Railroads, Says Commerce Commission Chairman, May Not Discriminnte in Stockholders' Favor.

NEW YORK, July 16 -A minority stock Kan. holder of the Hocking Valley Railroad Kan,

company has received the following letter | from Martin A, Knapp, chairman of the Interstate Commerce commission:

The ownership of stock in a railroad company by a shipper doe not entitle him to any better rates or advantages than those granted to shippers generally. Any concession to a shipper because of his ownership of stock would be a plain viola-tion of the law. If you have knowledge of facts showing a discrimination of this sort was discovered. A light wind drove the dropped dead at midnight while speaking blaze into the main structure and the halls at a banquet closing the annual convention and rooms on every floor were filled with of the brotherhood. smoke before the inmates, some thirty in facts showing a discrimination of this sor-it is a subject of proper investigation by the commission. number, were awakened. hall and heard Dr. Rogers calling for help. when he fell backward and expired a few
