Military Revolver Match: Open to everybody rapid fire 15 and 25 yards, and slow fire 25 and \$60 yards; first prize, sliver cup, \$60, presented by Captain T. F. Cooke; also \$10, \$5 and \$3.

The adjutant general of Iowa today re-

The adjutant general of Iowa today received notification that there has been shipped from the Rock Island arsenal to him a consignment of 1,500 new government rifles with cartridge boxes, etc., for the use of the Iowa National guard. The

guard already had 542 of then Preparing for Labor Day.

Labor day preparations are already being made by the workingmen in the state and engagements for Labor day speeches are now well completed. President Gompers of the American Federation of Labor, who delivered a Chantauqua speech at Fort Dodge a few days ago, will probably be engaged to speak at Ottumwa, and if he goes there, A. L. Urick of this city, president of the Iowa Federation, will go there also. E. D. Brigham, state labor commissioner, has declined to speak, on account persons were injured, two fatally, in a of pressure of business. A. E. Holder, assistant state labor commissioner, is to speak at Centerville with William B. Wilsor of Indianapolis, of the United Mine of attempted murder of George Cunning-Workers. Prof. Claude Davis of the chair of economics at Drake university has been engaged to speak in Council Bluffs. Arrangements are being made for a meeting ley Stafford of Sioux City. Keokuk will happened. He had not been at his home have John White, secretary of the District for several days, but stopped at a hotel and have "Mother" Jones, the strikers' friend, and "Tom" Kidd. At Cedar Rapids arrangements are being made for a joint celebration of Labor day with other towns and Edgar E. Clark of the conductors and P. J. Morrissey of the trainmen are to be the speakers. No outside speaker will be brought to Des Moines, but there will be a

local recognition of the day. Decline to Fix an "lowa Day." The Iowa commission on the Louisiana Purchase exposition has declined to fix upon an "Iowa day" at the exposition at the present time. It was practically agreed that June 17 should be the day, but the ommission decided upon waiting until such a time as the commission at St. Louis can definitely announce reduced rates. The matter has been taken up with the St. Louis commission, which has been given assurance by the rallroads that the rates will be given. The date fixed upon is the one on which white men first saw Iowa. It has been definitely decided that there shall be no effort to produce the Floyd monument on the St. Louis exposition grounds. There is not room for it near the Iowa building as planned. The news from the monument is that a local movement has already been started to have it re-

He Wanted a Housekeeper,

The plans of a clever imposter have been frustrated here by a widow. A man advertised in a local paper for a housekeeper and received a large number of replies to his advertisement. He went to a widow was wealthy and a part owner in the street tive of Thomas Lowery of St. Paul, had a exceeded his authority. The would go to Bloux City to become his saturated with pipe smoke.

housekeeper and guardian for his little girl next day. She is a relative of Representa-tive H. E. Teachout and conferred with him. He telegraphed friends in Sloux City and found there was no such person in Sioux City. He did not return the next day. He had a large number of letters
