CUDAHY HOME NOT PILLAGED Police Believe that Prompt Arrest of Suspicious Character Prevented Burglary. By the arrest of John Russell Wednesday by Officer Foley the police believe a burglary at the residence of Edward A. Cudahy at Thirty-seventh and Dewey avenue was prevented. Russell was seen with a companion prowling around the Cudahy residence and Officer Foley started to arrest both of them. Russell's companion ran and made his escape. The officer, however, succeeded in capturing Russell and taking him to the station. In explanation of his presence at the house Russell said he was a tinner from Chicago and desired to secure from Mr. Cudahy transportation back to that city. For that purpose he was at the house. The arrest was made between 3 and 3 o'clock. At the time there was no one at home at the Cudahy house and the police believe that Russell and his companion, knowing this, were contemplating burglary.
