NOT DECIDED ON BUILDING Governor Mickey and President Wattles of World's Fair Commission

Discuss Plans for State Exhibit,

Governor Mickey and President Wattles of the Nebraska commission to the Louisiana Purchase exposition have had a conference in Omaha relative to commission matters and the question of a state building was the leading topic. Regarding this President Wattles said:

"As regards the state having a building on the exposition grounds, we are not yet prepared to say whether we will or will not prayer and good works, but don't drop the have one. When the commission visited St. Louis several weeks ago we selected a site, and Architect Kimball was with us receiver like some vigorous man kicking a and stated that a very creditable building could be built for a relatively small sum. However, our financial resources are so limited that we felt rather inclined to derote everything to a splendid exhibit of the state's resources. Arrangements are being perfected to this end now."

From Governor Mickey it was learned that 5,000 feet have been secured in Agricultural hall for the state exhibit and the
