EQUALIZE THE ASSESSMENT

Board Practically Completes Its Work So Far as Counties Are Concerned.

DOUGLAS WILL NOT GET LEVY ASKED FOR

Independent Company Coming Into Lincoln Starts What is Likely to Be a Lively Telephone War.

(From a Staff Correspondent.)

LINCOLN, July 23.—(Special.)—The State Board of Equalization has practically completed its work and all that is necessary now is to wait for a few more parties who are expected to protest and to run over the figures again to make sure that the work has been well done. The board has adjourned to meet at the call of the chairman.

Douglas county will not get its 4½ mills levy that the representatives of the Omaha Real Estate exchange asked for. While it has not been definitely agreed upon, more than likely the levy in Douglas county will be a little over 6½ mills.

The returns of the county assessors show considerable increase over last year, though some counties have decreased. The following table shows the total assessment by counties of last year and this:

Counties.	1902.	1903.
Adams	$ 2,760,572 80	$ 2,700,140 78
Antelope	1,038,000 00	1,000,000 00

Telephone War On.

The telephone war is on in Lincoln and the indications are that some mighty good bargains will be offered before the finish. It all came about by the independent company securing a franchise to put in a system in here in opposition to the Nebraska Telephone company.

The new company, which incorporated under the name of the Western Union Telephone company, and which has since changed its name to the Lincoln Telephone company, has begun the erection of a building on Fourteenth street between M and N, to cost when completed, with the switchboard and fixtures in place, $150,000. The company has also begun on its underground construction on Fourteenth street from N to C streets. The company expects to put in an automatic switchboard with a capacity of 10,000 'phones, and the contract with the city calls for the system to be in operation by February with 2,000 'phones. The rental per month per 'phone is considerably less than that now charged by the Nebraska people and according to the Lincoln company promoters they are having no trouble in securing subscribers.

This company is issuing bonds not to exceed $400,000, to draw 6 per cent interest and the contract with the purchasers is to the effect that the money is to be paid in installments, the last to be paid when the 'phones are put up and are in running order.

Apparently the Nebraska people were paying no attention to the doings of the Lincoln company until this morning, when subscribers of that system received a circular letter and pamphlet from President Yost. In this letter Mr. Yost agrees to sell to anyone stock in his system for $100 a share at par, paying 6 per cent interest. He is offering for sale $400,000 worth of the treasury stock. In his circular and pamphlet he states that in Lincoln his company during the year 1902 had made 7⅝ per cent on the money invested. The actual profit of the company, Mr. Yost states, throughout Nebraska is from 7 to 8 per cent on the investment. Of this 6 per cent goes to pay the dividends and the difference is used in making repairs and building up the system. He then recites the loss sustained by the company in a sleet storm last spring and tells of the annoyance and worry of having two systems in a town. He tells subscribers that a second system will cost them more for the reason that they will be almost compelled to take both 'phones in order to keep their customers and transact business. In the pamphlet Mr. Yost sent out he has a table showing the number of subscribers where there is competition to show the added cost and that most people take both 'phones. He claims that his rates are not too high, but that gradually he is making reductions and expects to do this through the sliding scale or pay for what you get idea. He cites several instances where the independent companies have started out at a lower rate and later have tried to increase their charges. In the meantime the people are saying very little and the Lincoln company is thoroughly canvassing the town. The Lincoln company expects to have its system in operation by December.

Orders for G. A. R.

Department Commander Lee S. Estelle of the Grand Army of the Republic has issued an order relative to the National encampment of the Grand Army of the Republic to be held in San Francisco, beginning Monday, August 17. On the 18th will occur the grand parade of the army, navy and civil organizations, and on the 19th the Grand Army will parade. Representatives and members of the encampment will meet at Nebraska headquarters, Palace hotel, at 10 a. m. August 18, when badges of membership will be issued. The commander urges those expecting to go to take with them heavy underwear and outer clothes to prevent taking cold when nearing the city. He is desirous that as many as possible of the department officers, delegates, past department commanders, comrades and friends accompany him on the official train.

The commander in his order requests post commanders to send in the names of live, energetic comrades as an aide. The post commanders, he said, were not taking the interest in the matter that they should.

Company Refuses Business.

Henry L. Haupt, president of the Montana Mine Loan & Investment company, has filed a suit in the supreme court against the Pacific Express company for a writ of mandamus to compel the company to handle his express. After citing the business transacted by the mining company, Mr. Haupt includes in his brief an affidavit stating that the express company had on occasions refused to accept shipments from his company, and he believes that unless the supreme court compels the company as a common carrier to accept all the express the mining company will pay for, that the express company will continue to refuse his shipments, to the annoyance and inconvenience of the mining company. On July 14, 1903, said Mr. Haupt, he gave the express company a package containing certificates of stock, prospectus and other matter and that the company refused to ship it out even after tendered the money to pay for it.

The suit was brought in the supreme court, said the writer of the brief, because otherwise suit would have to be brought in every county in the state wherein the express company did business, consequently quicker action could be had by coming to the supreme court.

Held for Wife Desertion.

YORK, Neb., July 23.—(Special.)—Sheriff Brott returned with William Purmort from South Dakota. He is charged with deserting his wife and two children who are residents of this city. At the hearing before the county judge it appears that Purmort fell heir shortly before leaving to $1,200 willed to him by his brother. From the evidence Purmort was rather extravagant and had a high old time at Omaha and other places, where he spent $500 in two days. Mrs. Purmort testified that her husband gambled. The court considered the sum of $400 bond sufficient to place the prisoner under until the next term of district court and said that if the prisoner would furnish bond of $200 to appear, with guarantee to support his family he could go free.

Bold Forgery at Papillion.

PAPILLION, Neb., July 23.—(Special.)—What appears to have been a very audacious forgery occurred here yesterday. It seems that a stranger went to the butcher shop of Frank Heisel and presented a check for $35 which was cashed by a daughter of Mr. Heisel. It is said the check was signed by a prominent man of Papillion. When the check was presented at the bank it was found to be a forgery. Miss Heisel says she cannot give any description of the stranger and apparently does not want to talk about the matter.

Wheat Yield Light.

EDGAR, Neb., July 23.—(Special.)—Farmers have all their wheat in shock and much of the wheat is in the stack. A large proportion, however, are threshing and marketing their wheat with as little delay as possible. No little surprise is felt by farmers at the lightness of the yield, as the general expectation was that the yield would be rather heavy. The weather has been fine for harvesting and the wheat is well taken care of.

Child Drowns in Can of Milk.

WOOD RIVER, Neb., July 23.—(Special.)—The year-old baby of Grant Afferbaugh and wife, living five miles north of Wood River, was drowned in a can of milk this morning. The parents were both away from home at the time. The little one was playing near a can of milk and accidentally fell in and before assistance could reach it it was dead. The funeral will be held tomorrow and interment will be in the Cameron cemetery.

CHRONIC SORES

Signs of Polluted Blood.

There is nothing so repulsive looking and disgusting as an old sore. You worry over it till the brain grows weary and work with it until the patience is exhausted, and the very sight of the old festering, sickly looking place makes you irritable, despondent and desperate.

A chronic sore is the very best evidence that your blood is in an unhealthy and impoverished condition, that your constitution is breaking down under the effects of some serious disorder. The taking of strong medicines, like mercury or potash, will sometimes so pollute and vitiate the blood and impair the general system that the merest scratch or bruise results in obstinate non-healing sores of the most offensive character.

Often an inherited taint breaks out in frightful eating sores upon the limbs or face in old age or middle life. Whenever a sore refuses to heal the blood is always at fault, and, while antiseptic washes, salves, soaps and powders can do much to keep down the inflammation and cleanse the sore, it will never heal permanently till the blood itself has been purified and the deadly germs and poisons destroyed, and with S. S. S. this can be accomplished—the polluted blood is purified and invigorated, and when rich, pure blood is again circulating freely throughout the body the flesh around the old sore begins to take on a natural color, the discharge of matter ceases and the place heals over.

SSS

S. S. S. is both a blood purifier and tonic that puts your blood in order and at the same time tones up the system and builds up the general health.

If you have a chronic sore write us and our physician will advise you without charge.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

FIREMEN'S TOURNEY ENDS

Most Successful Event in the History of State Association.

NORFOLK IS CROWDED WITH VISITORS

Three Days of Pleasure and Contest Wound Up with a Brilliant Street Pageant in Evening.

NORFOLK, Neb., July 23.—(Special Telegram.)—Tonight brought a close to the official program of the eleventh annual tournament of the Nebraska Volunteer Firemen's association in this city. It was an end to three days of the biggest and most successful series of racing events ever held in the state, and it brings a grand finale to the largest attended meet yet known. With the grand pageant of the Royal Tiger club, whose floats have been in course of construction for many weeks, the last night of the tourney terminated.

John C. Cleland of Fremont, Royal Tiger the I., occupied a float of honor in the parade. He was the originator of the association. Leading the procession of mystic carriages was that of the state queen, Miss Ella Flynn, who has cheered the York boys through their racing. Her attendants were Miss Kate Glass and Miss Bessie Wiley of York. Upon a floral float rode Miss Edith McClary, Lady of Klofron ("Norfolk" inverted) and several other floats were in line. Following was the line of march:

FIRST SECTION.
Chief of Police.
Commissioned Officers Company L.
Band.
Officers N. S. V. F. A.
Norfolk Fire Department and Visiting Firemen.

SECOND SECTION.
Band.
Flambeau Club.
City Officers.
Traveling Men's Club.
Civic Societies.

THIRD SECTION.
Band.
Company L as Guard Line for Floats.
Queen's float.
Storm King Float.
Lady of Klofron Floral Float.
Royal Tiger Float.
Egyptian Float.
The Great Manchurian Dragon.

Concessions Do Big Business.

The crowd during today and this evening has been one of the largest ever known in Norfolk. Every train coming in today brought enthusiastic backers of their particular teams and the interest ran very high at the track all afternoon.

Tonight the streets are a perfect bedlam. Thousands crowd every avenue and it is a good trick to wedge your way through the crowd. There are bands playing, spielers shouting for their midway attractions and firemen celebrating their victories of the tourney. Every available inch of space along Norfolk avenue is taken with some concession or other and they are all, from the "hot dog" man to the "Gay Paree" people, doing a tremendous business.

Many hundreds of the visitors are staying up all night long, to "do" the town and take in the sights. They have been jolly, good fellows in the racing together, and they are rounding it all out tonight. A wrestling game held the center of the track tonight at 9:30.

This morning Grand Island won the water fight against Holdredge and the wet hose race resulted as follows: Humboldt first, time 32 2-5; Holdrege second, time 42 1-5; Kearney third, time 42 4-5.

The cash prizes have amounted to nearly $2,000, and every team has taken a share away.

Stanton the Champions.

Stanton carries home the championship belt. The team made a beautiful run in 33 3-10. Fremont made it last year in 33 9-10. Seward and Fremont tie for second place, 33 9-10. York ran in 34 7-10 and Kearney failed to couple.

In the straightaway, class A, 250 yards, York won; time, 29. Stanton was second, Fremont third, Seward fourth and Kearney fifth.

Norfolk won the straightaway, class B; time, 32½; Holdrege second, Humboldt third and Clarks fourth.

The state championship race, class B, was won by Holdrege; time, 28⅝; Norfolk second and Humboldt third.

Grand Island won the state championship hook and ladder race, class A; time, 41⅝.

Pierce won class B championship; time, 46⅝.

In the handicap footrace Hainer won his third heat and the race; time, 15⅝. Sharp of Stanton was second, Bennish of Norfolk third.

In the state championship coupling contest York won in the state championship.

Ladder climbing, class B, Felsch of Stanton won; time, 4⅝; Burger of Grand Island second; time, 5; Krueger of Grand Island third; time, 5⅝.

Chairman Johnson of the Board of Control calls it the best tourney ever.

Surveyors Start Work.

FREMONT, Neb., July 23.—(Special.)—Work was commenced by surveyors today on running the lines for the Fremont power canal. The surveyors left this city this morning. They will commence work just north of Cedar Bluffs, where the line of the canal crosses the tracks of the Lincoln branch of the Northwestern and work both east and west from that point. The two gangs are working in three sections, one taking levels, one the triangulation and one cross sectioning. The work will probably take from a month to six weeks. A number of Fremont young men have secured jobs with the surveyors.

Quarrel Over Ditches.

FREMONT, Neb., July 23.—(Special.)—The board of supervisors has spent most of this week viewing ditch sites and discussing drainage ditches and much of the discussion has been pretty warm. This morning there was a brisk interchange of compliments between Messrs. Mead and Naves on the one side and Hepburn and Parkert on the other, the minority claiming that the Platte valley got the best of it in improvements generally. All the numerous ditches prayed for were granted except that of John Emanuel, which was turned down by a vote of six to one, although the ditch committee had reported favorably on it.

Seriously Injured by a Horse.

BEATRICE, Neb., July 23.—(Special.)—George Spear, a farmer residing two miles southwest of the city, was seriously injured by being kicked by a horse yesterday afternoon. He was engaged in hauling grain from a threshing machine and while hitching a team to a wagon one of the horses kicked him in the breast, knocking him down. In falling he struck his head against the threshing machine and received an ugly scalp wound. Mr. Spear is past sixty years of age, but it is thought no serious results will follow.

Beatrice Man is Missing.

BEATRICE, Neb., July 23.—(Special.)—The family of Charles Kuhn are at a loss to know of his whereabouts and are much worried because they are unable to hear from him. He left this city several months ago on a health-seeking trip to Mexico, and only last week reached Denver on his way home. He left that city Sunday for Beatrice, but as yet he has not put in an appearance. Owing to his enfeebled health Mrs. Kuhn fears that her husband has met with some misfortune.

TECUMSEH GIRL'S SAD ENDING

Marries a Man Who Kills Her and Himself on Wedding Night.

TECUMSEH, Neb., July 23.—(Special.)—Mr. and Mrs. W. L. Dunlap of Tecumseh have received the news of the death of their daughter, Grace E., which occurred in Washington, Pa., Tuesday, July 7. Miss Dunlap taught school in Edgemont, S. D., last year and while so employed formed the acquaintance of Rev. A. B. Young, pastor of the Presbyterian church in that city. The friendship between the young minister and Miss Dunlap ripened into love and they became engaged to marry. Miss Dunlap left Tecumseh July 1 ostensibly for the purpose of going to Lincoln to have her eyes treated, but it seems she did not tarry in the capital city. She went on to Pittsburg, Pa., and was there married to Rev. Mr. Young. From Pittsburg they went immediately to Washington and stopped ta the leading hotel. A disturbance was heard from their room during the night but the hotel people paid no attention to it. Upon their failure to arise the next morning, however, their room was forced open and a sight was beheld which was horrible in the extreme. The woman lay on the bed with two big holes in her heart while the man was stretched out on the floor with a similar wound. His hands were thrown over his head and in one of them he clutched a 32-calibre revolver—the weapon which had done the fatal work.

Rev. Mr. Young's parents, respected and well-to-do people who live in a little town in Pennsylvania, were informed of the tragedy and took the remains of both the victims to their home town and there buried them. Presumably they did not know who the relatives of the woman were for they sent no word to this city.

From what can be learned it would seem that the Rev. Mr. Young was a rascal in the fullest sense of the term. It appears that he had not only played crooked in a financial way in places where he was employed before going to Edgemont, but that he was previously married, had secured no divorce from his former wife and that he deserted her and his little son.

DIES IN CHAIR OF DENTIST

Woman Expires While Having Teeth Extracted in Hastings Dental Office.

HASTINGS, Neb., July 23.—(Special Telegram.)—Mrs Norah Blue of Juniata, died at 10 o'clock this morning in Hastings while having her teeth extracted in Dr. I. A. Geoge's dental office.

Dr. Schaufelberger administered chloroform and ten or fifteen teeth had been removed when she rallied sufficiently to arise and expectorate. She then sank back and died.

The deceased was a widow with one son 5 years old and she lived upon her farm near Juniata.

Dr. Schaufelberger says that Mrs. Blue passed a splendid examination and that only one-half an ounce of chloroform was used and that frequently it is necessary to use as much as two ounces to put one under the influence.

FIRE RECORD.

Charged to Incendiaries.

POCOHONTAS, Ia., July 23.—Incendiaries are believed to be at the bottom of as severe a fire as has been experienced in this place for years. Three large business buildings are in ruins this morning, and the total loss will foot up to $15,000, with $7,000 insurance.

About 2 o'clock this morning a blaze was discovered in the hallway between the Ross & Co. drug store and the Exchange Bank building. Considerable security was felt owing to the fact that a new system of waterworks had just been established, and no doubt was felt that the flames would be put out after the first alarm was given. But this confidence soon gave way to genuine fear, for it was a considerable length of time before the engine in the waterworks could be started. By the time water was flowing the fire had gained such headway that nothing could stop its fury.

The City Exchange bank, Ross & Co.'s drug store and McIntire's furniture emporium were occupants of separate buildings, and this morning nothing remains but the ruins of the former structures. E. G. Martin occupied the building jointly with the Ross & Co. drug store. After the water in the mains commenced to flow it was found that the pressure was very low and of scarcely any value.

Beatrice Residence Destroyed.

BEATRICE, Neb., July 23.—(Special.)—The dwelling house of Frank Tichnor, located in South Beatrice, was destroyed by fire last night about 11:30 o'clock with all its contents. The building was valued at $1,200 and was insured for $700. The furniture was insured for $400. The fire was caused by a pet dog knocking the lamp over.

Big Corn Crib.

BEATRICE, Neb., July 23.—(Special Telegram.)—A crib containing 3,500 bushels of corn and a large barn with all its contents was destroyed by fire yesterday on the farm of John Lenners, near Filley. Three head of horses perished in the flames. The loss is estimated at $7,000, partially covered by insurance.

Bridge is Burned.

TOPEKA, Kan., July 23.—The Santa Fe bridge on the main line, near Laking, in Lyon county, was destroyed by fire early today. Traffic was delayed until after noon. Through trains from Kansas City and the west were sent over the Ottawa cutoff.

HYMENEAL.

Three Weddings at Beatrice.

BEATRICE, Neb., July 23.—(Special.)—Three marriages occurred in this city yesterday. At 4:30 p. m. Rev. D. L. Thomas officiated at the marriage of Mr. Benjamin Lightner, of Diller, Neb., and Miss Nellie Burket, of Lanham. At 7 p. m. he united Mr. Donald McCollery and Miss Elmira Howes, both of this city, in the holy bonds of wedlock. At the same hour the marriage of Mr. Elmer Torbert and Miss Olive Freeman was solemnized at the Congregational parsonage, Rev. G. W. Crofts officiating. The groom is a resident of Denver, where the young couple will make their future home.

Donation to Auditorium.

Twenty-five per cent of its receipts from cash subscriptions will be donated by the Omaha Commercial to the Auditorium building fund. The period which this donation is to cover is that between July 27 and August 30. The offer of the donation was accepted by the directors of the Auditorium at the meeting held Wednesday evening.

The Omaha Commercial is a new weekly paper established by Edgar S. Bradley, formerly connected with the World-Herald. It is devoted to business and industrial news.

A·B·C BOHEMIAN

Pure, Pale and Sparkling. Bottled Only at the Brewery in St. Louis.
Order from H. May & Company

DR. MILES' Anti-Pain Pills

Pain Relieve Pain

Quickly and effectively in all cases of Nervous Headache, Sick Headache, Lumbago, Sea-Sickness, Car-Sickness, Irritability, Periodic, Bearing-Down and Ovarian Pains.

"I have been troubled a great deal with sick headache and vomiting. The spells came on me at regular intervals. Dr. Miles' Anti-Pain Pills was recommended by a friend, and I began taking them whenever occasion required. They always cured the headache and relieved the distress in my stomach. I very seldom have these spells now, but when I do, it is when I am very tired and nervous, but one pill always cures me. They have saved me much suffering, and I gladly recommend them."—MRS. SUSIE OGIERS, North Platte, Neb.

MR. H. R. HAVENS, one of "our boys," recently returned from service in the Philippines, formerly of Atkinson, Neb., but now living at 1127 Olive St., St. Louis, writes: "I have been a sufferer from sick headache all my life until about two years ago, when I began using Dr. Miles' Anti-Pain Pills, the first dose affording me almost instant relief. I have never found anything that does the work as they do, being entirely different from other headache remedies, in that they are not in the least depressing. Whenever I feel that dreadful sickness coming on I take a Pain Pill, which always wards off the attack."

"For many years I have been a constant sufferer from neuralgia and headache, and have never been able to receive any relief from various headache powders and capsules, until I tried Dr. Miles' Anti-Pain Pills. They always give me relief, curing my headache in five minutes time. They are the finest remedy for pain that I have ever used, and I will never be without them."—FRED H. SWINGLEY, Cashier First National Bank, Atkinson, Neb.

"I have used Dr. Miles' Anti-Pain Pills for pain in my side and shoulders, and received great benefit from them. My husband had neuralgia in his head, and suffered terribly. The doctor injected morphine, but it gave him no relief. I then gave him Anti-Pain Pills, and in a very short time he was relieved of his suffering. We think they have no equal, and are glad to testify to their merits."—MRS. MONROE JONES, David City, Neb.

"I had suffered a great deal with headache, and have found that Dr. Miles' Anti-Pain Pills always give me relief. I know of nothing better."—MRS. H. R. NEIGH, Virginia City, Nevada.

Pills cure Headache

Neuralgia, Rheumatism, Sciatica, Backache, La Grippe, Pain in Stomach, Ague Pains, Indigestion, Dizziness, Nervousness and Sleeplessness.

"Ever since I was a little girl, I suffered with nervous headaches, and as I grew older they became more severe, and would confine me to my bed for two and three days at a time. The pain became so severe that my head was drawn back, and my suffering was dreadful. I found nothing that would help me until I commenced to use Dr. Miles' Anti-Pain Pills, which have greatly benefited me. For the last two years, when I feel one of my headaches coming I take one pill, which gives immediate relief. I have never been compelled to give up and go to bed since using them."—MRS. GEO. SCHMELZEL, Falls City, Neb.

"Dr. Miles' Anti-Pain Pills have saved me a great deal of suffering during the past two years. For years previous to this I had terrible spells of nervous and sick headache, which nothing I could get would relieve. A friend wanted me to try Anti-Pain Pills, which I did, and to my surprise I got quick relief. When I take a slight cold, or feel headache coming on, I take a Pill one to three times a day, and they invariably help me."—J. KNOTTS, Beatrice, Neb.

"I use Dr. Miles' Anti-Pain Pills, and don't know how to get along without them, as nothing else that I can find will stop sick headache for me. Until recently I had spells of headache every few days, so severe as to seriously interfere with my business. I found Anti-Pain Pills relieved the pain at once, and I now use them as a preventive with great success."—L. J. BLOWERS, David City, Neb.

"During the past five years I have used Dr. Miles' Anti-Pain Pills for all kinds of unpleasant sensations, headache, backache, and stomachache, and I wish to say it is the best remedy I have found. I consider them truly wonderful."—HENRY C. URBANER, Sutton, Neb.

"I have been subject to headaches nearly all my life, and never found anything so effectual as Dr. Miles' Anti-Pain Pills. They invariably help me and my family. They relieve almost instantly and prevent attacks if taken in time."—S. A. BEAR, Palmer, Neb.

Dr. Miles' Anti-Pain Pills are sold by all druggists, 25 cents a box, under a positive guarantee that the first box will benefit or money refunded.

The Genuine Dr. Miles Remedies are Never Sold at Cut Prices.

SHERIFF FOOLS THE CROWD

Jett and White Taken to Cynthiana by a Ruse.

SATURDAY THE DAY SET FOR TRIP

Captain Ewen Leaves Jackson for Lexington and Will Then Go to Cynthiana to Testify for the State.

LEXINGTON, Ky., July 23.—Curtis Jett and Thomas White, indicted for the murder of J. B. Marcum at Jackson, who have been in jail here for safekeeping, were quietly spirited away from the Fayette county jail at 6:45 this morning, put on the 7:05 Louisville & Nashville train and taken to Cynthiana, where they are to be tried by Judge Osborne, July 27.

They were taken by Sheriff Lash and his deputy, under an order of the circuit court, and only the jailer and the officials knew of the movement. The arrangement announced several days ago to bring troops here and take them Saturday morning now turns out to have been a ruse to avoid excitement. Both men were calm.

Ewen Goes to Lexington.

JACKSON, Ky., July 23.—Captain Ewen left today for Lexington. He will go to Cynthiana Sunday to testify against Jett and White. Ewen was escorted by soldiers as far as Torrent.

At that place the troops left the train and escorted Charles Green, a witness before the grand jury who has been threatened, back to Jackson. Green is to testify in the Cockrill case. It is claimed that he saw the man who fired the shot that killed Cockrill.

Green told a story to the grand jury which, it is believed will result in the indictment and arrest of certain officials of the county on charges of bribery and accessory to the murder of Marcum.

Guilty of Manslaughter.

PEORIA, Ill., July 23.—The jury in the case of Jack Muira, who has been on trial for more than a week for the murder of Joe Ciscerone, today found the defendant guilty of manslaughter. In a duel with knives at Chillicothe two months ago Muira inflicted nineteen stiletto cuts on Ciscerone. They were Italians and the quarrel originated when they were boys in Italy. Muira's plea was self-defense.

Permit to March is Refused.

NEW YORK, July 23.—Acting Police Commissioner Ebstein today refused a permit to march through the streets to Mother Jones and her "army" of textile workers. Mrs. Jones came over from Jersey City, where the "army" is, to make the application.

Once is enough for most people.

You never hear of a man eloping more than once—or attending a sale when the "reductions" are myths the second time.

Those who attended our last January "Get-Busy Sale" are taking advantage of our present cut in prices of summer wearables. They saved money then. They're saving money now. Saving money on feather-weight Homespuns, Serges, Worsteds and Crashes. So can you. Why not?
