DES MOINES, Sept. 9 .- (Special.)-A number of women of Des Moines are in a predicament owing to the aggressiveness of a corporation in St. Louis engaged in working some sort of a scheme in connec tion with placing portraits at the St. Louis exposition of the handsome women of the state. Some time ago the mayors of cities and towns in the state received a communication from St. Louis inviting them to nominate women to have their portraits in a bacuty gallery to be placed in the Iowa building at St. Louis during the exposition The correspondence in regard to this matter came to the attention of the Iowa commission at the last meeting and the commission refused directly to recognize the furnishing Cherokee pea steam coal at in connection with the lows building. Notwithstanding this the company at St. Louis has gone ahead securing the names of the mayors of cities and towns and a number of Des Moines women have received notice that they have been designated by the mayor of the city as eligible for this honor. They are writing to the commission making inquiries and a great deal of embarrassment is following the promotion of the scheme. Most of the mayors of cities in Iowa turned down the proposition at Members of the Iowa commission declare they do not know what the scheme is, but they are opposed to all grafts of every kind in connection with the Iowa building and all schemes have been op-
