

DOAN'S KIDNEY PILLS

Bad Backs are found in every household.

A back is a bad back when it aches or when it's lame and painful. Bad backs come from sick kidneys and warn you of serious trouble if the kidneys are not relieved.

Backache may seem serious to you but it's an early symptomatic indication of dangerous diabetes, of dropsy, of Bright's disease—Better cure it when it's only backache. Doan's Kidney Pills cure every kidney ill.

Tired Back come to those who are forced

to overtax them in their daily duties. Ever realize that it isn't really the back that's tired but the kidneys? The kidneys are overworked, become congested, and when they "play out" the back will tell you.

Healthy people have strong backs. Learn to be healthy through keeping the kidneys active. Doan's Kidney Pills keep the kidneys active, correct and cure infrequent or excessive urinary discharges, painful urination and all bladder and kidney troubles.

Dorcus Street

F. B. Kingsbery of 1823 Dorcus street, carpenter by trade, says: "Doan's Kidney Pills are a good medicine and I can recommend them. I had an attack of kidney trouble for two months and for two weeks before I got Doan's Kidney Pills I could not work on account of my back. I commenced using the remedy and soon noticed its beneficial effect. The pain in my back left me and the irregularity of the kidney secretions was corrected. I consider Doan's Kidney Pills the best kidney and urinary medicine I ever used."

South 10th St.

W. V. Doolittle of No. 2236 South Tenth street, engineer on the Union Pacific Railroad, says: "For two years and a half I had backache. At first I thought very little of it, but during the winter of 1898 it gradually grew worse, and I saw that something had to be done. Getting up and down from the engine gave me no small amount of trouble; I could scarcely endure the pain and thought sometimes my back would break. Procuring Doan's Kidney Pills at Kuhn & Co.'s drug store, I took them and they completely cured me."

No. 28th Ave.

A. Rauschert, house and sign painter, 105 North Twenty-eighth avenue, whose office is at 105 South Fifteenth street, telephone 1080, says: "Backache, why I had it so bad for two years that it wakened me at night and when the attacks were at their height trouble with the kidney secretions set in. When I went to Kuhn & Co.'s drug store for Doan's Kidney Pills I had very little faith in their merit, but half a box cured me, although I took more, to make a job certain. It seems curious that after using liquid medicine and other preparations for my kidneys, Doan's Kidney Pills should effect such a wonderful and rapid cure."

North 24th St.

Mrs. H. D. Dodendorf, 911 N. 24th street, says: "Rheumatism in the shoulders so that my left arm was almost helpless, so that I could not raise it to my head; swelling of the feet and ankles so pronounced that the skin was drawn tight and shiny so that I could not lace my shoes—all of these symptoms pointed directly to disordered kidneys. While visiting in my old home, Wilkesbarre, Pa., my father advised me to use Doan's Kidney Pills and stated that it was a remedy extensively recommended in and around Wilkesbarre. I got a box, afterwards procuring two more, at Kuhn & Co.'s drug store, corner 15th and Douglas streets. The swelling disappeared, the rheumatism left my shoulder and I stopped the treatment for there was no use of continuance."

EFFORT TO INCREASE LEGACY

Fight to Multiply Heritage Tenfold is On in Glandt Case.

HALF MILLION DOLLARS INVOLVED

Eight Living Heirs to Will, Part of Which is Destroyed—Complicated Legal Battle is Anticipated.

Judge Vinsonhaler in hearing the Glandt will case, which, owing to its peculiar features, has caused considerable interest. Samuel Williams of Millard, as guardian for his three children, Paulina, aged 9; Clara, aged 6, and Harry, aged 4, is endeavoring to have the will taken from probate in order that protests may be entered against it with a view of having it set aside. Half a million dollars in property and money is involved and the effort is to be continued every inch of the way. Peter Glandt, whose heirs are contesting for the fortune, died at Millard in January, 1900, after a long and successful life in Douglas county.

Attorneys for the plaintiffs will proceed on the theory that undue influence was exerted upon Glandt when he signed the will on July 16, 1900, when he was being very ill, all of his heirs being present save the

Williams. Further, that after recovering he desired to annul the document and crossed a heavy black line through his signature. The signature to the will is crossed by a horizontal line.

Part of Will Gone. In addition to this two inches of the will are torn from a page containing bequests of money and from which the names of the Williams children are absent.

In another part of the will they are bequeathed a farm valued at \$2,500, and it is contended that the intention was to give them a monetary legacy, the same as was done with the other children.

There are eight living children and the deceased mother of the Williams children, who was Glandt's daughter, as heirs. Evenly distributed among these heirs, the portion of each in the property would be about \$55,000. In other words, the attempt is to increase the legacy to the grandchildren from \$2,500 to \$55,000.

In order to have the will attacked it is necessary to show that the Williams children had no knowledge of the time when it was brought before the court for the formalities necessary to make it operative.

Comes Out for Roosevelt. NEW YORK, Sept. 11.—United States Senator Platt of Connecticut has announced that he favors the nomination of President Roosevelt as the head of the republican national ticket. This is his first expression on the subject, says a Times dispatch from New Haven. The announcement was made in a speech at the annual banquet of the Young Men's Republican club.
