakers won the game this afternoon by a score of 4 to 1. The scrapping of both teams throughout the game was a feature. The league umpire failed to

put in an appearance, so Barry for Des Motnes and Thomas for Omaha officiated. A bad decision from one, whether intentional or otherwise, brought forth one just as bad from the other umpire, thus keeping things at fever heat. Bill Rourke, who was on the bench, had much to say, and Barry called a policeman to put him off the grounds. Captain Quinn, however, inter-

vened and Rourke was allowed to stay. The trouble started early in the game, when balls were called strikes and vice versa, according to who was umpiring at the time and what team was at bat. Morrison and Milton were equally

matched, and both pitched good ball. It was a pitchers' and an umpires' battle throughout. Omaha made its one score in the fourth inning on an error by Fohi and hits by Wright and Hickey. Des Moines made two in the second on a single, a double and a muffed throw by Shugart. Another in the fifth and one in the eighth made up the total.

NEWPORT, R. L. June 30 .- Reliance scored another decisive victory over Constitution and Columbia today in a fifteenmile thrash to windward and return. Beat for heat Constitution won over Columbia but time allowance will probably give th

latter second place. The new craft sailed ST. PAUL R.H.O.A.E. the course in 7:02 less time than Constitu tion and \$:01 less than the older boat Constitution covered the thirty miles in 9:59 less time than Columbia.

The race was sailed in a breeze of from ten to twelve miles strength and after Point Judith had been left behind out to the weather mark a long rolling sea was met. Reliance dipped desper into the waves than either of the older boats, but without apparently retarding its speed. On the contrary, the new craft seemed to like the water, for it was at this point it walked away from its opponents the fastest. Columbia also gained over Constitution in the rough water going to windward, outpointing and outfooting the latter. Summary:
