HELPS WIN GAME WITH A THREE-BAGGER

Starts the Trouble and Genies and Miller Keep Up the Disturbance Until Two Runs Are Scored.

ST. JOSEPH, Mo., Aug. 10.—(Special Telegram.)—Omaha won today's game in the ninth, when Sanders hit for a three-bagger and was brought home by Genies, who reached second, Miller's hit scoring Genies. It was the closing of the series with Omaha, and Sanders for the visitors and Chinn for the Saints did the star work. There were no other changes in the lineup of the home team, save that Phil Glade covered short and Garvin officiated at the big hit. The Saints will leave tomorrow for Denver. Carter singled in the first, Genies sacrificed him to second, Miller went out on an infield grounder to McBride, advancing Carter to third, Thornton retired the side with a grounder to Glade. BOXERS TALK BIG OF MILL

Jeffries boasts of New Defense and Hints at Knocking Out Corbett.

SAN FRANCISCO, Aug. 10.—Jeffries now weighs close to 230 pounds, but does not appear to be heavy. Trainer Delaney is confident that the mill will be able to intend to permit the bout to drag along an endless length. Jeffries will fight with such strength and speed that he will bring Corbett down to his level in the question of agility. When he once gets into the ring, the battle can be considered as over. When this statement was repeated to Corbett he replied: "So Jeffries expects to make the fight a short one, does he? Well, I hope he is right. If he does he will find me on hand. He will not get any chance on me. I am a much stronger puncher now than I have ever been and I believe I will be able to put force enough in my blows to knock Jeffries down and put him out."

DURBIN MAKES FORMAL REPLY

Indian Governor Answers Letter of President on the Lynching Question.

INDIANAPOLIS, Ind., Aug. 10.—Governor Durbin today sent a formal reply to the letter from President Roosevelt concerning the recent mob at Evansville.

Governor Durbin says: Dear Mr. President: Acting in accordance with the suggestion made by the secretary to the president, I telegraphed you my approval of the communication you have sent to me in address to me under date of August 8. In doing this I proceeded on the well-warranted belief that the communication you have so generously accorded to my official acts was only incidental to the broader purposes of your admirable letter, which is a moving appeal to the conscience and the patriotism destined, in my opinion, to profoundly affect public sentiment on a vitally important national question.

The effect of such an appeal from such a source is certain to be salutary in its widespread influence. In this instance, as in other emergencies, you have spoken in the courage of conviction, with the eloquence of earnestness and under the inspiration of the clear understanding of and devotion to the duties and responsibilities of American citizenship.

I feel that you have struck the keynote of a national necessity when you say that "all public men, all writers of the press, all clergymen, all teachers, all who in any way have a right to address the people, should with every energy denounce such crimes and to support those engaged in the effort to suppress them." The related doctrine that "we must show that the law is adequate to deal with crime by treating it from every technically and legally."

Your stirring words will serve to press home upon the people a responsibility, which, reaching beyond all those in authority, is essentially the duty of every citizen. To arouse the realization of that responsibility and all its implications will be to entirely eradicate conditions which otherwise may soon become, as you point out so cleverly, an imminent menace to the very life of the Republic.

ATLANTA, Ga., Aug. 10.—Governor Terrell today endorsed the contents of President Roosevelt's letter to Governor Durbin of Indiana, in regard to the recent action of Governor Durbin to prevent lynchings in that state.

Governor Terrell today gave the following signed statement to The Associated Press: I think President Roosevelt is on the right line, and I am in hearty accord with the views he expresses. The majesty of the law should be upheld, but at the same time there should be a prompt and speedy trial of the offenders in the case of that crime which so frequently excites the anger of mobs and leads to lynchings, and the punishment should not be delayed by technicalities.

No law, however strictly enforced, will absolutely stop lynching for criminal assault, but a speedy trial will lessen the number and practically serve as a preventive of lynching in all other offenses.

It is interesting in this connection to note that the numerous lynchings in the north and west in the past few years, such as the expression from the president, while the number of them in the south has been a few, have frequently excited the anger of mobs and leads to lynchings, and the punishment should not be delayed by technicalities.

KELLY MAILS BOODLE LETTERS

Grand Jury Receives Lee's Epistles by Mail for Use in Court.

JEFFERSON CITY, Mo., Aug. 10.—The foreman of the boodle and grand jury today received a package from Niagara-On-the-Lake, Ont. While the contents are not publicly known it is supposed the package contained letters sent by Daniel J. Kelly which he received from former Lieutenant Governor John A. Lee, to be used in the bribery trial of Senator Farris.

This is taken to indicate that Mrs. Kelly will probably not return to Jefferson City to testify at the trials. It was Kelly's intention to have her present the letters in person and she recently came for that purpose, but the trials were postponed and she returned to him.

A big program of athletic events has been prepared for the Redmen's picnic at Courtland Beach today.

SHORTAGE PROBABLY HEAVY

Evidence that Treasurer of Preachers' Aid Society Took Away a Large Sum.

BOSTON, Aug. 10.—About twenty Methodist preachers connected with the Preachers' Aid society held a meeting here today to consider the situation growing out of the resignation of the former treasurer, Willard S. Allen.

Investigation of the case has disclosed evidence that for the last six or seven years Mr. Allen borrowed \$1,500 to \$2,000 for three days in March from former Alderman Charles White of East Boston. He also borrowed similar amounts from the East Boston Co-operative bank at the same period. This has led to the belief that a sum aggregating \$4,000 was needed to cover up irregularities in accounts and satisfy the auditor of the Preachers' Aid society.

It is believed also that if this was the case the treasurer must have taken a large sum of money with him when he left this city a week ago and must have the securities of the society as well. This view is said to be confirmed by the statement of President Wood of the Columbia Trust company that Mr. Allen last year deposited \$25,000 in cash at one time with the trust company in his own name.

The visit west, however, will be brief as the Englishmen are anxious to see the races for America's cup, which begin next week.
