THE VALUE OF CHARCOAL Pew People Know How Uneful It to In-

Preserving Health and Beauty. Nearly everybedy knows that charcoal to the safest and most efficient disinfectant week 120, was the first illness that the and purifier in nature, but few realize its deceased had ever suffered. Mrs. Merrigan value when taken into the human system for the same cleansing purpose.

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system. Charcoal sweetens the breath after smoking and drinking or after eating onions and other odorous vegetables.

Charcoal effectually clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic. It absorbs the injurious gases whret col-

lect in the stomach and bowels; it disinfects the mouth and throat from the poison of catarrh. All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is Stuart's Absorbant Lozenges; they are composed of the finest powdered willow charcoal and other CLEVELAND, O., July 11 .- The funeral harmless antiseptics in tablet form. or,
