Life-Termer in Penitentiary to Be Made a Free Man on July 4.

ONLY ONE WHO IS ELIGIBLE UNDER ACT

Seventy-Three Applicants Granted Permission by State Board of Realth to Practice Medieine in Nebraska.

(From a Staff Correspondent.) LINCOLN, July 2.-(Special.)-Martin Haley of Boone county, who celebrated New Year's day in 1888 by becoming a star boarder in the state penitentiary under sentence for life, will celebrate the Fourth of July by taking his departure from that hostelry under the "Fourth of July Pardons" act. His pardon has been recommay become a convict, bearing chiefly upon the question of good conduct as a prisoner. made this afternoon, is indorsed by Chief the governor to accept the recommendation of this commission, there is no question entertained that he will do so in this state. instance, so that there seems to be noth-

The law authorizing the pardoning of prisoners on July 4 imposes only the limitation that they must have been confined for at least ten years, and there may be two of them on each Fourth of July, but in this instance there is but one prisoner in the Nebraska pendentiary who is eligible under the ten years' limitation. Warden Beemer says that there are others whom it would not be amiss to pardon, but they have not served ten years and that it would be of no use to recommend them for parwould not indorse the recommendation.

### Jamps the Track.

1

The St. Louis and Portland express on the Burlington was wrecked near Woodlawn this morning. The tank left the rails, taking the mall, baggage and smoker with it, but no one was injured. The roadbed was torn up for about 300 feet. Superintendent Bignell sent to Lincoln at once for another engine, two coaches and a baggage and mail car, and in a few hours had the happened at a point where it was possible to make one of the side tracks available price right here in York for use, and this made it possible to get the traffic started without waiting for the

It's as uscless to try to get better fitting, cooler better-for-you prices than we make, as it is to quarrel with the milkman-he'll make you take water every time.

HALEY IS TO GET A PARDON main track to be rebuilt. The line was in They Want Jobs.

> The labor commissioner's mail has been augmented in the past few days by communications from eastern young men, misled by a dispatch sent out from Omaha to the effect that students of eastern colleges would be given invitations to come out and help harvest Nebraska's big grain crop, offering obeap rates to the west and big wages when they arrive. One letter that came today was from a Princeton graduate who wants to be placed next. He is attending a law school in New York City, and says he knows a number fellow collegians who will come west they can get something worth while in the wage line for harvesting. All of the correspondents are anxious about the pay. and several confidentially inform the commissioner that they do not drink or amoke.

To Protect the Birds.

Game Commissioner Carter is going into the bird teaching business-that is to say, into the business of teaching the young of the state to love the birds. He wants to Bruner and Superintendent Fowler. His He has been known as No. 1321. The plan is to print cards having thereon picrecommendation of the warden, which was tures of the birds and reasons why they should not be harmed. Another part of Justice Sullivan and Attorney General the card will point out that a \$5 fine is Prout, and will be signed by Secretary levied by statute for kiving them. The Marsh upon his return from Fails City policy of the department is "law for the tomerrow. While it is not mandstory upon old and education for the young," and the department anticipates the co-operation of farmers and school teachers throughout the
