## ERRORS COST OMAHA GAME

Both Teams Put Up a Listles', Ragged Article of the National Game.

WELCH IS THE STAR WITH THE STICK

Damage is All Done in the Ninth Inning on an Error, a Single and the Throw in of a Long Fly.

DENVER, Aug. 26.-(Special Telegram.)-The Omaha brigade, commanded by Pa Rourke, went down to inglorious defeat today before Packard's bunch of cubs. The attendance was the smallest this season. The contest throughout was a very ragged affair, the players on both sides playing that listless kind of base ball that makes the fans tired. Companion for the visitors was rather erratic at times and allowed hits just when they were needed. The Omaha men touched up Whitridge for more safe ones, but they were far between and netted only two runs. The Denver twirler settled down in the last inmng and shut out the Rourkites in one, two, three order. Denver won the game in the ninth inning when four cubs came galloping over the rubber. Schiel and Schelbeck, Packard's twins, came home on Miller's fumble of Whitridge's single and the Denver slabblat followed them across the rubber on the throw in from left of Jones' fly. Delehanty then came up and brought Radcliffe in on his long drive out to Miller. Denver started the run getting in the first, when McHale lambasted the sphere for a two-bagger to center and came home on Schlei's single to Carter's garden. Nothing more was doing for the Grizzlies until the sixth. Delehanty scored in this inning on McHale's long fly to center field. Omaha scored its two runs in the fourth and fifth innings respectively. In the fourth, "Handsome Jack" Thornton crossed the platter on a wild throw of Schlei, a pass and a hit by Welch. Carter scored in the fifth on a long hit by Miller. This ended Omaha's scoring. At many times during the melee the visitors had men on third, but Whitridge settled down and retired the side. Attendance 637. The DENVER.

PHILADELPHIA, Aug. 26.—Superb pitching by Dineen was the chief obstacle in the way of a victory for the locals today. The only chance Philadelphia had to score was in the ninth inning, when, with one out and three men on bases, a lightning double play by Ferris, Parent and La-Chance ended the game with a shut-out for the home team. Reliance and Shamrook III Pass Through Storm in Safety.

the international yacht course Thursday will be light to fresh northeast, shifting in the afternoon to east and southeast, with probably cloudy weather. FRANKENFELD. NEW YORK, Aug. 28 .- An alleged wire-

ess report from the yacht Erin, which is equipped with the DeForest wireless system, published in the morning papers, to the effect that Shamrock III was seriously damaged during yesterday's storm, and that there was a possibility of Sir Thomas ask ing for a postponement, caused considerable excitement in yachting circles.

Investigation promptly proved that the statement was without foundation. Shamrock rode out yesterday's squall without the slightest damage, although the big anchor was dropped as an additional preeaution.

There was no particular evidence at Sandy Hook today of last night's blow, except the broken bowsprit of Gilaldeau. C. O. Iselin, aboard Sunbeam, the defender's tender, said that as far as he knew there was no material damage to anything. Mr. Iselin, Captain Barr and Designer Herreshoff of Reliance had a long conference today, but Mr. Iselin refused to say

anything as to its character.

No Change Is Expected. Herbert C. Leeds today said that C. D. Mower, measurer of the New York Yacht club, was expected later in the day, but it was not anticipated that any change in the sailing length of Reliance would be found. The time allowance under which Reliance, Constitution and Columbia have sailed in the preliminaries this year was made known today. Those times have been kept secret. Reliance allowed Constitution one minute and forty seconds and Columbia two minutes and forty-one seconds in all

By these times it is figured that Constitution won two races from Reliance, but Columbia failed to score. Reliance sustained no damage whatever in yesterday's squall. Sir Thomas Lipton refuses to give up hope. He was very much surprised today to learn for the first time that Shamrock was handicapped nineteen seconds at the "That's very bad," he said, but made no
