The Ideals took two games from the Crescents yesterday at South Omahn. One was a shutout, 5 to 6, and the second game also went to the poets by 11 to 2. Both games were easily taken, and at no time were in doubt. In the first game the Cres-cents took a brace in the ninth inning, get-ting three men on bases with no outs. Games at Vinton Park Today. Omaha will return today after the most of eight games won out of thirteen played. Seven of these victories were won in suc-cension, the entire series at Des Moines, including the series postponed at the time of the flood last June. It was a little late in the year to begin the winning streak, but it's welcome just the same, and if it keeps up a little longer, we will be deprived of the booby prize in the longue race. The whole team is playing good ball, both with he bat and in the field, and while the identity of the new men is not known here, if doesn't matter much, so long as they play the game. A double-header will be supportent, and the Rourkes will show the guinn family that those seven sames at Des Moines were not mistakes. The fun-
