But one ballot was taken. The roll call showed such a preponderance of sentiment in favor of Judge Wilson that the votes cast for the other candidates aside from Mullins were changed to his and the announced result was: Wilson, 514; Mullins, 107.

After the announcement of the vote a resolution was presented and passed to the effect that the party still favors an eight-hour law. The convention then adjourned.

THEODORE SHAFFER IS SEEN President of Amalgamated Association Appears at Labor Day Meeting and Again Disappears.

POUGHKEEPSIE, N. Y., Sept. 7.—President Theodore Shaffer of the Amalgamated Association of Iron Workers, who has been missing from his home in Pittsburg for some time, surprised the labor unions of this city today by appearing at the labor day celebration.

He had been announced as the orator, but on account of the published accounts of his disappearance Herman Robinson of New York, secretary of the New York Central Labor union, was in his stead.

Robinson was introduced, Mr. Shaffer arrived in a carriage and made his way to the platform, not recognized by the crowd.

He looked pale and showed signs of exhaustion.

After Mr. Robinson's address President Shaffer was introduced, in a husky voice he said:

The thing I would most gladly do is to keep still and say nothing. Two years ago I made a mistake by trying to make a speech before you.

He was asked to make a statement, he said that he was anxious to see one and arranged with the reporters to meet them at the Nelson house at 7 o'clock tonight.

He was then driven away in company with John Bradley, a prominent labor man. It was found that he had not been at the city hall, and a thorough search of the city failed to reveal any trace of either Mr. Shaffer or Mr. Bradley.

SISTERS VISIT POPE PIUS

Go to Rome to See Their Brother After Six Weeks' Separation.

GETTING READY TO ASCENDO VESUVIUS Volcano's Eruption Has Diminished So Much That the Electric Road from Naples Will Be Opened Shortly.

ROME, Sept. 7.—The three sisters of Pope Pius X, who lived with him at Venice, arrived in Rome today after a separation of about six weeks. They were accompanied by their brother, who is now recovering from the effects of the eruption of Vesuvius.

The sisters tried to kneel, but were prevented from doing so by their brother who took them in his arms and embraced them. One sister in a tone of disappointment said: "How well you look, brother. You are not nearly so fat as you used to be."

The pontiff replied: "I am always your 'Pepi' but I am doing very well here." An hour was spent in reminiscences, the sisters are staying in a convent until an apartment which is being arranged for them at the San Angelo bridge shall be ready for occupancy.

There has been such a notable diminution in the eruption of Vesuvius that the electrical railroad from Naples to connect with the old funicular tramway will be opened in a short time.

COLORADO DEMOCRATS MEET

Endorse Kansas City Platform and Name Adair Wilson as Candidate for Judge.

DENVER, Sept. 7.—The democratic state convention met in this city today for the purpose of nominating a candidate for judge of the supreme court.

The convention was called to order shortly after 10 o'clock at the Democratic club by Milton Smith, chairman of the state committee, who was chosen as temporary and permanent chairman. Committees were appointed and the convention adjourned until 5 o'clock.

The report of the resolutions committee was very brief. It reaffirmed allegiance to the principles of the democratic party as set forth in the Kansas City platform; declares that there should be no compromise with lawlessness, whether it be in an individual or a corporation; condemns the use of military arm of the government at any time unless it is demonstrated that the civil authorities are unable to enforce law and order, and denounces the state board of equalization for "allowing the corporations to escape from paying their just proportion of taxes."

The report was adopted and the work of nominating a candidate for supreme judge was taken up. The names of John I. Mullins, district judge, Denver; Adair Wilson, judge of the state court of appeals at Laplata county; M. E. Bailey, district judge of Fremont county; Frank P. Johnson, district judge of Denver; W. H. Bryant of Denver, and former Congressman John C. Bell of Montrose county were submitted.

But one ballot was taken. The roll call showed such a preponderance of sentiment in favor of Judge Wilson that the votes cast for the other candidates aside from Mullins were changed to his and the announced result was: Wilson, 514; Mullins, 107.

After the announcement of the vote a resolution was presented and passed to the effect that the party still favors an eight-hour law. The convention then adjourned.
