—the parties who originated and circulated, the rumor that "Force" Food contained drugs or other injurious ingredients.

\$5,000. additional will be paid to anyone proving that "Force" does, or ever did, contain any drug or other injurious or unhealthful ingredient, being composed solely of Wheat and Barley, with a seasoning of table salt, steam cooked, flaked, and roasted.

Do us the justice, if you question the absolute purity or healthfulness of "Force," to send a package to the Health Department of your city for analysis.

The "FORCE" Food Company. BUFFALO, N. Y.

Massachusetts College of Pharmacy.

The "Force" Food Company, Buffalo, N. T.:

GENTLEMEN—A rumor having reached me that your
product, "FORCE," contained injurious ingredients,
I took the occasion to analyze it, in the interest of
my own family and of some friends who are liberal
mears of it. It may interest you to know that I found it consisted exclusively of Whole Whest, Barley and Salt, and is absolutely free from any injurious elements

whatever.

Permit me to express my sincere regret that such a serious and baseless rumor should gain footing with the public.
You are free to use this letter in any way that will help to do your product justice.
Yours truly,
WILBUR L. SCOVILLE.

Massachusetts College

BOSTON, June 30, 1903.

At the invitation of The "FORCE" Food Company, of Buffslo, I have visited their Mills and made a careful examination of the materials from which "FORCE" is prepared, and the processes which convert it into its finished condition.

I found that "FORCE" consists exclusively of what my previous analysis indicated, viz.: Whole Wheat and Barley, with a flavoring of Table Salt, flaked, cooked and sterilized by 300 degrees of heat.

A feature of the manufacture which impressed me considerably was the fact that the process is entirely

A residue of the manufacture which impressed me considerably was the fact that the process is entirely mechanical, the food being prepared, cooked and boxed by machinery, without ever coming in contact with the hands or clothing of the mill operatives.

I was also gratified to note that an experienced Chemist daily supervised the entire output, and that each day's manufacture was also tested by an expert

Signed, WILBUR L. SCOVILLE, Professor of Theory and Practice of Chemistry.

Chemical Caborators University of Buffalo,

HERSERT M. HILL, PH. D., Analytical Chemist and Assayer

The "Force" Food Company, Buffalo, N. Y.:
GENTLEMEN—in view of the rumors regarding the alleged adulteration of "FORCE," it has been a satisfaction to me to visit your Mills, investigate, and

analyze your product.

You are free to publish this statement made over my signature, that I found "FORCE" to be absolutely pure, consisting solely of Whole Wheat and Barley, flavored with table Salt, and free from any injurious substance whatever.

I examined, in detail, the various steps in the man-

I examined in detail, the various steps in the manufacture of your product, such as the steam cooking, the flaking and the roasting, as well as the packing, and find all to be remarkably clean and of absolute healthfulness. The final roasting is done at a temperature above 300° F., which, with the steam cooking, completely sterilizes the product, and the entire process, from the first step to the final scaling of the package, is a mechanical one, the product at no time coming in contact with the hands or clothing of the persons handling the machines or packages. persons handling the machines or packages.

Very respectfully,

HERBERT M. HILL,

Chemist to the City of Buffalo,

See page 148 of "Cereal Breakfast Foods," Bulletin No. 84, of the Maine Experiment Station, a State Institution, which has analyzed "FORCE" with other foods, in the public interests.

Copy will be mailed free on request.

Refer also to Canadian Government Bulletin 84 on similar subject, pages 6 and 29, for analysis showing that "FOECE" consists solely of the most wholesome and nutritious ingredients.

Any inquiries concerning this subject will be cheen. Any inquiries concerning this subject will be cheer-fully answered by THE "FORCE" FOOD COMPANY.

SOLDIER SHOOTS POLICEMAN

Causes Instant Death. DEAD MAN IS PROTECTING GIFL

When Murderer Turns His Revolver on the Policeman the Girl Escapes with Life and Runs Away.

NEW YORK, July 28.-In full view of hundreds of persons going to work, Patrolably fatally injured on the corner of Avenue B and Seventh street today while trying to prevent a soldier from shooting his sweetheart.

The soldier is Adolph Schloss, 22 years of age, of the Eleventh battery, field artillery, stationed at Fort Hamilton, Brooklyn, After shooting the policeman the soldier turned the revolver on himself, but without serious damage. Mulvy was shot in the center of the fore-

head, the builet passing entirely through his skull and out at the back of his head. Schloss was arrested immediately. His sweetheart, Louisa Freedma, 18 years old. ran away screaming after the shooting and the police are looking for her. Schloss has been in the army for two months and was on leave of absence. He

declared that he had been away four days

over his leave, but said he had no intention of deserting. Policeman Mulvy had been several years on the force, The girl was found later and told the detectives that her father wished her three older sisters to marry first and she had. therefore, broken her engagement with Schloss, who shot at her after she had
