D. G. Metaxas, the Greek minister to the Court of St. James, today outlined the ireck view of the situation. He said:

The attitude of Greece is entirely mis-understood. What my government desires is the re-establishment of Greece in Maca-donia. The large Greek population in that province is subjected to atrocities by the Bulgarian revolutionists. The Bulgarians are worse than the Bashi-Basouks. They pose as liberators, but they really aim to Bulgarize Macedonia. Greece seeks the welfare of the whole Christian population. Tales of War Continue.

SOFIA, Bulgaria, Sept. 5.-Reports of the proceedings of the ministerial council at Varna indicate that there has been no hange in the attitude of the government on the Macedonian question. For the moment the dissolution of the Sobranje forms the chief subject of discussion. The council s supposed to be devoting itself chiefly to nternal affairs. The coming elections will probably afford quite as much excitement as the proceedings of the insurgents. Bands of revolutionaries continue to cross

the frontier, but scanty news of fighting in orthern Macedonia is received here. The nsurgents are believed to be waiting until a larger force shall have assembled. The latest details of the fighting at Sirbinoro state that three insurgent bands, assisted by peasants, were engaged with

"The idea of hostility between Canadians and Americans I have never seriously heard expressed. There is plenty of news-paper talk inspired by clashing commercial Interests, but it goes no further. In many respects Canada is better governed than the United States; there is less political corruption, better administration of justice and greater respect for law. I should regard it as a misfortune for the United States to annex Canada; there are millions John Barrett, Secretary Li with Secretary in America, however, who would subscribe cheerfully if Canada would annex the United States."
