Peoria Piles Up Twelve Runs by Simply Hitting the Ball.

DISTILLERS MAKE SIX IN THE SIXTH

Rourke's Men Hit the Ball Often Enough to Win an Ordinary Game, but This Was No Ordinary Affair, PEORIA, III., July 28 .- (Special Tele-

gram.)-Companion proved an easy victim this afternoon in a slugfest held at Lakeview park, and before quite 1,000 spectators his team went down to defeat by the score of 12 to 5. It was a good game until the finish of the sixth inning, and Companion and Hart were doing a battle royal for supremacy. In the seventh the first man up received first as a gift and then it was that the sky was made lurid by sky-scrapers, to say nothing of the singles that tended only to advance men on bases. Bix hits in all were sufficient to make six runs. The eighth was almost as disastrous, for three hits, which were aided by errors by the pitcher and Thomas were sufficient to allow

three additional runs. Manager Rourke occupied a position on the players' bench, but for once he had no fault to find. The hits that came with such regularity were of the lucklest nature, and it was by no means dumb playing that permitted the run-getting of the locals. On the contrary, the visitors hit well, but unfortunately could not bunch them. During the first five innings five hits obtained singly were equal to as many runs, but in the sixth two amounted to nothing. As a raily in the ninth the team looked good considering the great odds against which they had to contend. Companion led off with a three-bagger and he easily scored on Carter's single. Genins reached first on a sinregularity were of the lucklest nature, and ter's single. Genins reached first on a single and Carter scored on Shugart's fielder's choice which caught Genins. It was Hart's fortunate stop of Miller's high liner that terminated the game or else another score would have been added.

League Presidents Meet in New York and Talk of National Agree-

NEW YORK, July 28.—A meeting of the presidents of base ball leagues to consider a national agreement was held today. Hearly Harris of San Francisco and J. F. Morley of Los Angeles, representing the California association; P. J. Hickey of the American association and Harry Pulliam of the National league were among those present.

of the National league were among those present.

M. H. Sexton of Colorado Springs, president of the Western league, came into the hotel just before the meeting began and went into conference with the others. It is understood the minor league will demand that the reserve rule shail be enforced. When Ban Johnson was in the city last week he said no matter what agreement was formulated the American league would stand by the contracts made with their players.

Most of the contracts run from two to Most of the contracts run from two to three years, that being the only way that the American league could get the star players of the older league to desert or sign contracts with it. In the National league the contracts, in most cases, only extend over the playing season.

Barney Dreyfus, president of the Pittsburg club, was round the hotei and had a talk with President Powers. He said he was in the city on private business and had nothing to do with the meeting.

The conference adjourned at 2:39, when Mr. Pulliam said he and Mr. Powers had met as a committee and invited the others to meet them. No plan was mapped out. Another session will be held tomorrow.

MANY WAGERS MADE AT CLEVELAND

CLEVELAND, July 28.-In spite of the vigilance of the officers placed at the Glenville track by Mayor Goff handbooks were operated this afternoon and many wagers were made, the bookmakers passing out to their patrons small blue tickets. No arrests were made, as the work was done quietly and without the sanction of the as-

sociation. The sport was of the best, fast time being made in all of the events and close finishes being the order in three of the events. The first race, the 2:14 trot, went to Billy Buck without much effort, the gelding apparently outclassing his field. In the 2:23 race Elastic Pointer won without difficulty, although he was forced to reduce his record from
