WANTED-MALE HELP.

SUMMER TERM OPENS JULY 6TH.

Boyles Metropolitan BUSINESS COLLEGE

The courses in this school are more than an indifferent knowledge of bookkeeping, shorthand and typewriting. Their scope is far more comprehensive. They embrace the entire range of the practical affairs of life, including just such knowledge as is required by every man in the transaction of his ordinary duties. They supply an education adapted to the prevailing business requirements of today.

SHORTHAND COURSE

Including shorthand, touch typewriting, mimeographing, indexing, ordinary letter filing, vertical letter filing, card indexing, spelling, PENMANSHIP, letter press copying. manifolding, business correspondence, punctuation, practical grammar and office

MAKE NO MISTAKE

We advise young persons seeking a business education to shun that class of schools which allow discounts from published prices to secure patronage, and make the price of tuition a subject of "dicker." No principle of business is better established than that every commodity is sold for a price in proportion to its actual value. Cheap tuition means cheap instruction, and that is DEAR at any price.
