ELECTRIC LINE ASKING AID

Wants Commercial Club to Help i Get Right of Way Into the City.

W. J. Dobbs and A. T. West of Tabor, Ia., and E. D. Arnold of Creston, Ia., promoters of the Council Bluffs, Tabor & Southern Electric Railway company, met yesterday afternoon with the executive committee of the Council Bluffs Commercial club and asked that their project be

cial club and asked that their project be endorsed and assistance rendered when the company was ready to seek a franchise to enter Council Bluffs.

According to the plans submitted to the committee the proposed road will run from St. Joseph, Mo., to Rockport, Mo., thence north to Sidney, Ia., from Sidney to Tabor, from Tabor to Hiliside, from Hiliside to Glenwood, from Glenwood to Pacific Junction, and from Pacific Junction, and from Pacific Junction, and from Pacific Junction to Council Bluffs. The route proposed to enter Council Bluffs is by way of Lake Manawa, passing under the Union Pacific dump at the viaduct at Thirty-fifth street, and then east on Second avenue to Eleventh street. The plan to enter by Thirty-fifth street was strongly opposed by the executive committee for the reason that it would be too near Omaha. The committee informed the gentlemen representing the project that if they desired the support and endorsement of the Commercial club the

415 BROADWAY, COUNCIL BLUFFS.

lowed their banks, submerging corn fields, meadows and pastures to a depth of five The water stood at the highest point in twenty years. Indeed, many old residents declare the flood is greater than that of 1884. Hundreds of people have walked or driven out today to see the torrents of water.

Last year the city council added several undred acres to the city and it is this ract of land which is submerged. The old fair grounds, which were used for a pleasure resort and contained Tyler's lake, was under water and several boats floated away. The brick and tile factory and yard was flooded, involving several hundred dollars' loss. Cattle, horses and hogs in the pasture were drowned or floated away down the river.

Will Sanburn and family, living in the Ed. Northrup place, north of town, near the East river, awoke Thursday morning to find their house surrounded and they were compelled to climb to the roof. Help came from Nodaway and a raft was built and the family was loaded on and started clothing alleged to have been furnished to the raft hit a tree, and everyone was thrown into the water. The men, with the girl and baby boy, were drowned.

body of the baby has been recovered since. Glen Robe, Frank Gibbs and Luther Patton started out in a boat on West river to rescue some stock. The current of the stream drove the boat against a tree and was smaahed, the three men saving themselves by climbing into the tree, Pat ton decided to swim to town and he swam for a mile, dodging floating refuse and to rescue the unfurtunate young men, the train to a standatill just in time to This they succeeded in doing, returning to avoid a bad wreck, town at 6 o'clock, the two boys having All telegraphic and telephonic communispent four or five hours in the tree.

VILLIBCA, In., Aug. 26-(Special.)-For rounded by water. The family was res ply was entirely out off. About twenty
