of Headquarters is Satisfactory.

Omaha Under Plan Doubtless Will Be come Headquarters of Department of the Platte and St. Louis of Missouri.

Mississippi and Missouri rivers, as reported be the logical deduction with headquarters in The Bes Monday, is creating no little at Omaha. interest at army headquarters in Omaha. St. Louis and Kansas City probably will come involved in a controversy over the location of the headquarters for the new Department of the Missouri, especially in Oklahoma and the Indian Territory may

The western departments as now con-stituted are: Department of California, mprising the states of California and Francisco; Department of the Colorado, comprising the states of Wyoming (except with headquarters at Vancouver barracks, Washington; Department of the Dakota, and South Dakota, Montana and so much of departments as already described." of the Yellowstone park as comprises parts : Wyoming and Idaho, with headquarters at St. Paul; Department of the Lakes, mprising the states of Wisconsin, Michigan, Illinois, Indiana, Ohio, Kentucky and annessee, with headquarters at Chicago; Department of Texas, comprising the state of Texas, with headquarters at Ban Antonio, Tex.; Department of the Missouri, omprising the state of Iowa, Nebruska, Missouri, Kansas and Arkansas and Oklahome and Indian Territories, with headquarters at Omaha.

Officer Gives His View. In discussing the proposed change of the departmental lines an officer connected with the headquarters of the Department of the Missouri, who has given the matter con- RATES siderable thought said yesterday.

'St. Louis is the logical headquarters for the Department of the Missouri, not assentially as the department is now constituted, but as it may be constituted. This understand contemplates the elimination Iowa and Nebraska from the Missouri department, and possible will consist of the states of Missouri, Arkansas, Kansas, Oklahoma and Indian Territories. There has, however, been considered another plan, and that is to add the states of Kentucky and Tennessee to the Missouri department, and have it constituted of the states of Missouri, Arkansas. Kentucky and Tennesson, which would naturally make St. Louis the logical headquarters of the new

SEES ADVANTAGE TO OMAHA department. A new department to be called the Department of Kansas, is contemplated, embracing the state of Kansas, and Oklahoma and Indian Territories, with the Army Officer Says Proposed Rearrangement logical headquaters at Fort Leavenworth or Fort Riley, or possibly at Kansas City. The reorganized Department of the Lakes, of the states of Ohio,

WILL HELP LOCAL COMMERCIAL INTERESTS Indiana, Illinois, Michigan, Wisconsin and lows, with headquarters at Chicago. The Department of Dakota naturally would take in the states of Minnesota, North Dakota and Montana, with headquarters at St. Paul. The Department of Colorado would comprise the states of Colorado, Utah, and the territories of Arizona and Mexico, with headquarters at Denver. A new Department of the Platte, constituted of the The almost certain rearrangement of the states of Nebraska, South Dakota and different military departments west of the Wyoming including Yellowstone Park, would

Advantage to Omaha.

"In this last proposition, we in Omaha are naturally most interested. As a matter of fact the military posts in these three view of the possible fact that Kansas, states are all now practically supplied from Omaka and by the addition of Wyoming be included in the new Department of the to the Department of the Platte, it would mean an increase of about \$100,000 annually to the business interests of Omaha, over its suppy business as the Department of the Missouri it at present constituted. This Novada, the Hawaiian islands and their arrangement of the Department of the Arrangement of the Department of the Arrangement of the Department of the Depart vantage to the Burlington and Union Pacific and Northwestern railways, not alone so much thereof as is embraced in the in the transportation of various military Yellowstone park), Colorado and Utah and supplies, but in the transportation of troops the territories of Arisona and New Mexico, to participate in the army maneuvers at with headquarters at Denver; Department Fort Riley, which will follow after the of the Columbia, comprising the states of maneuvers that are to take place there this Washington, Oregon, Idaho and the terrifall. A very important consideration in tory of Alaska (except so much of Idaho the formation of the new departments, is as is embraced in the Yellowstone park), that the headquarters of the departments should, as a natural result, be at the eastern extremity of the departments and comprising the states of Minnesots, North this is contemplated by the rearrangements

TO ROSEBUD LAND

Excursion Schedules Are Offered by Northwestern Into Country to Be Homesteaded.

Believing that the government will soon throw open to settlement under the homestead laws, 416,000 acres of land near Bonesteel, S. D., the Northwestern has made special rate of \$5 to Bonesteel and the Rosebud Indian reservation and return. These excursion tickets are good only to leave Omaha on the 3 p. m. train September II, and to return on the trains from Bone steel on September 13, 14 and 15. September 12 at 2 p. m., a train will run from Honesteel to the Indian reservation line, afford-

ing a fine view to the excursionists. A number of entertainments have been arranged for the benefit of the excursionists, including the Omaha corn and grass dance by Chief Swift Bear and 250 Sloux Indians. There will also be wild steer riding, broncho riding and a barbecue.
